

CITY

AN URBAN LEGEND.

Reclaim the streets in the Honda City. With a compact, sporty profile and a spacious, comfortable interior, it's the perfect escape from the urban madness.

Smooth lines, sculpted side panels and an elegant chrome front grille has the Honda City turning heads. LED Daytime Running Lights give the exterior bold appeal. Add electronically adjustable side mirrors, a pair of sleek taillights and a shark fin antenna and you'll be moving around town with ease and style.

But don't let its compact exterior fool you. Step inside and you'll find every millimetre of space used to its fullest potential, creating ample room for every occupant and incredible storage capacity. A sleek, modern dashboard, stylish black fabric seat trim in the VTi and new leather-appointed* seat trim in the VTi-L are just some of the luxurious touches you've come to expect in a City. For extra extravagance, the VTi-L model also offers a handsome leather-wrapped steering wheel and gearshift knob.

And thanks to a cabin built for better all-round vision, you'll enjoy the outside view just as much.

*Leather-appointed seat trim means some parts of the seats may contain synthetic material. *VTi-L only. City VTi-L shown in Cosmic Blue Metallic.

Touch-Based Climate Control*

IT PAYS TO BE STREET SMART.

- 1. Satellite navigation*:** In the VTi-L model, you'll find satellite navigation right there on the 7-inch colour touchscreen.
- 2. Multi-angle reversing camera:** Put the City into reverse and the multi-angle reversing camera is instantly at your service. Switch easily between three views; an astounding 180° normal view, wide view or handy top-down view for superior visibility.
- 3. Touchscreen audio:** This touchscreen has your infotainment needs sorted. Bluetooth® phone connectivity* allows you to browse contacts and call history as well as make and receive calls. Accessing your music library is just as easy with USB connectivity and Bluetooth® audio streaming*. Scroll through your playlists right there on screen, or use the steering wheel-mounted controls.
- 4. Multi Information Display (MID):** At just the touch of a button, view outside temperature, average and instant fuel consumption, trip meter, distance to empty and more.
- 5. Cruise control:** Give yourself a break from the hustle and bustle of the city by locking in your perfect cruising speed. Not only will it make your trip a breeze, it will optimise your fuel economy.
- 6. Storage:** There's clever storage everywhere you look in the City, whether it's the perfect spot to place your latte or your mobile phone, everything has been thought of in advance.
- 7. Touch-based climate control panel*:** Control the interior climate from the front seat using the button-free electrostatic climate control. With an up or down swipe of the finger over the panel you can pinpoint your perfect temperature, one degree at a time.
- 8. 60/40 split fold rear seats:** These cleverly designed split-fold rear seats allow you to fit more in, while still leaving plenty of room for rear passengers. With one fluid motion you can split the seats 60/40 to accommodate cargo of any shape.
- 9. Boot space:** When it comes to boot space the City has it in spades. Its class-leading~ boot space of 536 litres gives you enough room to go on a shopping spree.
- 10. Smart keyless entry and push button start*:** Leave the key fob safely in your pocket or bag and the doors will automatically unlock when you touch a front door handle or boot release button. Once inside, simply press your foot on the brake pedal and push the start button and the City will come to life.

Earth Dreams

Continuously Variable Transmission

Paddle Shift

Econ Mode~

IN A BUSY CITY YOU NEED A CAR THAT CAN KEEP UP.

Life in the city can see you jumping from one occasion to the next, so you need a car that can keep up with your busy social schedule.

Thanks to the supremely economical 1.5 litre i-VTEC engine you've got the right power and performance under the bonnet to do just that.

ENGINE

Honda's i-VTEC engines are designed to deliver strong fuel economy, responsive performance and cleaner emissions.

The 1.5 litre SOHC i-VTEC engine in the City is designed to optimise fuel efficiency and minimise emissions. Delivering 88kW of power at 6600rpm while consuming as little as 5.8L of fuel per 100km*, Honda's variable valve timing system is an innovation that makes the City kind to your wallet and the environment.

