

RENAULT MEGANE COUPE-CABRIOLET

DRIVE THE CHANGE

BE SWEEP
AWAY

FROM THE STUNNING NEW FACE THROUGH THE SWEEPING LINES OF ITS BODY, THE RENAULT MEGANE COUPE-CABRIOLET IS BEAUTIFUL FROM EVERY ANGLE.

Nothing captures the romance of driving quite like guiding a Renault Coupé-Cabriolet through winding coastal roads with blue ocean beyond.

Drawing upon the timeless glamour of the 1950s when Renault launched the iconic Floride convertible, the Mégane Coupé-Cabriolet makes the freedom of open top touring a thoroughly modern experience.

Under its beautifully sculpted body, you'll find advanced technology throughout. Technology that excites, entertains and protects those within.

As at home alongside the beaches of the French Riviera as on any of Australia's great coastal drives, the Mégane Coupé-Cabriolet is truly a car for the free spirited.

LIGHTS CAMERA ACTION

ELEGANT COUPE ONE MOMENT, MOVIE STAR CABRIOLET THE NEXT.

Design and glamour unite once again in the new Renault Mégane Coupé-Cabriolet. At first glance, your eye is drawn to the Renault diamond set into gloss black surrounds, a design that has evolved to become more dynamic and striking. The lower grille is narrower, sleeker, and features eye-catching LED daytime running lights. The body is graceful and athletic with sculpted corners and 17" alloy wheels.

Inside the cabin, the Mégane Coupé-Cabriolet creates an atmosphere of refinement thanks to the dark charcoal upholstery, dashboard and leather wrapped steering wheel.

Sophisticated and beautiful from every angle with the top up or down, the new Renault Mégane Coupé-Cabriolet is a contemporary classic.

TECHNOLOGY THAT'S A BREEZE

WITH THE SIMPLE PUSH OF A BUTTON, THE GLASS ROOF EFFORTLESSLY FOLDS INTO THE BOOT.

All of the Mégane Coupé-Cabriolet's technologies work simply and quietly to make your driving experience the utmost pleasure. From the automatic wipers and dusk sensing headlights to the specially designed windscreen and glass wind deflector that protect you from turbulence.

The top of the range Mégane Coupé-Cabriolet GT-Line also includes the Radio Auditorium Sound system by Arkamys® and Renault's R-Link Enhanced Satellite Navigation system. Controls are made simpler using either fingertip controls (mounted behind the steering wheel for easy access), voice command or through the high definition 7" touchscreen built into the centre console.

A cabriolet this special deserves special protection. So along with the many safety features that you'll find standard across the Mégane range, the Coupé-Cabriolet also has instantly deployable roof arches in case the vehicle is rolled and anti-submarining airbags integrated into the front seats.

ICONIC SINCE 1958

RENAULT PAYS HOMAGE TO AN ALLURING TIME OF STYLE, GLAMOUR AND JOIE DE VIVRE IN THE RENAULT MEGANE COUPE-CABRIOLET.

When Renault launched its first convertible tourer in 1958, it was celebrated for embodying the pure joy of summer days in the French Riviera. Its exterior was meticulously crafted to create the sophisticated, stylish and classic look you can now see reflected in the Renault Mégane Coupé-Cabriolet.

The original Renault Floride was made famous by screen icon Brigitte Bardot, renowned for her stunning natural beauty and passion for life.

Today's Renault Mégane Coupé-Cabriolet strikes a balance between modern-day technology and breathtaking looks to create a vehicle that is both elegant and bold, contemporary and classic – and of course, unmistakably beautiful.

The French have a phrase – joie de vivre – 'the joy of life.' Why settle for the everyday when a Renault Mégane Coupé-Cabriolet can make every day something so much more special?

KEY FEATURES

- Driver and front passenger airbags and side airbags
- Anti-submerging airbags for front seats
- Roll arches – deploying in emergency roll situation
- Electronic Stability Control (ESC), Anti-lock Braking System (ABS), Emergency Brake Assist (EBA), Electronic Brake-force Distribution (EBD)
- Rear parking sensors
- LED daytime running lights
- Front and rear fog lights
- Automatic dusk sensing headlights
- Automatic windscreen wipers with rain sensor
- Cruise control with speed limiter
- Power windows with anti-pinch function
- Renault Anti-Intruder Device (R.A.I.D.) – automatic locking of doors while driving (activated once above 30km/h)
- Remote central locking with Renault Smart Key Card
- Multi function trip computer
- Dual zone climate control air conditioning
- Classic Sound audio with CD, MP3, USB, AUX and fingertip controls
- Bluetooth® phone pairing with audio streaming*
- Height adjustable front seats with lumbar support
- Dark charcoal cloth leatherette trimmed upholstery
- Leather wrapped steering wheel and gear knob
- Rear seat wind deflector
- Electric folding glass roof
- Satin chrome windscreen surround
- Gloss black, electric door mirrors
- 17" Plenum alloy wheels

KEY FEATURES

FEATURE AVAILABILITY VARIES PER MODEL.

Overseas model shown

STRENGTH AND PROTECTION

The Mégane Coupé-Cabriolet's structure has been strengthened and improved, for both a better driving experience as for safety. Renault has developed its own anti-submarining airbags for the Coupé-Cabriolet. Located in the seat, they inflate to prevent occupants sliding under the seatbelt (called submarining). There are also roof arches that deploy instantly in the unlikely event of a rollover.

