Subaru WRX Premium AWD

why WRX?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from Subaru's unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru WRX has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, Subaru's lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, the pistons move like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

Finest safety

5 star ANCAP safety across the WRX range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru WRX to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru WRX carries the maximum 5 star ANCAP¹ safety rating.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to Subaru's rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard across the Subaru WRX range.

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

Yet another world first

Lineartronic® CVT

Pushing innovation beyond the bounds, Subaru introduced an automatic transmission called Lineartronic® Continuously Variable Transmission (CVT). And it's the reason the automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – the Lineartronic® CVT provides infinite variability between the highest and lowest available ratios. So you now experience a smoothness that also optimises the efficiency of the vehicle. For even more excitement, switch to manual mode for greater control to suit your driving style. Lineartronic® CVT is available across the Subaru WRX range.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road? Each situation deserves a distinctive driving mode, so the Subaru Intelligent Drive (SI-Drive) technology was made standard on all Subaru WRX Lineartronic® CVT variants to let you choose the right mode for each situation. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance and Sport Sharp (S#) mode – for a truly thrilling drive.

We're looking out for you

EyeSight® Driver Assist

Subaru was the first car company to exclusively use stereo camera technology to detect objects in our vehicles path. A sign of Subaru's future-thinking and commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, helping to spot potentially dangerous situations. If EyeSight® detects anything that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® is standard on Subaru WRX Lineartronic® CVT variants.

Clever thinking

Vision Assist

Imagine if your wing mirrors could alert you when there's something in your blind spot. Or if your car could guide you almost perfectly into a parking spot. Subaru made all this and more happen with Subaru's Vision Assist.

Subaru's suite of proactive safety technologies including Blind Spot Monitor, Rear Cross Traffic Alert, Lane Change Assist, High Beam Assist, Front View Monitor and Side View Monitor are always at work to help you feel safer on the road. Subaru's Vision Assist technologies are standard on the Subaru WRX Premium AWD.

attitude outside, luxury inside

If you're wielding 197kW of muscle car power inside iconic sports styling, you're going to want luxury comfort. The leather steering wheel and gear shift gives you superior feel and control while sports bucket seats hug your body – all trimmed with red stitching. The Subaru WRX Premium AWD also offers heated front seats and black leather accented trim.

Set the soundtrack and make handsfree calls through the large intuitive LCD touchscreen. A rear view reverse camera covers your rear just as satellite navigation on the Subaru WRX Premium AWD keeps you heading in the right direction. Whatever you do, it'll never be boring.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 5 Year/Unlimited Kilometres¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Kilometre manufacturer's national warranty. Visit www.subaru.com.au/owners/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing²

With our Subaru 5 Year/125,000 Kilometre Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period.

You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates³

If your new Subaru is fitted with a factory line fit navigation unit your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

Subaru Roadside Assistance⁴

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

1. Every new Subaru comes with a 5 Year/Unlimited Kilometre warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 years/150,000 kilometres (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model Year 2021 onward Subaru WRX comes with Subaru's 5 Year/125,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions, visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on MY21 Subaru WRX variants purchased from 21st September 2020 onwards with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program. 4. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For a full list of benefits, visit www.subaru.com.au/roadside-assistance-program.

why WRX STI?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from Subaru's unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru WRX STI has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, Subaru's lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, the pistons move like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

Finest safety

5 star ANCAP safety across the WRX STI range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru WRX STI to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru WRX STI carries the maximum 5 star ANCAP¹ safety rating.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to Subaru's rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard across the Subaru WRX STI range.

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

Ultimate control in your hands

Multi-mode Driver's Control Centre Differential (DCCD)

Do drive with confidence wherever your Subaru WRX STI takes you, from your daily city commute to rain soaked highways. Take control of your drive with Multi-mode DCCD, Subaru technology which optimises traction, handling response and all round performance.

With four distinct modes, the driver controls the centre Limited Slip Differential (LSD) to match the conditions and their individual driving style. Exclusive to Subaru WRX STI, Multi-mode DCCD features Auto mode for all round driving performance. When things get slippery dial up Auto (+) mode for optimal traction in the wet, while Auto (-) lets you enjoy sharp handling in dry conditions. Or select Manual mode to put the power back in your own hands and match the control setting to your drive.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road?

Each situation deserves a distinctive driving mode, so the Subaru Intelligent Drive (SI-Drive) technology is available on all Subaru WRX STI variants to let you choose the right mode for each situation. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance and Sport Sharp (S#) mode – for a truly thrilling drive.

Clever thinking

Vision Assist

Imagine if your side mirrors could alert you when there's something in your blind spot. Or if your high beams could automatically switch to low beam, when approaching oncoming traffic at night. Subaru made all of this and more happen – with Subaru's Vision Assist. Subaru's suite of proactive safety technologies including Side View Monitor, Blind Spot Monitor, Rear Cross Traffic Alert, Lane Change Assist, High Beam Assist and Front View Monitor are always at work to help you feel safer on the road. Subaru's Vision Assist technologies are standard on the Subaru WRX STI Premium AWD and WRX STI spec.R AWD.

cockpit meets throne

The Subaru WRX STI cockpit is fit for rally enthusiasts with its big, bright 7" LCD touchscreen, DCCD and SI-Drive controls and gloss black highlights. Pump tunes and make handsfree calls through the Harman Kardon®¹ eight speaker stereo system with *Bluetooth*®² wireless technology. Satellite navigation and two USB connections are standard across the Subaru WRX STI range, as is a rear view reverse camera.

make it yours

Subaru WRX STI drivers tend to be discerning, so we've got all the bells and whistles required to customise your pride and joy to your exact requirements.

- + Protection Protect your Subaru WRX STI with a range of products including a carpet mat set, cargo tray, car cover and rear bumper protector.
- + Cargo To extend your Subaru WRX STI's carrying capacity we offer a broad range of Subaru and Thule sport and cargo carrier accessories.
- + Security, Convenience and Safety Keep your new wheels secure with a security car alarm system. The compact, windscreen mounted Garmin Dash Cam records sharp video; gives the driver a range of alerts and can be synced to your smartphone.
- + STI Performance Parts Tweak the handling of your Subaru WRX STI for that extra edge. Emphasise the beast with STI Performance Parts for optimum handling and control. Or spiff it up with a stylish leather gear knob and our range of aerodynamic spoilers.

Genuine Subaru Accessories are available from your Subaru Retailer, so be sure to ask about the range when buying your new Subaru WRX STI.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 5 Year/Unlimited Kilometres¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Kilometre manufacturer's national warranty. Visit www.subaru.com.au/owners/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing²

With our Subaru 5 Year/125,000 Kilometre Capped Price Servicing Program, you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period.

You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates³

If your new Subaru is fitted with a factory line fit navigation unit your unit will be covered by Subaru's Map Update Program – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

Subaru Roadside Assistance⁴

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

1. Every new Subaru comes with a 5 Year/Unlimited Kilometre warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 years/150,000 kilometres (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/owners/warranty. 2. Every eligible Model Year 2021 onward Subaru WRX STI comes with Subaru's 5 Year/125,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions, visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on MY21 Subaru WRX STI variants purchased from 21st September 2020 onwards with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/servicing/subaru-map-update-program. 4. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer.
