

ECOSPORT

Go Further

The best of both worlds

What happens when you combine the styling of an SUV with the agility of a small car? You get the EcoSport: the compact SUV designed for urban discoveries.

1-2

Discover more with the urban SUV

Take a look at the EcoSport's sporty exterior – robust aerodynamic design and confident styling to impress, wherever you go.

3-4

Where function meets form

With its intuitively designed interior, the EcoSport puts everything at your fingertips, keeping you cool, calm and in control.

5-6

Control your life, hands-free

With its clever SYNC™ voice control system, the EcoSport keeps you connected as you drive – even automatically calling for emergency assistance if you need it.

7-8

Power and economy without compromise

Incorporating the internationally award-winning 1.0L EcoBoost engine, combining turbocharged power with stunning fuel economy, the EcoSport lives up to its name.

9-10

Safer travels

With 7 airbags and Electronic Stability Control, EcoSport is designed for peace of mind in all weather conditions.

11-12

More load space, less road space

With 20 cleverly designed storage compartments, plus a generous 705 litres of flexible boot space, the EcoSport fits whatever you're taking along for the ride.

13-16

Choose your EcoSport

- Ambiente
- Trend
- Titanium

17-18

Accessories

It's not just an EcoSport – it's your EcoSport. Express yourself with a range of accessories that make any journey uniquely yours.

19-20

Colours and Specifications

Discover more with the city-sized SUV

The city can serve up plenty of challenges — potholes, narrow laneways, rough surfaces, you name it. That's why the EcoSport sits 200mm off the ground so you can tackle all of those challenges with confidence. And with its impressive power, sporty design and confidently stylish finishes, you'll be turning heads for all the right reasons.

EcoSport Titanium shown.

EcoSport Titanium shown.

Where function meets form

Inside its rugged exterior, the EcoSport has a softer side. An interior that has exactly the smart, intuitive technology you need, and a touch of luxury, to help make your life run effortlessly.

EcoSport Titanium (1.5L Petrol) interior shown.

Control your life, hands-free

With SYNC™ it's easier than ever to stay connected while keeping your hands safely on the wheel and eyes on the road.

Intelligent access and push button start/stop*

Forget fumbling around for your keys to open your car. As long as your key is with you, the EcoSport Titanium will automatically unlock when you pull the door handle. Once you're inside, simply put your foot on the brake, press the power button and you're ready to roll.

Emergency Assistance

With SYNC™ Emergency Assistance, help is available when you need it most. If you are in an accident where your airbags are deployed or the fuel pump is shut off, SYNC™ can use your mobile phone (as long as it's paired and within range) to dial emergency services and give them your exact GPS coordinates. That's extra peace of mind, every second you're on the road.

Rain sensing wipers and automatic headlamps*

The EcoSport Titanium packs in an array of high-tech features, like windscreen wipers that are automatically activated when it begins to rain and lights that turn on when the light outside starts to dim.

Everything at your fingertips

Control your experience while keeping your hands on the wheel and your eyes on the road. With steering wheel controls, the smart features of the EcoSport are only a fingertip away.

You talk. SYNC™ listens*

There's ordinary voice control...and then there's SYNC™. It seamlessly connects your Bluetooth®** iPod® or USB devices, so you just say the words and SYNC™ does the rest. Make and receive calls, have your text messages read out* or play the music you've stored on your iPod® or USB. With your playlists at your voice command, you can always listen to what you love.

Power and economy without compromise

The EcoSport is engineered to give you more of what you need, and less of what you don't. That means giving you more kilometres per tank, without compromising on responsive power. So you spend less time at the pump and more time on the road.

EcoSport Titanium shown.

International Engine of the Year

It's tough to find a better combination of fuel economy and power than the turbocharged 1.0L EcoBoost. Awarded the International Engine of the Year title for the last 3 years, this revolutionary petrol engine still delivers the grunt you need.

Electric Power Assisted Steering

Save power and fuel with the EcoSport's Electric Power Assisted Steering (EPAS). It only uses energy when the steering wheel is turned, so on straight roads the motor is inactive. In fact, you will save up to 3% more fuel as compared to a conventional hydraulic power steering system. At the same time, it delivers precise steering and helps you adjust to different road conditions.