ELECTRIC FOLDING GLASS ROOF

Still the largest panoramic glass roof in its class, it takes just 21 seconds for the two-panel top to fold away into the Coupé-Cabriolet's boot. Designed by cabriolet specialists, Karmann, the glass roof captures the flowing essence of the sports coupé. You won't be able to help yourself looking back every time you park and walk away.

DARK CHARCOAL UPHOLSTERY

The upholstery of the Coupé-Cabriolet needs to be at its best at all times, especially since it's also open to the outside world. The dark charcoal interior of the Dynamique comes in a stylish combination of cloth with leatherette accents on the bolsters. While the leather seats in the GT-Line are also heated so you can enjoy open air cruising, even when the temperature drops.

Overseas model shown

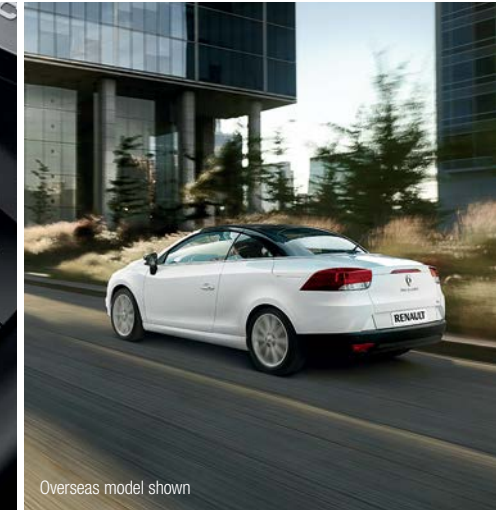

PREMIUM SOUND

With the roof open, the rear seat wind deflector and advanced windshield work in tandem to prevent wind turbulence and optimise the sound quality for hands-free calling and so that you can appreciate the music from the premium Radio Auditorium Sound system by Arkamys® in the GT-Line.

AUDIO CONNECTIVITY

There are multiple options for audio connectivity in the Renault Mégane Coupé-Cabriolet. Bluetooth® hands-free with audio streaming can connect with your compatible smartphone and play your music wirelessly through the audio system. ^ Other options include iPod® connectivity through the auxiliary jack or USB port, with fingertip audio controls located behind the steering wheel.

Overseas model shown

SAFETY

A comprehensive suite of safety features in the Renault Mégane Coupé-Cabriolet ensures you're kept as safe as possible. Front head, chest and side curtain airbags react instantly to protect you from injury in an impact, while Electronic Stability Control, ABS and Emergency Brake Assist helps prevent loss of control.

REAR PARKING SENSORS

Whether reversing down a driveway or finding that last tricky space in the car park, parking sensors make manoeuvring easier and safer for you. The sensors provide an audible warning as you approach objects helping you to position the car.

DAYTIME RUNNING LIGHTS

LED daytime running lights are a safety feature that helps protect you by making your vehicle more visible to other road users at any time of the day. In fact, daytime running lights are now a legal requirement for all new passenger vehicles in Europe.

ALLOY WHEELS

The Renault Mégane is connected to the road with the latest in alloy wheel design and technology. Its 17" Plenum alloy wheels (or 17" Celsius on the Mégane GT-Line model) have a fresh and modern design with solid, lightweight alloy construction.

R-LINK SATELLITE NAVIGATION

Find your way easily thanks to the R-Link Enhanced Satellite Navigation system, built in to the Renault Mégane Coupé-Cabriolet GT-Line. Maps are available in 2D and 3D, displayed on the 7" high definition colour touchscreen with turn-by-turn guidance and easy SD updates.

DUAL ZONE CLIMATE CONTROL

No matter what's going on outside, you'll always feel comfortable inside thanks to the dual zone climate control system. While keeping front seat occupants at their ideal temperature, the pollen filter keeps nasties out and provides only the freshest air so you can breathe easily.

RENAULT SMART KEY CARD

With the Renault Mégane GT-Line, you don't even need to touch the key to get in the car and get going. The Renault Smart Key Card can stay in your bag or pocket, unlocking the doors at a single touch of the door handle. Once inside, you simply press a button to start the engine.

OUR QUALITY: YOUR PEACE OF MIND

GENEROUS COMPREHENSIVE WARRANTIES

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5-year unlimited kilometre warranty on all of our passenger vehicles.

24/7 ROADSIDE ASSISTANCE

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

CAPPED PRICE SERVICING

Fantastic Renault value doesn't end once you've got your new vehicle home – thanks to the Capped Price Servicing program, you'll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000km (whichever occurs first) behind the wheel of the Mégane Coupé-Cabriolet.

The Capped Price Servicing program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

RENAULT SPECIALIST TECHNICIANS

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHS, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHS use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

REPAIR & SERVICE COURTESY CARS

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

GENUINE RENAULT PARTS

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

RENAULT DEALER NETWORK – THE BENEFITS

Everywhere, at every stage in your car's life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Pricing structures that are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.

WHEN YOU PURCHASE A NEW VEHICLE, YOU WANT TO BE SURE IT WILL GIVE YOU YEARS OF ENJOYABLE, WORRY-FREE MOTORING, BACKED BY A TRUSTED AND RELIABLE BRAND. AND WHEN YOU CHOOSE A RENAULT, THAT'S EXACTLY WHAT YOU'LL GET.
