ISUZU
RELIABILITY IS EVERYTHING

FX SERIES

GVM: 16,500 – 24,000KG GCM: 36,000 – 42,500KG

EFFECTIVE
MAR 2014

HEAVIER DUTY TO LIGHTEN YOUR LOAD.

ISUZU HAS BEEN THE LEADING TRUCK BRAND IN AUSTRALIA FOR 25 YEARS STRAIGHT*. A DOMINANT POSITION EARNED BY OFFERING YOU SAFETY, PERFORMANCE, DRIVEABILITY, COMFORT, OPERATING COSTS, PRODUCTIVITY AND, ABOVE ALL, OUR LEGENDARY RELIABILITY. THE FX SERIES, OF 10 MODELS, COVERS 4X2s, 6X4s, A 6X2 AND A PRIME MOVER (WHICH IS VERY POPULAR AS A CAR TRANSPORTER). ALSO OFFERED ARE CHOICES OF TRANSMISSIONS, WHEELBASES, AXLES AND SUSPENSIONS. ALL OF WHICH WILL HELP MAKE YOUR DAILY GRIND MUCH LESS OF A GRIND, WHATEVER YOUR APPLICATION. AND BY CONTINUING TO SHARE THE LOAD WITH YOU WE HOPE TO NEVER SHARE THE LEAD WITH ANYONE.

*According to T-Mark industry statistics.

DON'T MISS A THING.

An FX Series option that offers you the miracle of (almost) 360° vision. Operating through a unique multi-view digital touchscreen audio-visual unit, a camera system puts you all over the truck. You can have cameras in four different positions, all displaying at the same time, and even with audio. It shares the load of manoeuvring in tight spots.

THE INS AND OUTS OF YOUR DAY.

Deep non-slip steps and wide doors opening to 90° ensure getting in and out of an Isuzu cab is never a pain, no matter how many times a day you have to do it.

CONTROL YOUR SPEED, AND YOUR CLIMATE.

Helping in sharing your load, we control them for you. Advanced electronic cruise-control and automatic climate-control air-conditioning are both standard in all Premium models.

CARRY LOADS IN THE CAB.

Cabs are anything but afterthoughts with Isuzu. For instance, you'll find stacks of storage space and locations for all your stuff. Along with heaps of room for you and your workmates as well, including generous stretch-out legroom. All in all, it's a very comfy and accommodating place to be.

MEET DAVE, YOUR STREET-SMART SIDEKICK.

Our Digital Audio Visual Equipment, the ultimate cab infotainment system, is right at your fingertips. Navigate through the simple menu to play your favourite songs or (digital) station, or, for even greater convenience and safety, use voice-controls for many of the functions available. Hands-free Bluetooth is standard, and sat-nav and tyre-pressure monitoring are optional. You'll never work alone.

SHARING YOUR SHIFT.

The FXY and FXZ 'long auto' variants come with the trusty, Allison 4430 6-speed auto. It's popular with drivers all over the world. And by eliminating shifting it's reducing fatigue.

A VERY SAFE HAVEN.

All FX Series cabs comply with the latest ECE-R29 standard, so they are truly world-class. Double side-intrusion bars, seatbelt pre-tensioners and load-limiters, and driver airbags are all standard. Along with traction control and a whole alphabet of other safety systems. In an Isuzu, you will always work safe.

THE BEST SEAT IN THE BUSINESS.

All FX Series have the ISRI 6860 air-suspension driver's seat as standard. And it's anything but standard. It incorporates a lap-sash seatbelt, head restraint, dual-stage air lumbar/lateral support, integrated pneumatic system, adjustable shock-absorber and body-hugging upholstery from head to knee. Sharing the load for the sake of your body.

CONVENIENCE THAT CLICKS.

As you'll see, we've made our cabs easy and safe to get in and out of. Remote, keyless entry and locking make it convenient as well. And if you're in and out of your truck all day long, it's a feature you'll really appreciate.

*Remote shown is for illustrative purposes only.

STEER AROUND HAZARDS.

All FX models come standard with ABS brakes, so you can steer as you brake, along with an Anti-Skid Regulator (ASR) and many other safety features.

GOOD AMERICAN GEAR.

The Eaton-Fuller 10-speed manual in the FXZ comes all the way from the USA. And it's a highly trusted, proven and popular gearbox. Just like the German ZF 9-speed in several other models.

TWENTY-TWENTY HINDSIGHT.

Your twin rear-view mirrors are big, heated and powered, with integrated spotters. It's a case of 'Objects in mirror are clearer than you think'.

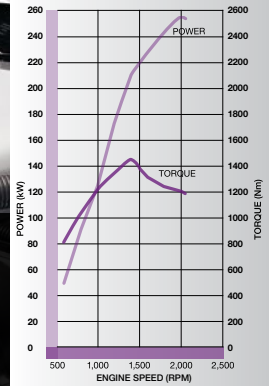

WHICH FX IS YOURS?

