# BIG PERFORMANCE THAT LEAVES A SMALL FOOTPRINT.

ISUZU HAS ALWAYS BEEN STRONGLY COMMITTED TO REDUCING OUR IMPACT ON THE ENVIRONMENT. TO THAT END, WE'VE CREATED DIESEL ENGINES THAT DON'T MERELY MEET, BUT EXCEED, EMISSIONS REGULATIONS. AND OUR COMPRESSED NATURAL GAS (CNG) RANGE IS NOW IN ITS THIRD GENERATION COMING TO YOU IN THE NEW NLR 45-130, NPR 70-130, FSR 700 AND FSR 850 CNG MODELS. CONSIDERING THAT YOU'LL BE REDUCING YOUR RUNNING COSTS AS WELL AS YOUR IMPACT ON THE ENVIRONMENT, IT'S SAFE TO SAY IT'S NOT JUST EASY BEING GREEN, IT'S SMART TOO.

## GIVEN THE GREEN LIGHT.

In Japan, where our engines are built, Isuzu's CNG engines currently power over 10,000 Isuzu trucks and buses. And our engines meet Australia's natural gas and design rules, so the knowledge and experience we've gathered in Japan is now being enjoyed by local industry. Which is good news for the environment given that our CNG engines emit zero particulate matter, like soot, and not a great deal else either.

## DON'T MISS A THING.

Isuzu brings you 360° visibility. How? An excellent driving position. Panoramic windscreen. Generous rear-view mirrors, and the extra-cost option of up to four multi-view safety cameras. You won't miss anything, so to speak.

## LIGHTER FUEL MEANS A HEAVIER WALLET.

Being lighter than air, CNG is very safe. Any leaks simply 'return to nature', and our CNG engines run quieter and smoother than diesels. Switching to CNG, you can generally expect your costs to be halved\*. That's partly because CNG is Australian and not subject to global commodity pricing, but also because it's simply a cheaper fuel in the first place.

\*Depending on particular diesel costs and truck application.

## CLEAN, BUT STILL MEAN.

Given that CNG is lighter and cleaner than diesel, as well as being cheaper, you might think that would all come at the cost of performance. But advancements in CNG delivery in modern engines mean power, torque and all-round performance remain much the same. For example, our CNG 220 engine, which comes standard on FSR 700 and FSR 850 models, produces 162kW of power and 735Nm of torque. No mean feat!

## MEET DAVE, YOUR SUPER-SMART SIDEKICK.

Our Digital Audio Visual Equipment (DAVE for short) is the ultimate in-cab infotainment. Navigate through the simple menu to play your favourite songs or (digital) station, or, for greater convenience and safety, use voice-controls for many of the functions. Hands-free Bluetooth is standard, and sat-nav and tyre-pressure monitoring are optional. With DAVE, you'll never work alone.

†At additional cost.

## A VERY SAFE HAVEN.

All Isuzu cabs comply with the latest ECE-R29 standard, so they are truly world-class. Double side-intrusion bars, seatbelt pre-tensioners and load-limiters, and driver and passenger airbags are all standard. Along with traction control and a whole alphabet of other safety systems. In an Isuzu, you'll always work safe.

# ISUZU CARE.

Reliability means so much more than just a mechanically reliable truck. Isuzu Care is the most comprehensive customer care truck programme ever seen in Australia, offering a suite of innovative support services and a level of customer care that's setting new industry standards. Wherever you are, Care's as close as a freecall to 1800 035 640.

## THE CONNECTED TRUCK.

Isuzu 'Connect Plus' Telematics\* interconnects both truck and driver with your full support team, from the dispatcher to the service manager. To electronically, automatically and continuously share countless data, in real time, on virtually everything the truck and the driver do. And in the process, makes all of you even better 'drivers', including the driver himself.

\*At additional cost

## ISUZU ROADSIDE ASSIST.

Isuzu Assist is a 3-year, 24-hour roadside assistance program that comes at no extra cost with all new Isuzu trucks. And while our trucks are renowned for their reliability, even if you run out of fuel, lose your keys, get a flat tyre (or battery), Isuzu Assist will be there to sort it out. Just freecall 1800 947 898.

## ISUZU priority SERVICE AGREEMENTS

## MAKE STRESS FREE SERVICING A PRIORITY.

There is nothing more crucial than maintaining a healthy fleet, so we've created a 'stress free' service in Isuzu Priority\*. Knowing that the lifeblood of your business is under control, and in the best hands, provides true peace of mind and allows you to spend more time doing what you do best – building and growing your business.

\*At additional cost

## ISIS.

Isuzu Sales Information System (ISIS for short) is a software program the dealer will use to help you select the right truck and body for your application. Once it's been programmed with your requirements, ISIS simulates how the truck will perform in terms of its weight distribution, available power and other performance characteristics. So with ISIS, you're sure to find your most suitable match.

## ISUZU EXTENDED CARE.

Isuzu Extended Care\* provides a two-year extension to Isuzu's three-year factory warranty. As well as the five-year factory warranty, you'll also receive five years of Isuzu's customer care programme and Isuzu Assist. Available when you buy your truck, it's the ultimate peace-of-mind.