Feel the power, not the shift

Keeping it smooth is easy with the EcoSport's 5-speed manual transmission. But if you'd prefer the convenience of an automatic, and the fuel efficiency of a manual, the 6-speed PowerShift® transmission delivers on both, with gear changes you barely notice. The 6-speed transmission selects the next appropriate gear at precisely the right moment, so gear changes are effortless, with no disruption to power. The manual mode lets you switch gears at the push of a button – no clutch required.

Seven airbags, 360° confidence
Equipped with front, driver's knee, side and curtain airbags, you'll feel protected from every angle.

EcoSport Titanium shown.

Hill Launch Assist*

Hill Launch Assist is designed to prevent you from rolling on a hill when you move your foot from the brake pedal to the accelerator pedal. It works in both forward and reverse gears.

Rear parking sensors#

When reversing in the EcoSport Trend and Titanium, the rear bumper sensors will alert you with a warning tone to help you safely gauge the distance to any object behind you.

Beltminder™†

If the car has started and you or the front passenger haven't buckled up, an electronic beeping sound will remind you to put your seatbelt on.

Safer travels

Wherever the road takes you, enjoy knowing that the EcoSport is equipped with the latest protective technologies, and is designed to help keep you safe in unpredictable weather and road conditions.

Intelligent Protection System (IPS)

The Ford EcoSport's Intelligent Protection System (IPS) uses a range of sophisticated technologies designed to help protect you, including high-strength steel cage, ISOFIX technology for child seat installation and Electronic Stability Control (ESC).

The EcoSport's passive and active safety features include:

Active Safety

- ABS – Anti-lock Braking System
- Traction Control
- Emergency Brake Assist (EBA)
- Electronic Stability Control (ESC)
- ISOFIX fixing points for child seats on our rear outer seat

- Emergency Brake Lights
- Hill Launch Assist (Automatic models only)
- Rear parking sensors*
- Electronic Brakeforce Distribution

Passive Safety

- 7 airbags comprising:
 - Driver and front passenger airbags
 - Driver's knee airbag
 - Front side thorax airbags
 - Side curtain airbags
- Beltminder™ (for driver and front passenger)
- Seatbelt pretensioners with height adjustment
- High strength boron steel cage structure

*Automatic models only. #Trend and Titanium models only. †For driver and front passenger.

Energy in motion

The sleek and stylish lines of this city-sized SUV will move you, even when it's standing still, thanks to Ford's unique kinetic design. It's a commitment to a bold and dynamic look, inside and out.

EcoSport Titanium shown.

EcoSport Titanium shown.

Less noise, more relaxing

Enjoy real peace and quiet on the road thanks to the noise reduction materials used in the EcoSport. An acoustic headliner in the roof, sound deadening materials in the roof and body, together with a double sealing system in the doors, all help to block out unwanted noise and vibrations.

EcoSport Titanium shown.

There's no stopping you

No matter what the conditions, there'll be no stopping you. The EcoSport puts 200mm of ground clearance between you and potholes, ditches or whatever the road can dish up. In unexpectedly wet and nasty weather, the EcoSport's 550mm water wading* capability will help keep you in control.

More load space, less road space

The EcoSport is designed to be just the right size – and not only because it's compact enough to zip around the city. It's also the perfect size inside, with plenty of room to fit your life, whatever its dimensions.

EcoSport Titanium shown.

Space that grows

Fold down one of the 60:40 rear seats and you can transport long objects with enough room for passengers to stay comfy. Fold them both down, and your 705 litres of space becomes spacious enough to fit everything you need for your next urban adventure.

A place for everything...

And everything in its place. The EcoSport's 20 storage spaces go beyond the standard door pockets and cup holders to include clever, handy surprises – like a glove box that doubles as an air conditioned beverage cooler, and a slide-out drawer under the front seat. Even your sunglasses have their own designated space, so everything stays exactly where you want it.

Steering with style#

Craving a touch of luxury? With its leather trimmed steering wheel, the EcoSport is happy to oblige.

*Maintaining a steady speed of not more than 7km per hour. ^EcoSport Titanium comes standard with spare wheel cover in silver finish. #Titanium models only.

