MEET CLIO

YOU KNOW YOU WANT TO

AT FIRST YOU CATCH ONLY A GLIMPSE. GLOSSY CURVES. CHROME HIGHLIGHTS. AGILE PHYSIQUE. THE RENAULT CLIO.

As you admire its beauty and savour its elegance, you can truly sense the passion and craftsmanship within. You are captivated, intrigued by the sleek design, the aura of European quality. Yet the Renault Clio promises you more... much more.

The Clio is a true Renault triumph. It is a testament to the Renault design renaissance, led by Senior Vice President of Corporate Design, Laurens van den Acker. The Renault Clio boasts a pedigree like no other. Inspired by the highly acclaimed DeZir concept car, the Renault Clio means you can now take your own immaculate piece of Renault design home to keep.

When it comes to advanced technology and innovation, the Renault Clio is a high achiever, and Renault's design engineers have pushed the boundaries further than ever before. The Energy engines in the Renault Clio embrace countless combinations of innovative technologies, some resulting from our F1® racetrack expertise, in the search for unprecedented performance. Innovation and excellence of design can

be found inside and out, from barely discernable rear door handles, to motorsport-inspired paddle shifters mounted on the steering column in the GT and GT Premium.

With a heightened importance on environmental credentials, Renault has responded with exciting engine technology – providing great performance with reduced fuel consumption and CO₂ emissions. Renault Clio features two turbo-charged Energy petrol engines – the TCe 90 with Stop&Start technology and the TCe 120 with an Efficient Dual Clutch transmission.

The Renault Clio is a true masterpiece. So it's no wonder the Renault Clio Expression TCe 120 was awarded Australia's Best Light Car 2013 and 2014.

RENAULT Clio Expression TCe 120

UNIQUE PERSONALITY

NOT ONLY IS THE RENAULT CLIO A STUNNING REPRESENTATION OF RENAULT'S NEW DESIGN ETHOS, IT IS A CAR BUILT TO INSPIRE PASSION IN THE HEARTS OF ALL THOSE WHO EXPERIENCE IT.

A five-door car with a three-door attitude, it is a dynamic balance of beauty and smarts, exuding passion and commanding respect. The signature front end Renault styling is unforgettable, distinctive and dramatic. Shape and form are toned and lithe; and exceptional functionality isn't just a promise, it is a given.

Renault believes a car is not simply a means of getting from one place to another; it is a personal choice, an extension of your uniqueness. The Renault Clio is designed to be a true expression of the driver's style, in every way possible. Personalise and theme your Renault Clio to reflect your life. Colour, trims, wheels and upholstery are all customisable to create a look that is completely your own.

But more than that – the Renault Clio is the perfect complement to your lifestyle; making you feel good, encouraging you to express and celebrate your uniqueness. Opening you up to new experiences and adventures, providing unwavering support in any situation and keeping you connected to what you care about. Renault Clio helps you ensure your life is simpler, more beautiful and more fun – with the overall goal of making a meaningful difference to your world. What you look for in a companion, you find in the Renault Clio.

ENTICING DESIGN

THE LAUNCH OF THE RENAULT DEZIR, THE CONCEPT CAR BY RENOWNED DESIGNER LAURENS VAN DEN ACKER AND HIS TEAM, SET THE AUTOMOTIVE INDUSTRY ABUZZ.

Heavily influenced by curvaceous forms and emotional imperatives, the Renault Clio is designed as a sensuous sculpture. Its artists aim to stimulate our desires and engender warmth, confidence and seduction.

The sleek design of the Renault Clio gives a sassy, sports car attitude to an elegant and practical five-door triumph. The perfectly proportioned dynamic exterior and assertive stance give balance to the pronounced shoulder lines and coupé-like silhouette. Renault has conjured something wholly extraordinary in the Renault Clio. Bold and distinctive, the front end is all about Renault and features the instantly recognisable Renault logo against a dramatic gloss black background.

Inside, its inimitable style and functionality speak volumes. The dramatic aircraft wing inspired dashboard and the centre console create a futuristic feel, and with its multimedia systems, generous stowage spaces and countless practicalities and indulgences, the Renault Clio was designed to offer ambience, dynamism and energy to the driver.

