

Mercedes-Benz

Heavy Diesel Mechanic

Daimler Trucks Sunshine Coast has over 25 years of experience with all types of truck, bus and commercial vehicle repairs for Freightliner, Mercedes-Benz and FUSO. They also offer repairing and servicing expertise for all other makes and models of commercial vehicles in their professional, on-site, state of art workshop.

The opportunity

Daimler Trucks Sunshine Coast are seeking a certified Mercedes-Benz Diagnostic Technician to join their busy workshop in Forest Glen, just off the Bruce Highway, Sunshine Coast. They are looking for a qualified, confident, reliable, customer focussed professional to join their team of factory trained, quality technicians. We will consider candidates who are becoming certified and have commenced their training.

The Role

- Heavy vehicle diagnostic technician
- Maintenance technician
- System technician comfort and passive safety
- Telecommunications and system knowledge
- System drivetrain and chassis
- Problem solving and diagnostic skills
- The ability to work alone and unsupervised

What Daimler Trucks Sunshine Coast offer

- An excellent hourly rate on offer with overtime available
- Bonus structure based on hours sold
- Super guarantee
- Permanent employment on the Sunshine Coast
- Mechanic of the Month incentive program
- Career progression for the right candidate
- Training and development opportunities
- Uniform and specialised tools provided
- Wide variety of work
- Opportunity to work with big trucking brands