TRANSMISSION

A city-smart car needs a clever transmission and Earth Dreams Continuously Variable Transmission (CVT) is just that. With innovative G-Design Shift logic, the CVT is designed to ensure a quick off-the-line acceleration and a smoother, more natural driving feel.

The VTi is available with the automatic CVT or 5-speed manual transmission. Whilst the VTi-L offers racing-inspired steering-wheel mounted paddle shifters for a performance-orientated drive.

ECO ASSIST

Advanced technology is only part of good fuel economy. The other side of the equation lies with the person in the driver's seat. Imagine a driving coach that helps you to drive more efficiently.

Eco Assist is a visual training system that responds to your drive. Brake or accelerate heavily and the outer ring of the City's speedometer glows white. Keep it smooth and under control and you'll be rewarded with an encouraging green glow.

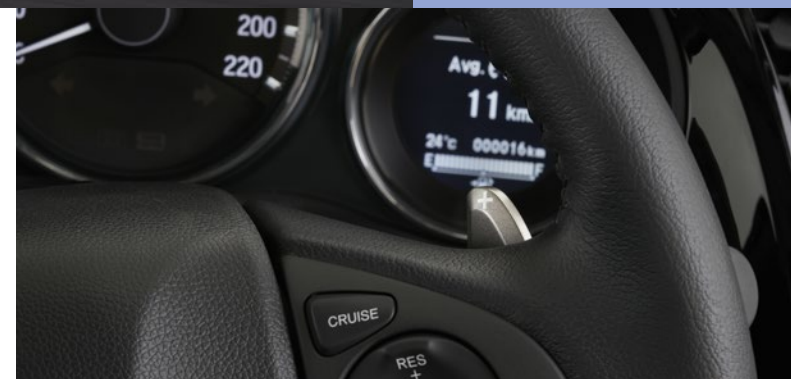

ECON MODE

Every City fitted with automatic CVT is equipped with ECON Mode. Simply engage the green button and your City does exactly what you might expect by adjusting engine behaviour, transmission style and air conditioning functionality to maximise fuel economy.

CHASSIS

When you look smooth you have to act smooth, and in this department the City doesn't disappoint.

By teaming Electric Power-assisted Steering (EPS) and a rigid high-tensile steel body with a low centre of gravity, the City is just as composed taming tight corners, as it is challenging parking spaces. Add this to a refined suspension system and the City is smooth and comfortable, absorbing the shock and vibrations of bumps in the road so you'll feel even less. Say goodbye to road noise too, thanks to thicker glass and greater use of high-density materials.

1.5L
SOHC i-VTEC Engine

*The fuel consumption figure quoted is based on ADR81/02 combined test results for City VTi with automatic transmission. *Automatic transmission only. City VTi-L shown in Cosmic Blue Metallic.

HONDA IS COMMITTED TO DESIGNING EVERY MODEL WITH EXCEPTIONAL SAFETY FEATURES.

WE EVEN BUILT THE WORLD'S LARGEST OMNI-DIRECTIONAL
CRASH FACILITY TO TEST OUR CARS MORE THOROUGHLY.

MULTI-ANGLE REVERSING CAMERA

Feel confident in any direction. There's three modes available (180° wide angle, normal angle, and top-down) and guidelines to plot your projected path.

EMERGENCY STOP SIGNAL (ESS)

If an emergency situation forces you to brake heavily, drivers behind you need as much warning as possible. Emergency Stop Signal does just that, automatically flashing the hazard lights in the event of hard braking to reduce the chance of a rear-end collision.

VEHICLE STABILITY ASSIST (VSA) WITH TRACTION CONTROL

This technology helps keep the City on course in adverse driving conditions by detecting, then mitigating, potential understeer or oversteer. When necessary, VSA automatically reduces engine power and manages brake pressure to individual wheels to help regain control.