TECHNOLOGY FOR TOMORROW

IN A CLASS OF ITS OWN FOR ITS DESIGN AND DELIVERY OF PERFORMANCE, SAFETY AND EQUIPMENT PACKAGES, RENAULT IS SHAKING UP THE MARKET BY OFFERING AN UNPRECEDENTED LEVEL OF TECHNOLOGICAL EXCELLENCE TO THE RENAULT CLIO AND COMBINING IT WITH A REFRESHING PRAGMATISM.

Featuring some of the highest safety standards and innovative communications, the Clio's distinctive centre console unit houses the vehicle's climate control, Bluetooth® connectivity, reversing camera* and the exceptional 7" Touchscreen Media Navigation System or the optional R-Link Enhanced Satellite Navigation and Media Centre – which includes the R-Sound Effect app that even allows you to change the note of your Renault Clio's engine within the cabin.

On a practical level, the Renault Clio is loaded with features you appreciate daily including cruise control with speed limiter, hands-free entry and engine start with the Renault Smart Key Card and automatic lights and wipers.†

Models with the Efficient Dual Clutch (EDC) automatic transmission get to enjoy efficient, lightning-fast gear changes, with the option to change gears manually using the racetrack-inspired paddle shifters in the GT model variants.

*GT Premium and Dynamique, optional on GT
†Not available on Authentique

BEYOND SAFETY

SAFETY COMES IN MANY GUISES: IT CAN BE SOMETHING AS VISUALLY OBVIOUS AS AN AIRBAG SYSTEM OR SEATBELT REMINDER, OR AS INDISCERNIBLE YET CRUCIAL AS CRUMPLE ZONES DESIGNED INTO THE CHASSIS.

Quality is a strategic priority embedded in the culture, and Renault's engineers were determined to achieve the highest safety standards. With the Renault Clio, they succeeded. Alongside earning a prestigious 5-Star Euro NCAP safety rating, they received NCAP's award for the 'Best Car of 2012' in the 'Super-mini' category.

Innovations range from the practical and helpful like reversing camera* and cruise control with speed limiter, to more intuitive and responsive technologies. Safety features include reinforced structures, high-efficiency front airbags, head/chest side airbags, Electronic Stability Control with ASR traction control for stability, Anti-lock Braking System, Emergency Brake Assist and Electronic Brake-force Distribution for assistance in emergency situations.

But the Renault Clio doesn't stop there. For next-level safety, the 'Fix4Sure' anti-submarining system^ in both the front and rear seats keeps occupants from slipping beneath their seatbelts in the case of a collision. Hill Start Assist prevents the Renault Clio from slipping when performing a hill start by keeping the brakes temporarily engaged before you take off. For protection from intruders, Renault's Anti-Intruder Device (R.A.I.D.) automatically locks the doors when the car reaches 30km/h.

*GT Premium and Dynamique, optional on GT
^Not available on GT models

UNPRECEDENTED FUEL ECONOMY

THE RENAULT CLIO IS A SERIOUS OVER-ACHIEVER. IT EXCELS IN EVERYTHING – STYLE, ELEGANCE, DYNAMISM, DESIRABILITY AND DRIVING PERFORMANCE. AT THE SAME TIME, IT DELIVERS OUTSTANDING ENVIRONMENTAL RESPECT AND FUEL ECONOMY.

Renault's range of Energy engines have been designed by several of Renault's F1® engineers responsible for the highly successful V10 engine in the 1990s. They were tasked with the job of developing small, highly efficient turbo engines, the results of which you can now experience in the Renault Clio.

The Energy TCe 90 in the Authentique and Expression manual models combines a turbo-charged petrol engine with innovative Stop&Start technology which reduces fuel consumption but maximises power, delivering the performance of a 1.4L naturally aspirated engine. The TCe 90 emits just 105g of CO₂ per km, equating to a combined cycle of just 4.5L per 100km*, the lowest in its competitive set.

The Energy TCe 120, available with the Expression, Dynamique and GT configurations, is mated with a six-speed EDC automatic transmission to provide ultra-responsive power and supreme efficiency. CO₂ emissions are low at 120g/km and combined cycle figures impress at 5.2L per 100km.*

True love shouldn't mean sacrificing what's important to you. Whichever engine powers your Renault Clio, you'll enjoy lower fuel costs without compromising performance or pleasure.

*Vehicle tested in accordance with ADR 81/02 based on combined cycle (city/highway). Actual fuel consumption and CO₂ emissions depend on factors such as traffic conditions, vehicle condition and how you drive.