Ambiente

Urban discoveries start here. Get into the eye-catching Ambiente, pick up your friends and explore the city in style.

Seat insert: Dali cloth trim in Charcoal Black
Seat bolster: Vigo cloth trim in Charcoal Black

Features

- 1.5L Petrol with 5-speed manual transmission
- Optional: 1.5L Petrol with 6-speed PowerShift® auto with sport mode and Hill Launch Assist
- Electric Power Assist Steering (EPAS)
- 15" x 6" steel wheels with 195/65 R15 tyres
- Matching full size spare wheel with locking wheel nut and spare tyre
- Halogen headlamps (dual beam)
- Rear fog lamp (mounted in bumper)
- 5 seat capacity
- Rear swing gate with chrome handle
- Power side mirrors with blind spot mirror
- Cruise control
- 60/40 split-fold rear seats with multi-step recline and 'fold and tumble' functionality
- 4-way manual adjustable driver seat with lever recliner
- 2-way manual adjustable front passenger seat with lever recliner
- Slide-out drawer under front passenger seat
- Power front and rear windows (with driver one touch up/down)
- Trip Computer
- Follow-me-home headlamp lighting
- Two 12 volt power points
- 20 storage locations
- SYNC™ Connectivity System
- SYNC™ Emergency Assistance
- Bluetooth® hands-free phone and voice control with USB/iPod* integration
- Steering wheel audio controls
- 7 airbags
- Single CD/MP3 audio system with 6 speakers
- 3.5" multi-function display screen
- Beltminder™ (for driver and front passenger)
- Anti-lock Braking System (ABS) with Electronic Stability Control (ESC)
- Traction control
- Emergency Brake Assist (EBA)
- Emergency Brake Lights
- Hill Launch Assist (auto models only)

#Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is used under licence. Customers should consult their Ford Dealer on the ability of their mobile phone handset to integrate with the Bluetooth® system prior to making a purchase decision. Please visit ford.com.au/compatibility for compatible devices. *iPod is a trademark of Apple Inc. Please refer to ford.com.au for iPod compatibility.

SYNC™ Connectivity System

Staying entertained and keeping in touch with family and friends has never been easier. With Ford SYNC,™ you enjoy enhanced voice control and an instant connection to your iPod, USB or Bluetooth® devices.

Space that grows

Fold down both the rear seats and your 705 litres of space becomes spacious to fit everything you need for your next urban adventure.

Cruise the city

When the open road calls, this is the answer. Cruise control with the safety of a speed limiter, lets you enjoy the drive, while keeping you within the speed limit.

Powerful savings

Save a little extra for the things you want. The impressive, international award-winning EcoBoost petrol engine delivers the power you want with impressive fuel economy.

Rear parking sensors

Get a sense for how far you are from any objects behind you. The rear parking sensors will sound when you're too close.

Chill in

Enjoy the convenience of a chilled glove box compartment large enough to fit a few refreshments for the journey ahead.

Trend

With a dynamic design that's equally impressive inside, the EcoSport Trend is the city-bred SUV that comes with real street cred.

Seat insert: Shanghai cloth trim in Charcoal Black
Seat bolster: Vigo cloth trim in Charcoal Black

Features

- 92kW EcoBoost Petrol with 5-speed manual transmission
- Optional: 1.5L Petrol with 6-speed PowerShift® auto with sport mode and Hill Launch Assist
- Electric Power Assist Steering (EPAS)
- Unique 16" x 6" alloy wheels with 205/60 R16 tyres
- Full size spare wheel with locking wheel nut and spare tyre

In addition to Ambiente

- Front fog lamps with bezel (grey finish)
- Front and upper radiator grille (silver finish)
- Roof rails (black finish)
- Sports style front seats with 'Shanghai' fabric seats
- Cooler in glove box
- Manual adjustable lumbar support (for driver)
- Rear parking sensors

Seat insert: Torino Leather in Charcoal Black
Seat bolster: Torino Leather in Charcoal Black

Stylish seating

Here, comfort and sophistication go perfectly together. So sit back and relax in the sports style front seats complete with leather inserts and bolsters.

Intelligent access with push button start/stop

As long as your key is with you, the EcoSport Titanium will automatically unlock when you pull the door handle. Once you're inside, simply put your foot on the brake, press Power and go.

