SPECIAL EDITION

Go Further

The Ranger FX4 Special Edition is here.

Based on the award-winning Ranger XLT comes our boldest truck to ever hit river, road or dirt track. Introducing the Ford Ranger FX4. A truly special edition.

Choose automatic<sup>1</sup> or manual transmission and one of 4 tough colours<sup>2</sup> but be quick as the Ranger FX4 Special Edition is strictly limited.

## TOUGH ENOUGH

Drawing on the design of the Ranger XLT, Drive's Best Ute of 2015 & 2016, the Ranger FX4 is ready to take on nature's toughest with legendary 4X4 capability, 3.2L Diesel engine, 470Nm of Torque, 3.5 tonne towing,<sup>3</sup> and 800mm water wading.<sup>4</sup>

## SMART STUFF

There's the tech you want, like SYNC<sup>®</sup>3<sup>5</sup> with 8" touch screen, voice-controlled Sat Nav, Apple CarPlay<sup>®</sup> and Android Auto.<sup>6</sup> Then there's the tech you need, like reverse camera, front and rear parking sensors, dynamic stability control and roll over mitigation. Better still, it all comes standard.

## BOLD BREED

From every angle, it's one fierce truck, with large 18" alloys, FX4 custom grille, matte black sports bar, tough side steps and FX4 styling details. That's just the start. This is the first Ranger with FX4 embossed leather accented seats as standard.

## TECH PACK

The optional Tech Pack<sup>7</sup> is made for the long road ahead, featuring advanced driver assist including Forward Collision Alert<sup>7</sup>, Lane Keeping Aid<sup>7</sup>, Automatic High Beam Control<sup>7</sup> and Adaptive Cruise Control<sup>7</sup>.

Ranger FX4 shown in optional Magnetic prestige paint colour. 1. Automatic transmission is available at an optional cost. 2. Frozen White is a no cost option. All other Ranger FX4 colours are Prestige paints available at an optional cost. 3. Braked towing capacity on Ranger FX4 when fitted with a Genuine Ford Accessory Tow Ball. Subject to state and territory towing regulations. 4. 800mm on Ranger FX4 achieved when maintaining a steady speed of 7kms/hr. 5. Driving while distracted can result in loss of vehicle control. Only use SYNC<sup>®</sup>3, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all SYNC<sup>®</sup>3 features are compatible with all phones. Local laws prohibit some or all of the phone functions while driving. Check your local road rules before using these functions. 6. Apple CarPlay is a trademark of Apple Inc. Android<sup>™</sup> is a trademark of Google Inc. Both require phones with compatible versions of Apple iOS and Android<sup>™</sup> (respectively), active data service and genuine USB cable (available separately). Message and data rates may apply.

SYNC<sup>®</sup> does not control Apple CarPlay or Android Auto while in use; Apple Inc and Android<sup>™</sup> (respectively) are responsible for their functionality. Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions. 7. Features with the optional Ranger FX4 Technology Pack available at an additional cost. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. Lane Keeping Aid is designed to operate at speeds over 64km/h on multi-lane roads with clearly visible lane markings.

# Specifications

		<b>4x4 FX4 Double Cab Pick-up 3.2 Diesel</b>

ShadowBlack<sup>16</sup>

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 2. Braked towing capacity on Ranger FX4 when fitted with a Genuine Ford Accessory Tow Ball. Subject to state and territory towing regulations. 3. Features with the optional Ranger FX4 Technology Pack available at an additional cost. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. Lane Keeping Aid is designed to operate at speeds over 64km/h on multi-lane roads with clearly visible lane markings. 4. Kerb Mass includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. 5. Subject to State and Territory regulations. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 6. Driver-assist features are supplemental and do not replace driver's attention, judgement and need to control the vehicle. Function may not operate in some driving and road conditions or adverse weather. 7. Needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 8. For SYNC® compatibility, visit [www.ford.com.au/sync](http://www.ford.com.au/sync). 9. Bluetooth® is a registered trademark of Bluetooth SIG Inc., and is used under licence. Customers should consult their Ford Dealer on the ability of their mobile phone handset to integrate with the Bluetooth® system prior to making a purchase decision. 10. Traffic information is provided through an arrangement with Intelmatic Australia Pty Ltd. Traffic information is based on data provided with the permission of one or more third parties. If Ford's arrangements with Intelmatic Australia Pty Ltd. cease for any reason, the ongoing provision of traffic information cannot be guaranteed. 11. iPod is a registered trademark of Apple Inc. and is used under licence. Connection cables sold separately. 12. Rear mud flaps on pick-up models only. 13. Prestige paint is an option that incurs an additional charge. 14. Rear bumper body colour, excludes rear bumper sensor device. 15. 800mm on Ranger FX4 achieved when maintaining a steady speed of 7 km/hr. 16. Frozen White is a no cost option. All other Ranger FX4 colours are Prestige paints available at an optional cost.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specifications sheet. Because of changes in conditions and circumstances Ford® reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discount or change features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specifications sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features specifications, prices, optional equipment and availability before deciding to place an order.