CLIO GT

THE RENAULT CLIO GT BORROWS SPORTS STYLE AND PERFORMANCE FROM RENAULT SPORT TO CREATE AN EYE-CATCHING VERSION OF THE HIGHLY-ACCLAIMED HATCH.

The Renault Clio GT has an enhanced chassis plus EDC gearbox and steering column mounted paddle shifters, so you can control gear changes like a motorsport driver. Renault Sport Technologies' R.S. Drive allows you to choose from two driving modes: 'Normal' for reduced fuel consumption and emissions, and 'Sport' for extra driving thrill, enabling lightning-fast gear changes and extra torque.

Extra sports styling has been incorporated into the GT wherever possible, from the Renault Sport seats and design elements to the 17" alloy wheels and rear spoiler. The GT Premium model is the top-range and most luxurious model variant with features including dark carbon leather and heated front seats, a fixed sunroof, rear view camera and R-Link Enhanced Satellite Navigation and Media Centre with 7" touchscreen.

DESIGN

- 1. LED daytime running lights
- 2. Rear spoiler

UNMISTAKABLY YOURS

YOUR SENSE OF STYLE AND TASTE ARE A UNIQUE COMBINATION OF THE THINGS THAT MAKE YOU ONE-OF-A-KIND.

In a first for its class and price range, the Renault Clio allows you to celebrate and enjoy your uniqueness even while behind the wheel. The Authentique, Expression and Dynamique models offer the chance to configure your vehicle with a huge range of different options for interior and exterior style elements, from glossy coloured body strips to your choice of steering wheel and interior ambience.

With thousands of possible combinations, deciding on your favourite can be difficult! So, to make it a little

easier, the Renault designers have suggested three stylish combinations to reflect your preferred look – Sport, Trendy and Elegant. These selections combine exterior body colours with complementary interior trims, wheels and exterior trims, to create a captivating style that suits you inside and out. With multiple colour combinations within each theme, these suggestions are a great way to personalise your new Renault Clio to the maximum effect.

Personalisation is not available on GT models.

SPORT

TRENDY

ELEGANT

AUTHENTIQUE

The entry level Renault Clio Authentique is anything but basic. The interior envelops you with style and class, a modern edge and a glimpse into the future. The seat upholstery features red detail, complementing the black interior harmony décor and dashboard. Dramatic good looks.

The outside curves are enhanced with a rear spoiler, 15" 'Extreme' steel wheels and body coloured rear bumper. Simply stunning.

KEY FEATURES

- Energy TCe 90 turbo-charged petrol engine
- Stop&Start fuel efficient technology
- Rear spoiler
- ABS, Electronic Stability Control, ASR traction control, EBD and Emergency Brake Assist
- Hill Start Assist
- Driver and front passenger front and side head and chest airbags
- Remote central locking with Renault Smart Key Card
- Cruise control with speed limiter
- Manual air conditioning
- 2 speaker audio system with AM/FM, MP3, aux and USB input with fingertip controls
- Bluetooth® phone pairing
- LED daytime running lights in front grille
- Rear fog lights
- Driver, front and rear passenger seat belt warning light and tone
- Fix4Sure anti-submarining system

BLACK / RED CLOTH SEATS

15" 'EXTREME' STEEL WHEELS

EXPRESSION

Manual transmission shown

Extra technology and extra features are hosted within the cabin of the Expression. The 7" Touchscreen Media Navigation System with Classic sound audio system with AM/FM, MP3, AUX, USB and fingertip controls – which can be controlled from column mounted controls, tucked in behind the leather-wrapped steering wheel. The 7" touchscreen is framed by the black dashboard and gloss black interior trim. The upholstery is elegant black, accented with grey.

The exterior entices with 16" 'Passion' silver alloy wheels, chrome radiator strip and body coloured electric door mirrors.

