

CR-V

5 YEAR UNLIMITED KM WARRANTY

Main: VTi-LX shown in Lunar Silver Metallic.

Features: VTi-LX shown in Passion Red Pearllescent.

LED Daytime Running Lights[^]

18" Alloy wheels*

STYLED TO SUIT ANY OCCASION.

Whether you're headed on a family road trip or a night on the town, it's not enough to simply get where you're going. These days you need to make an impression. And with the Honda CR-V, you're sure to leave a lasting one – wherever you go or whoever's along for the ride.

From head to taillight, the CR-V has been completely reimagined – updated to intrigue and reflect the modern and sophisticated aesthetic of our time. The sharp styling starts from the ground up with the distinctively designed 18-inch alloys*

And if those weren't enough to catch your eye the LED headlights[^] and Daytime Running Lights will. They gleam with confidence, day or night.

But you can't have style without a bit of substance, and the CR-V has always delivered. The CR-V steps it up with the power tailgate*. Not only does it open and close with the push of a button, it allows you to adjust the height of the tailgate to suit your needs or parking space. No matter how you look at it, the Honda CR-V has both the style and substance to suit any occasion.

Power tailgate*

*Available on VTi-S models and above. [^]LED headlights available on VTi-LX AWD only.

STYLE AND SOPHISTICATION, INSIDE AND OUT.

The adventure-ready CR-V sets a new standard for interior quality, comfort and sophistication.

Contemporary design meets premium finishes, with every detail carefully considered, so you'll always want to take the long way home.

The cockpit-inspired driver's seat puts all the tools and controls within reach, so you can keep your eyes squarely on the road ahead. Luxurious leather with 8-way power adjustment

and seat memory* for up to two drivers, makes for a comfortable ride, every time.

But comfort doesn't stop at the front seats. Little (and bigger) adventurers enjoy generous legroom, with clever space and functionality, like cupholders hidden in the centre armrest and USB ports to keep devices charged. With rear doors that swing open 90 degrees, access to the back seats doesn't require a gymnastic feat!

The large windows accompanied by a spectacular panoramic sunroof* brings the great outdoors in.

For those times when you may need the space for extra passengers, the 7 seat model opens up a world of possibilities. And if it's space for extra cargo you need, the flat-lay seats offer up to 1084L of storage, enough for even the heaviest of packers.

> 5-seats or 7-seats

^ Panoramic sunroof*

> Centre console storage

*Available on VTi-L 2WD and VTi-LX AWD models only.

ADVENTURE READY.

Be it near or far, big or small, the Honda CR-V has the right mix of power and efficiency to fuel all of your adventures.

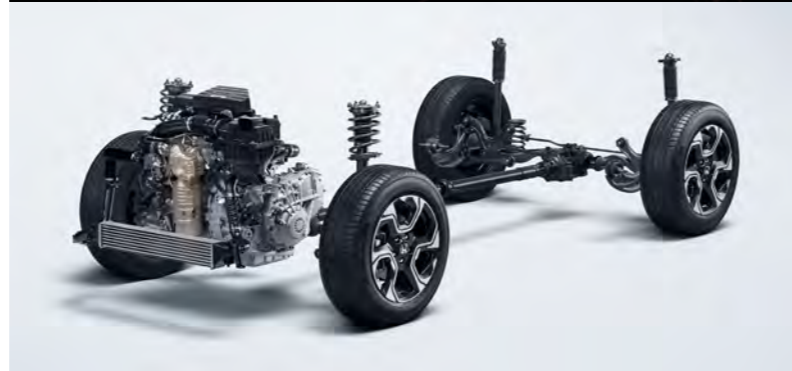

While the advanced turbocharged engine and enhanced handling capabilities will ignite your sense of adventure straight away, the all-wheel drive system* makes it a versatile SUV capable of getting you into, or out of, any unforeseen situations that may come your way.

On par with all that power and handling is a focus on efficiency. The Honda CR-V with Earth Dreams technology is engineered to maximise fuel economy and reduce emissions. Boasting 7 litres per 100km[†], it maximises your driving enjoyment while minimising your impact on the world around you. So you can focus on exploring the road ahead and not what you leave behind.

*Available on VTi-S and VTi-LX.

Climate control

CONNECTED AND IN CONTROL.

The Honda CR-V keeps you connected and in control from the moment you push start. Apple Carplay^{®+} or Android[®] Auto[°] allow you to seamlessly connect your phone via USB and Bluetooth[®] to the crisp 7-inch touchscreen, allowing you to make calls, listen to music, get turn-by-turn directions or access many of your favourite apps with a simple tap or via steering wheel-mounted controls.

The reversing camera makes backing out of tight spots a breeze. And if things happen to get too breezy, the advanced climate control system will keep everyone on board comfortable. And to keep your attention focused squarely on the journey ahead, all these refined features can be accessed via contoured steering wheel-mounted controls or with simple voice commands. It's an intuitive suite of cutting-edge technology designed to help you make the most of all your everyday adventures.

*Available on VTi-S (AWD) & VTi-LX (AWD) grades only. †Figures quoted are based on ADR81/02 test results from the VTi 2WD model. +Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. CarPlay and Siri requires iPhone 5 model and above running iOS 7.1 or higher. °Android Auto and Google are trademarks of Google Inc. Android Auto and Google Voice Search requires Android 5.0 (Lollipop) or above. ‡Requires compatible device. The Bluetooth wordmark is owned by Bluetooth SIG, Inc. and used of such work mark by Honda is under license.

GETTING YOU HOME SAFELY.

VTi-LX shown in Modern Steel Metallic.

No matter what adventure you're on, it's our priority to get you home safely. That's why the Honda CR-V features some of the latest and most advanced safety features on the road.