Rain sensing wipers

Drive safely, rain, hail or slight drizzle. As soon as it starts to rain, the windscreen wipers will spring to life so you can see the road ahead.

Automatic headlamps

The EcoSport Titanium's sensors detect the light levels. So as soon as daylight starts to fade, the automatic headlamps will turn on and shine.

Control the weather

No matter what it's like outside, you can ride in sheer comfort by setting the Electronic Automatic Climate Control to your desired temperature.

Alloy wheels

These stylish 16" alloy wheels will look good wherever your urban discoveries take you.

Titanium

The hunt is over for an urban SUV. The top of the range EcoSport Titanium perfectly combines striking style, technology and comfort.

Features

- 92kW EcoBoost Petrol with 5-speed manual transmission
- Optional: 1.5L Petrol with 6-speed PowerShift® auto with sport mode and Hill Launch Assist
- Electric Power Assist Steering (EPAS)
- Unique 16" x 6" alloy wheels with 205/60 R16 tyres

In addition to Trend

- Front fog lamps with chrome bezel
- Roof rails (silver finish)
- Leather seat inserts and bolsters
- Leather trimmed steering wheel
- Rear view mirror (electrochromic)
- Air conditioning with Electronic Automatic Temperature Control (EATC)

- Automatic headlamps
- Intelligent access with push button start/stop
- Rain sensing front windscreen wipers
- Rear parking sensors

Accessories

It's not just an EcoSport – it's your EcoSport. Express yourself with a range of accessories that make any journey uniquely yours.

EcoSport Titanium shown with cross bars, front and rear mudflaps and weathershields.

Weathershields

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the windows down, even during light rain.

Bonnet protector

Look after your EcoSport with a bonnet protector, designed to help deflect stones and other objects.

Carpet mats and illuminated scuff plates

Be greeted with a warm ambient glow and quality carpet underfoot as you climb aboard your new EcoSport.

Cross bars

Made from strong lightweight aluminium, these cross bars can be easily installed when you need them, and removed when you don't.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safety

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.

Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.

Complimentary State Auto Club Roadside Assistance and Membership.

Our commitment to your complete satisfaction plays a major role in everything we do. That is why we provide a 12 month Roadside Assistance package including State Auto Club Membership for all Retail and Blue Fleet Customers (with fleets less than 5 vehicles).

This package gives you access to the largest network of roadside assistance providers in the country, so you can be assured that you have non-stop coverage every day of the year.

The benefits of being a member are not limited to the peace of mind of 24/7 roadside assistance. You also have access to a wide range of member benefits including Show Your Card & Save. In addition, you will maintain any benefits accrued through your existing years of membership (where applicable).

Complimentary State Auto Club Roadside Assistance & Membership is valid for eligible Ford vehicles and is available from participating Authorised Ford Dealers only. Visit your local Ford Dealer or refer to ford.com.au for more information and full terms and conditions.

Warranties & Service.

3 year/100,000km new car warranty.#

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

5 year warranty against perforation corrosion.#

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

myFord Warranties and Insurance.

When you first turn the key of your brand new Ford you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties and Insurance, visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

12 months/15,000km service intervals.

Under normal driving conditions service intervals are 12 months or 15,000km, whichever occurs first.

FORD SERVICE

At Ford, we are committed to providing an outstanding ownership experience. For example, we think you should always know what you're going to pay for a standard service, before you go in. So we offer a Service Price Promise for the life of your car, which means we'll publish the maximum price you'll pay for your next A or B logbook service at participating Authorised Ford Dealers on all vehicles built from 2007.

However our service doesn't end at the service garage. With each standard service at a participating Auto Club Dealer, Retail and Small Business

Customers (fleets of less than 5 vehicles) will also receive up to 12 mths Auto Club Membership (including free Roadside Assistance), for up to seven years. Eligible customers will even have access to a free loan car with any scheduled service, through participating dealers. Why do we do all this? Because at Ford, we think that's what service should be.

For more details visit your participating local Ford Dealer or visit ford.com.au/service/t-and-c for full terms and conditions.

This brochure details specifications and features of the Ford EcoSport. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire Ford EcoSport model range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