KEY FEATURES

- Energy TCe 90 or TCe 120 turbo-charged petrol engines
- Stop&Start fuel efficient technology*
- 7" Touchscreen Media Navigation System
- Rear spoiler
- ABS, Electronic Stability Control, ASR traction control, EBD and Emergency Brake Assist
- Hill Start Assist
- Driver and front passenger front and side head and chest airbags
- Cruise control with speed limiter
- 4 speaker Classic sound audio system with AM/FM, MP3, aux and USB input with fingertip controls
- Bluetooth® phone pairing
- LED daytime running lights
- Front and rear fog lights
- Gloss black interior trim and chrome front grille
- Driver, front and rear passenger seat belt warning light and tone
- Fix4Sure anti-submarining system
- 16" 'Passion' silver alloy wheels

BLACK / GREY CLOTH SEATS

16" PASSION SILVER ALLOY WHEELS

PERSONALISATION

The Renault Clio Expression can be customised in four ways:

Interior trim – the steering wheel, door strips, air vent surrounds, transmission trim*, door handles and front speaker trims can be customised in one of four glossy colours or one of three expressive themes.

Exterior trim – add gloss black door mirrors, rear bumper and side protection strips, then choose between chrome or one of four glossy colours to accentuate the door protection strips, rear hatch and front grille.

Wheels – the Expression offers the choice of two alloy wheel options on top of the standard 16" 'Passion' silver alloy wheels. Choose from 16" 'Passion' Black or Ivory for three completely different looks.

Roof decals – three roof decal options are available for your Expression model: Tricolour, Sport or Dots options.

*Manual transmission only

DYNAMIQUE

R-Link option shown

The top of the range Dynamique is the jewel of the Renault Clio line-up. Technology enhances every moment inside; style captivates you at every turn.

The Renault Smart Key Card provides the convenience of hands-free entry and engine start. Automatic climate control, wipers and lights create a comfortable, modern interior feel, complemented by the sleek black dashboard, gloss black interior trim, black and grey upholstery and leather-wrapped steering wheel and gear lever.

The 7" Touchscreen Media Navigation System allows intuitive control of the Classic sound audio system with AM/FM, MP3, AUX, USB and fingertip controls

Outside, the Renault Clio's curvaceous exterior dresses up with the Dynamique's 16" 'Passion' alloy wheels, chrome trim on the front grille and tinted windows.

KEY FEATURES

- TCe 120 turbo-charged petrol engine
- 7" Touchscreen Media Navigation System
- Rear spoiler
- ABS, Electronic Stability Control, ASR traction control, EBD and Emergency Brake Assist
- Hill Start Assist
- Rear parking sensors
- Driver and front passenger front and side head and chest airbags
- Cruise control with speed limiter
- Hands-free entry and engine start
- Automatic climate control air conditioning
- 4 speaker Classic sound audio system with AM/FM, MP3, aux and USB input with fingertip controls
- Bluetooth® phone pairing
- LED daytime running lights
- Front and rear fog lights
- Gloss black interior trim and chrome exterior trim
- Driver, front and rear passenger seat belt warning light and tone
- Fix4Sure anti-submarining system
- 16" 'Passion' alloy wheels
- Rear privacy glass
- Rear view camera

BLACK / GREY CLOTH SEATS

16" 'PASSION' SILVER ALLOY WHEELS

PERSONALISATION

With the Dynamique comes the highest level of customisation possible to make your Renault Clio distinctively yours, inside and out.

Interior trim – the steering wheel, door strips, air vent surrounds, door handles and front speaker trims come in glossy black as standard in the Dynamique, or can be customised with three other contemporary colours or three expressive themes.

Exterior trim – choose between standard chrome or one of four glossy colours to accentuate the exterior of your Dynamique including door

protection strips, rear hatch and front grille.
Seats and interior ambience – the Dynamique allows you to customise the interior door panels, dashboard and seats in standard black or one of three additional colour combinations.
Wheels – deviate from standard with 16" 'Passion' Black or Ivory alloy wheels, or add 17" 'Diamond' alloy wheels in four stunning colour combinations.
Roof decals – three roof decal options add a fun, fresh exterior appeal to your Renault Clio.

PERSONALISATION

To assist you in creating the perfect Renault Clio, your dealer will guide you through the variety of options available. Certain combination limitations apply.

GT

R-Link option shown

The Renault Clio GT gives a more hands-on driving experience without compromising its impressive fuel efficiency. Designed with elements of Renault Sport styling to reflect a more thrilling everyday journey, it has a unique Malta Blue body colour, sporty interior trim and dual chrome exhaust.

The GT chassis, EDC automatic transmission with steering-wheel mounted paddle shifters and R.S. Drive with two driving performance modes make the ride feel sportier, more responsive and more exhilarating. Acceleration is lively and fuel consumption figures outstanding.