Safe journeys start with keeping an eye on the road around you. LaneWatch* uses a small camera in the passenger side mirror to eliminate kerbside blind spots.

When it comes to keeping you and your passengers safe, the CR-V has you more than covered. The Driver Attention Monitor watches your driving behaviour to determine your level of attention and fatigue. If it's time to pull over for a break, the system will alert you.

ISOFIX keeps your most precious cargo safe and secure. It's a quick, safe and internationally recognised standard for attaching child safety seats.

*Available on VTi-S models and above.

Honda SENSING

The VTi-LX model features Honda Sensing[^], an intelligent suite of driver assist technologies, which improves situational awareness and, in some cases, intervenes to help avoid a collision or lessen its severity.

REACTS TO A HAZARD BEFORE YOU MIGHT

FORWARD COLLISION WARNING

By constantly keeping an eye out for vehicles ahead, Forward Collision Warning (FCW) reduces the stress of driving in heavy traffic. If the system determines that a collision may occur, you'll be given an instant visual and audible alert to help you avoid whatever is in your path.

COLLISION MITIGATION BRAKING SYSTEM

If you happen to miss the FCW and a collision is likely, the Collision Mitigation Braking System (CMBS) will go one step further by applying the brakes. This helps to mitigate the severity of an accident that's unavoidable.

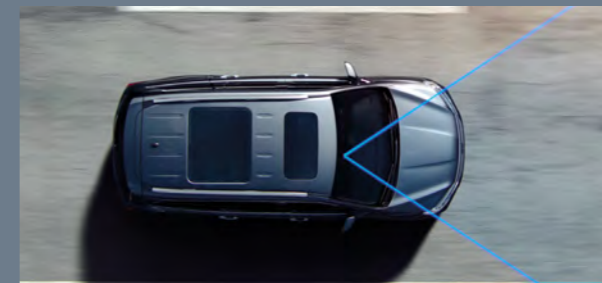

PAYS ATTENTION TO HELP KEEP YOU ON TRACK

LANE DEPARTURE WARNING

By reading the markings on the road beneath you, this technology triggers an on-screen message and sounds an audible alert if you accidentally cross into another lane without indicating.

ROAD DEPARTURE MITIGATION SYSTEM

If the Road Departure Mitigation System detects that you are drifting out of a lane with solid lines without signalling, you'll be steered gently back into the lane. In rare cases, gentle braking will be applied to keep you safe.

KEEPS YOU IN A SAFE POSITION

LANE KEEPING ASSIST SYSTEM

On a long drive, you'll truly come to appreciate the magic of Lane Keeping Assist System (LKAS). When you switch the system on, LKAS will read the lane and sense as you drift from its centre, this technology applies corrective steering to maintain perfect lane position.

ADAPTIVE CRUISE CONTROL WITH LOW-SPEED FOLLOW

By detecting the vehicle in front of you, this lets you maintain a set speed and following distance. Even in start and stop traffic conditions, Adaptive Cruise Control knows to keep your distance.

[^]Available on VTi-LX only. Overseas model shown for illustrative purposes.

SELECT YOUR MODEL

VTi 5 SEATS, 2WD

The CR-V VTi 2WD comes standard with:

- 1.5L Turbo engine
- 140kW @5600rpm and 240Nm @ 2000-5000rpm
- Continuously Variable Transmission
- Electric parking brake with automatic brake hold
- 17-inch alloy wheels
- Halogen projector beam headlights
- LED Daytime Running Lights (DRLs)
- Front fog lights
- Cloth seat trim
- Dual zone climate control
- Smart keyless entry with push start button
- Advanced Display Audio (7-inch colour touchscreen) including:
 - 8 speakers
 - AM/FM radio
 - Bluetooth® phone and audio connectivity
 - USB connectivity
 - Apple CarPlay®[^]
 - Android® Auto*
- Roof rails
- Multi-angle reversing camera with dynamic guidelines
- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist (HSA)
- Vehicle Stability Assist (VSA)
- SRS airbags: dual front, side and full length curtain
- Driver Attention Monitor (DAM)
- Electronic Brake Booster (EBB)
- Full size alloy spare wheel
- Tyre Pressure Monitoring System (TPMS)
- Tonneau cover
- Exhaust pipe finishers
- Electrically retractable door mirrors

VTi-S 5 SEATS, 2WD OR AWD

Additional features over the VTi:

- 18-inch alloy wheels
- Power tailgate
- Built-in satellite navigation
- Front and rear parking sensors
- LaneWatch camera
- Automatic dusk-sensing headlights
- Leather-wrapped steering wheel

VTi-L 7 SEATS, 2WD

Additional features over the VTi-S:

- Panoramic sunroof
- Leather-appointed[†] seat trim
- Heated front seats
- 8-way adjustable electric driver seat with lumbar support and seat memory
- Automatic rain-sensing wipers

VTi-LX 5 SEATS, AWD

Additional features over the VTi-S:

- Honda Sensing suite of driver-assist technologies including:
 - Adaptive Cruise Control (ACC) with Low-Speed Follow (LSF)
 - Forward Collision Warning (FCW)
 - Collision Mitigation Braking System (CMBS)
 - Lane Departure Warning (LDW)
 - Road Departure Mitigation System (RDM)
 - Lane Keeping Assist (LKAS)
- Panoramic sunroof
- Privacy glass
- Full LED headlights with active cornering lights
- Front LED fog lights
- Leather-appointed[†] seat trim
- Heated front seats
- Heated door mirrors
- 8-way adjustable electric driver seat with lumbar support and seat memory
- Automatic rain-sensing wipers
- Auto dimming rear view mirror
- Digital radio
- Leather-wrapped shift knob
- 4-way adjustable electric front passenger seat
