GOING THE EXTRA MILE, TO OFFER EXTRA VALUE.

When you use UD Genuine Parts, you can count on guaranteed quality, value throughout the life cycle and improved productivity of your truck. Using non-genuine parts may save you a couple of dollars today, but can become a very expensive experiment tomorrow. So, why take the risk? The only way to keep your truck 100% UD is by using UD Genuine Parts that are backed by extensive testing and analysis and provided through our global parts supply network.

UD Genuine Parts are guaranteed to:

- Meet UD Trucks vehicle specifications
- Fit perfectly and work right the first time
- Deliver superior quality
- Ensure that your UD Truck stays 100% UD, through and through

UD HERITAGE PARTS

At UD, we build our trucks to last. We also believe you shouldn't be disadvantaged when it comes time to replace older model parts.

We're now offering more affordable replacement parts such as turbochargers, alternators and starter motors to name a few, for MK, PK and CW - year models 1999 - 2008 . Our Heritage Parts have been tried and tested, meaning you can get more value for less, with the same quality guarantee.