Here you'll find basic specifications for our six FX models. If it leaves you undecided about which FX is for you, there's always our ISIS software programme (see over) to make your choice both easier and surer. Pointing you to the model that'll best share the load with you.

SITEC
SERIES III **350**

The Isuzu SITEC Series III 350 produces 257kW power and 1,422Nm torque and is standard on all FX models.

WARRANTIES[†]

MODEL	VEHICLE	ENGINE	CABIN PERFORATION CORROSION	EXTENDED CARE WARRANTY*
All FX models	3 years or 250,000 kilometres or 4,000 hours		3 years unlimited kilometres	5 years or 400,000 kilometres or 6,000 hours

[†]From delivery. *Extended Care Warranty available at extra cost. Conditions apply. Note: The above chart is a brief representation of the chassis specifications within the Isuzu FX Series model range. For a detailed understanding of the model and specification variants, please refer to the applicable Isuzu model Specification Sheet. Subject to the conditions outlined in the IAL New Vehicle Warranty, the FX Series models carry a standard factory warranty as above. Extended Care Warranty may be purchased to cover the owner against the failure of original components, but may exclude some components and expendable items such as oil, filters etc. Isuzu Roadside Assistance is valid for three years from the date of new vehicle purchases; All Isuzu warranties are subject to mandatory prescribed terms under Australian Consumer law including customer guarantees. For more details visit the Isuzu website which explains Isuzu Warranties in more detail, or alternatively contact your local dealer. All warranties commence from date of delivery.

SUSPENDED ON AIR.

Most FX models come with Hendrickson airbag rear suspension, a premium proven component from North America. It has a capacity of 10,400kg for 4x2, 20,865kg for 6x2 and 6x4, and helps provide a stable ride for both load and driver.

THE MERITS OF THE WORLD'S BEST AXLE.

Meritor front and rear axles are fitted to all FX models. Yet another world-best component favoured by Isuzu. They offer high capacity and driver-controlled cross locks, so you should never get stuck (except maybe in traffic).

GREATER LOADS IN GREATER SAFETY.

The FX's front axle legal limit has been increased to 6.5 tonne. Our sturdy cabs meet the stringent ECE-R29 standards and include FUPS or Front Under-run Protection System. All of which means you can comfortably (and legally) carry much more, but with greater safety all round. We even share big loads.

ISUZU CARE.

Reliability means so much more than just a mechanically reliable truck. Isuzu Care is the most comprehensive customer care truck programme ever seen in Australia, offering a suite of innovative support services and a level of customer care that's setting new industry standards. Wherever you may be, Care's as close as Freecall 1800 035 640.

THE CONNECTED TRUCK.

Isuzu 'Connect' telematics interconnects both truck and driver with your full support team, from the dispatcher to the service manager. To electronically, automatically and continuously share countless data, in real time, on virtually everything the truck and the driver do. From its brakes to his breaks. From how long it spent idling to where it spent the night. And in the process, makes all of you even better 'drivers', including the driver himself.

ISUZU ROADSIDE ASSIST.

Isuzu Assist is a 3-year, 24-hour roadside assistance program that comes at no extra cost with all new Isuzu Trucks. And while our trucks are renowned for their reliability, even if you run out of fuel, lose your keys, get a flat tyre (or battery), Isuzu Assist will be there to sort it out. Just Freecall 1800 947 898.

ISUZU SERVICE AGREEMENTS.

Truck maintenance costs can be unpredictable. However, Isuzu Service Agreements level out the costs of operating your Isuzu Truck. For one fixed monthly fee your truck is serviced to precise specifications by Isuzu technicians using high-tech diagnostic equipment and genuine Isuzu parts. And you can choose from a fixed-price Scheduled Services Plan right through to a comprehensive Total Repair and Maintenance Plan.

ISIS.

Isuzu Sales Information System (ISIS for short) is a software program the dealer will use to help you select the right truck and body for your application. Once it's been programmed with your information, ISIS simulates how the truck will perform in terms of its weight distribution, available power and other performance characteristics. So with ISIS, you're sure to find your perfect match.

ISUZU EXTENDED CARE.

Isuzu Extended Care* provides a two-year extension to Isuzu's three-year factory warranty. As well as the five-year factory warranty, you'll also receive five years of Isuzu's Customer Care programme and Isuzu Assist. Available when you buy your truck, it's the ultimate peace-of-mind.

*At additional cost

ISUZU TRUCK INSURANCE.

By joining forces with Australia's leading truck insurance specialist, NTI, Isuzu can now offer you access to a broad range of insurance products designed specifically for the transport industry, including Commercial Motor Policy, Public & Products Liability Policy, Marine Cargo Policy to cover the freight liability and carriers' cargo insurance, and Business Interruption Policy.