HILL START ASSIST (HSA)*

Hill Start Assist prevents rolling back when starting on an incline. The system controls brake pressure, keeping the car stationary for a moment as you release the brake pedal and prepare to accelerate.

WHIPLASH MITIGATING FRONT SEATS

In the event of a collision, the seatback springs are optimised so that the seat will more equally absorb the occupant's impact, in a manner that can minimise the severity of a whiplash injury.

SPEED ALARM

Alerts the driver with an audible and visual warning if a pre-selected speed is exceeded.

AIRBAGS

The clever Honda i-SRS driver airbag system inflates at different rates depending on crash severity, seatbelt usage and a host of other factors to keep you safe behind the wheel. Dual front, side and full-length curtain airbags are standard.

ADVANCED COMPATIBILITY ENGINEERING (ACE)

The City has been designed with an innovative body structure, engineered to absorb and deflect the force of a frontal collision away from the passenger compartment, improving the safety of every occupant.

ANTI-LOCK BRAKING SYSTEM (ABS) AND ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

The City comes armed with ABS so that you can effectively maintain control under heavy braking. Whilst EBD monitors and adjusts the brake force applied to each wheel for greater control and stability.

AUTOMATIC TENSIONING SEATBELTS

If you're involved in a collision, the same sensors that deploy the City's airbags automatically retract the front seatbelts. You and your passenger are instantly pressed back safely into your seats.

*Automatic transmission only.
City VTI-L shown in Cosmic Blue Metallic.

SELECT YOUR MODEL

VTi

The Civic VTi comes standard with:

- 1.5 litre SOHC i-VTEC 4-cylinder engine
- 5-speed manual or CVT automatic transmission^
- Electric Power Steering (EPS)
- 15-inch steel wheels
- Electrically adjustable door mirrors with LED turn indicators
- Halogen headlights
- LED Daytime Running Lights
- Remote keyless entry with boot release
- Air conditioning
- Black fabric seat trim
- Cruise control
- Eco Assist
- ECON Mode (automatic transmission)
- 60/40 split fold rear seats
- Accessory 12V power outlet (x1)
- Four speaker audio
- Touchscreen audio (7-inch colour display) including:
 - AM/FM radio
 - Bluetooth® phone and audio connectivity°
 - HDMI port
 - USB port
- Multi-angle reversing camera
- Multi Information Display (MID)
- SRS airbags: dual front, side and full-length curtain
- Anti-lock Braking System (ABS)
- Electronic Brake Force Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist (HSA)
- Vehicle Stability Assist (VSA) with Traction Control System (TCS)
- Whiplash mitigating front head restraints

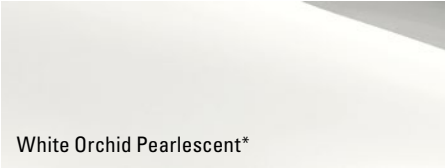

VTi-L

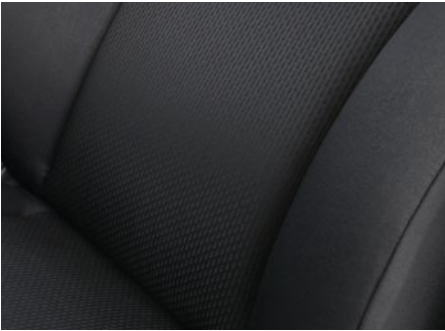

Additional features over the City VTi:

- CVT automatic transmission
- Steering wheel-mounted gear shift paddles
- 16-inch alloy wheels
- Electrically retractable door mirrors
- Front fog lights
- Smart entry and push button start
- Accessory 12V power outlet (x3)
- Black leather-appointed seat trim*
- Built-in satellite navigation
- Climate control
- Eight speaker audio
- Leather-wrapped gear shift knob
- Leather-wrapped steering wheel