The Clio GT comes standard with the innovative Renault 7" Touchscreen Media Navigation System, Classic sound audio system with AM/FM, MP3, AUX, USB and fingertip controls.

KEY FEATURES

- TCe 120 turbo-charged petrol engine
- Paddle shifters
- 7" Touchscreen Media Navigation System
- GT chassis
- Rear spoiler
- ABS, Electronic Stability Control, ASR traction control, EBD and Emergency Brake Assist
- Hill Start Assist
- Rear parking sensors
- Driver and front passenger front and side head and chest airbags
- Cruise control with speed limiter
- Hands-free entry and engine start
- Automatic climate control air conditioning
- 4 speaker Classic sound audio system with AM/FM, MP3, aux and USB input with fingertip controls
- Bluetooth® phone pairing with audio streaming
- LED daytime running lights in front bumper
- Rear fog lights
- Satin grey interior trim

DARK CARBON CLOTH UPHOLSTERY

17" ANTHRACITE ALLOY WHEELS

- Leather-wrapped steering wheel and gear knob
- GT upholstery in dark carbon cloth with GT logo on front headrests
- 17" Anthracite alloy wheels
- Rear privacy glass

GT PREMIUM

The GT Premium offers the same superior driving experience as the GT with extra luxury features inside and out.

Technology levels hit the sweet spot with a reversing camera and the R-Link Enhanced Satellite Navigation and Media Centre with 7" touchscreen.

The luxury of heated leather front seats and a fixed glass sunroof is hard to surpass. The GT Premium also provides a 3D sound system, Renault Sport rear spoiler and 17" alloy wheels.

KEY FEATURES

- TCe 120 turbo-charged petrol engine
- Paddle shifters
- R-Link Enhanced Satellite Navigation and Media Centre with 7" touchscreen
- GT chassis
- Renault Sport rear spoiler
- ABS, Electronic Stability Control, ASR traction control, EBD and Emergency Brake Assist
- Hill Start Assist
- Rear parking sensors
- Rear view camera
- Driver and front passenger front and side head and chest airbags
- Cruise control with speed limiter
- Hands-free entry and engine start
- Automatic climate control air conditioning
- 4 speaker Arkamys audio system with 3D sound, AM/FM, MP3, aux and USB input with fingertip controls
- Bluetooth® phone pairing with audio streaming
- LED daytime running lights in front bumper
- Rear fog lights

DARK CARBON LEATHER UPHOLSTERY

17" ANTHRACITE ALLOY WHEELS

- Satin grey interior trim
- Leather-wrapped steering wheel and gear knob
- GT upholstery in dark carbon leather with GT logo on front headrests
- Heated front seats
- 17" Anthracite alloy wheels
- Rear privacy glass
- Fixed sunroof

KEY FEATURES

FEATURE AVAILABILITY VARIES PER MODEL.

AERODYNAMIC ACTIVE VENTS
The Renault Clio reaps the benefits of Renault's F1® engineering excellence with a number of features to improve aerodynamic efficiency and reduce fuel consumption. The active vents adjust the flow of air through the radiator to cool the engine in slower traffic, or close to improve aerodynamics and optimise fuel consumption.

R-LINK ENHANCED AUDIO AND NAVIGATION
A more sophisticated, high-tech communication on the GT Premium (optional for the Dynamique & standard GT models), R-Link keeps you immersed in the things you love. The 7" touchscreen hosts a multitude of features including voice recognition control of the apps and navigation, integrated TomTom navigation and other features like R-Sound just for fun.

TOUCHSCREEN MEDIA NAVIGATION
As our environments expand, navigation systems are becoming more and more of a daily necessity. The Renault Clio's Media Navigation system on the Expression, Dynamique and GT recognises this and provides a 7" touchscreen system to display routes and audio information in vivid colour.

BLUETOOTH® PHONE PAIRING
Who doesn't have a smartphone these days? Every Renault Clio model can connect wirelessly to your smartphone via Bluetooth® for hands-free mobile usage. You can also play music via USB or auxiliary input and control play from the fingertip controls near your steering wheel.

