Exterior

Here's a sedan that exudes character and style across the range. The exterior design gives several subtle cues to the car's true capabilities. Pronounced lines and strong proportions give the robust Jetta's compact body shape a sharp, confident look.

Adding to the Jetta's appeal are light signatures, sculpted body surfaces and fresh detailing front and rear. The aerodynamic front end directs air around the car, aided by the distinct bonnet lines and carefully-contoured roof and rear design.

The Jetta's seamless laser welding provides strength and rigidity while the lowered sills, body coloured detailing and LED rear registration plate light add visual interest. A range of bold alloy wheels hint at the car's driving appeal and complete the stylish look.

The 155TSI Highline Sport sets the standard and is inarguably one of our best appointed models with Bi-Xenon headlights, LED driving lights and tail lights, front fog lights and sporty 18-inch Charleston alloy wheels.

Interior

The Jetta has a quality interior throughout the entire range. Every journey is more relaxing and enjoyable in the supportive and comfortable seats trimmed in quality Black Cloth for the 118TSI Trendline and high-grade Black Comfort Cloth for Comfortline models. Smooth Vienna leather appointed upholstery* with heated front seats add a premium touch to Highline models.

Grip the leather-bound multi-function steering wheel and the controls fall easily to hand, allowing you to operate Bluetooth® phone connectivity. Taking advantage of the Jetta's crystal-clear sound system, you can stream music wirelessly from your phone and, of course, take and make calls.

With a heightened level of convenience and visual appeal, the spacious cabin abounds with thoughtful touches for driver and passenger alike, including storage bins and pockets, adjustable front seats and tasteful decorative inserts.

Wherever your destination, the Jetta seats five with complete ease and offers outstanding boot space (510 litres) and a 60/40 split folding rear seat backrest for all your luggage requirements.

Highlights

The Jetta features an impressive assortment of technology. The new Composition Media audio system (in the Trendline model) and the Discover Media audio system (in the Comfortline and Highline) both feature a luscious 6.5" high-resolution display for every infotainment need.

These engaging infotainment systems mean it's never been easier to enjoy Bluetooth® phone connectivity with audio streaming. The Jetta now features Volkswagen's App-Connect^ USB interface for Apple CarPlay®, Android Auto™ and MirrorLink® enabling access to a selection of smartphone apps. The high-resolution screen also facilitates trouble-free parking now that Rear View Camera (RVC)* has been made standard across the entire Jetta range.

Driver and passenger comfort is assured with dual-zone climate-control air conditioning as standard in the Comfortline and Highline models. The Jetta's myriad of driver assistance systems inspire serious confidence in all conditions. In addition to Electronic Stabilisation Program (ESP) the Jetta offers Extended Electronic Differential Lock (XDL) as standard to further enhance its cornering ability. Another valuable new inclusion is the clever Driver Fatigue Detection* system to accompany you on longer journeys. And all this is in addition to a suite of active and passive safety systems.

Colours & Upholstery

The Jetta's broad colour palette complements the stylish interior trim, making configuration a simple pleasure. Customise the bodywork of your Jetta by choosing from a range of paint finishes that includes Pure White, striking metallic options and Deep Black Pearl Effect. A quality Black Cloth upholstery is standard for the 118TSI Trendline, while high-grade Black Comfort Cloth is standard for the 118TSI Comfortline. The Highline models add extra sophistication with a luxurious Black Vienna leather appointed upholstery†.

Volkswagen Choice: Protecting your investment

Enjoy a flexible finance solution that provides you with the assurance of knowing exactly what the minimum value[#] of your vehicle will be at the end of your term.

- ✓ Personally tailored solutions, based on your term and kilometre usage
- ✓ Opportunity to upgrade your Volkswagen to the latest model more often, enjoying the best innovations and new technologies
- ✓ Peace of mind knowing the minimum future value of your Volkswagen right from the start, so you know it will retain its value over time[^]

At the end of your term, you can simply choose to:

TRADE-IN

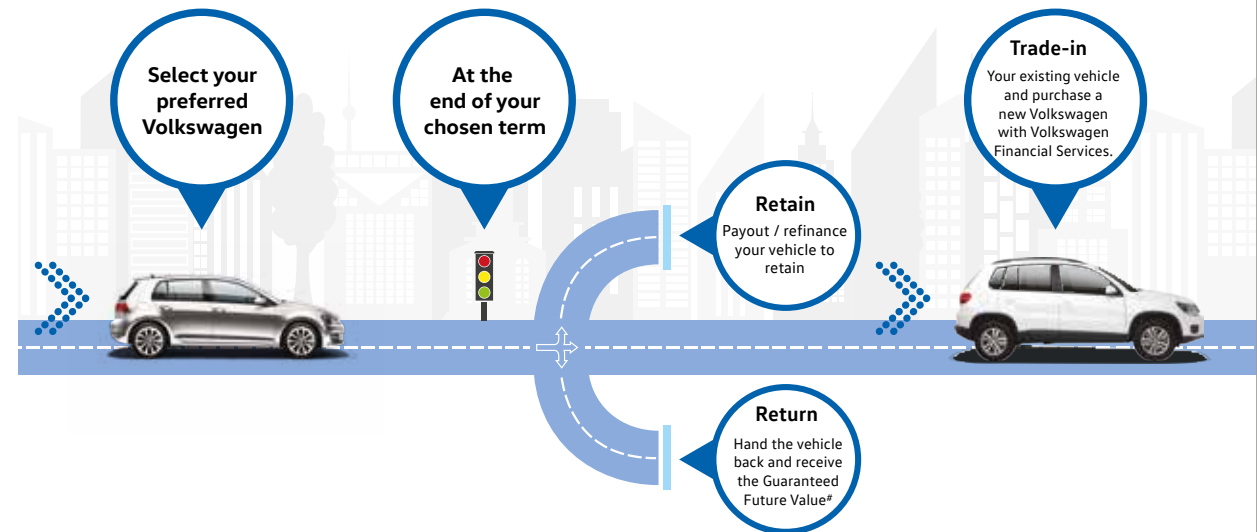

If you wish to trade-in your Volkswagen for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value, you can use this equity towards your new vehicle.

RETAIN

If you prefer to retain your Volkswagen, simply let us know. Provided that you also meet the relevant payment obligations under your contract, if we agree, you can purchase your vehicle outright for the Guaranteed Future Value price locked in at the start of the contract.[#] Then your Volkswagen is yours to keep. Or you can choose to refinance your residual at the end of the term.

RETURN

Simply return your vehicle to your Volkswagen dealership at the end of the term. If the vehicle meets the agreed requirements,[#] we will give you the benefit of the full Guaranteed Future Value amount.

To find out more, go to www.volkswagenaustralia.com.au/volkswagenchoice

To learn more about further finance and insurance options, go to <http://volkswagenaustralia.com.au/finance>

[#]The Volkswagen Choice Program consists of an option to require Volkswagen Financial Services to purchase your vehicle at the end of your Volkswagen Financial Services Chattel Mortgage, Consumer Loan or Hire Purchase for a value (known as the Guaranteed Future Value) determined by Volkswagen Financial Services and set out in your contract. The Guaranteed Future Value is not a representation by Volkswagen Financial Services as to the likely market value of your vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership vehicles that are eligible for the program. [#]If vehicles are not returned in an acceptable condition, as defined in the terms and conditions or exceed kilometre restrictions the Guaranteed Future Value will be reduced. See the Volkswagen Choice Fair Wear and Tear Guide for more information on the required conditions and circumstances. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Volkswagen Financial Services. Subject to credit assessment. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. Volkswagen Financial Services is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.