COLUMN-MOUNTED PADDLE SHIFTERS
Inspired by the racing cars Renault Sport builds for F1® teams, the Clio GT models have paddle gear shifters mounted on the steering column, allowing effortless upward and downward gear changes without taking your hands off the steering wheel.

R-SOUND EFFECT
Personalise your new Renault Clio to sound the way you want. The R-Sound Effect application on the R-Link Enhanced Audio System in the GT Premium can transform your engine to sound like a Renault Sport race car. Choose from six different engine sound profiles. The app synchronises the sound effects with your engine to produce a realistic driving soundscape within the cabin.

AIRBAGS
Driver and front passenger front airbags, plus head and chest side airbags, react within fractions of a second during impact. Sensors in the side pillars of the Renault Clio detect the force of impact to make sure the lateral airbags provide the protection necessary.

ESC AND TRACTION CONTROL
The Electronic Stability Control system uses seven sensors to apply the brakes on any wheel and control torque as required, to keep the vehicle on the road. The Anti-Slip Regulation (ASR) traction control system detects loss of grip and automatically reacts to maintain traction.

EMERGENCY BRAKE ASSIST & HILL START ASSIST
When the Renault Clio senses you're in a tricky spot, it gives you a hand by applying extra braking assistance, before the ABS system kicks in. Hill Start Assist holds the vehicle in position for two seconds when you remove the brakes on a hill, giving you time to accelerate forward without slipping back.

REAR VIEW CAMERA
The Renault Clio's rear view camera, standard on the Dynamique and GT Premium, is tucked away in the rear logo, perfectly positioned to provide a clear view of the road behind you when reversing or parking. Distance guidance lines help guide you into place.

RENAULT SMART KEY CARD
Technology is key in the Renault Clio – so it shouldn't be surprising that there is no key in the traditional sense. The Renault Smart Key Card enables remote central locking. In the Dynamique and GT models, you don't even need to touch the key to unlock the doors and start the engine.

BEST LIGHT CAR IN AUS - 2 YEARS RUNNING
The Renault Clio is a true masterpiece. So it's no wonder the Renault Clio Expression TCe 120 was awarded Australia's Best Light Car 2013 in 2014 as well.

OUR QUALITY: YOUR PEACE OF MIND

WHEN YOU PURCHASE A NEW VEHICLE, YOU WANT TO BE SURE IT WILL GIVE YOU YEARS OF ENJOYABLE, WORRY-FREE MOTORING, BACKED BY A TRUSTED AND RELIABLE BRAND. AND WHEN YOU CHOOSE A RENAULT, THAT'S EXACTLY WHAT YOU'LL GET.

GENEROUS COMPREHENSIVE WARRANTIES

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with competitive and comprehensive warranty terms on all of our vehicles.

24/7 ROADSIDE ASSISTANCE

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

CAPPED PRICE SERVICING

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing.

The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

RENAULT SPECIALIST TECHNICIANS

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHS, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHS use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

REPAIR & SERVICE COURTESY CARS

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

GENUINE RENAULT PARTS

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

RENAULT DEALER NETWORK – THE BENEFITS

Everywhere, at every stage in your car's life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.

OUR QUALITY: YOUR PEACE OF MIND

The most extensive European quality, convenience and expertise promise. When you purchase a new Renault, you can be sure it will give you years of enjoyable, worry-free motoring, backed by a trusted, globally-expanding brand. Like all Renault passenger vehicles, your new Renault is supported by a generous 5-year unlimited kilometre warranty, 24/7 Roadside Assistance and Capped Price Servicing. That's on top of prompt parts supply, specially trained technicians, repair and service courtesy cars, quality Genuine Renault parts and the benefits of a comprehensive global network. Terms and conditions apply. Call our Customer Service Team on 1800 009 008 or view the Terms and Conditions statement at www.renault.com.au/drivingpeaceofmind for details.

RENAULT
Passion for life

Renault CLIO Expression+

- Exterior decals and trim pack
- Automatic headlights, wipers, entry and engine start
- Black 16" Passion alloys

Nothing says you like extra personalisation and added comfort. With the Clio Expression+, you can choose from black or chrome exterior trim and three roof decals to accentuate your look. Inside, the electric pack enhances your ride with automatic dusk sensing headlights, automatic windscreen wipers, electric windows, electric folding mirrors, hands free entry and engine start – all backed by a 5-year warranty. With limited stock, discover the Clio Expression+ before it runs out.
