

 **RS Q8**

Audi RS Q8 Australian Specifications

RS Q8 quattro

Technical data

Engine type	V8 petrol engine with direct fuel injection, twin turbocharging, 48V Mild Hybrid Electric Vehicle technology (MHEV) and cylinder on demand
Capacity (cc)	3,996
Power (kW/rpm)	441 / 6,000
Torque (Nm/rpm)	800 / 2,200 - 4,500
Driveline	quattro
Transmission	8 speed tiptronic
Start-Stop system	●
Acceleration (sec) 0-100 km/h	3.8
Top speed (km/h)	250
Fuel consumption (combined)*	
▶ Litres/100kms	12.1 ^Δ
▶ CO ₂ emissions grams per km	276 ^Δ
Weight	
▶ Unladen weight in kg (includes 75kg for driver and luggage) ¹	2,315
▶ Maximum towing weight (braked) in kg	3,500
▶ Maximum ball weight in kg	350
▶ Maximum gross combined weight in kg	6,515 ^Δ

Safety

Anti-theft alarm system – monitors doors, bonnet and luggage compartment	●
Front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear	●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing	●
Electromechanical parking brake	●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist	●
First aid kit, warning triangle and high visibility vests	●
Hold assist – holds the vehicle on gradients indefinitely to enable smooth driving	●
Seatbelt reminders for all passengers	●
Tyre pressure monitoring system – status of air pressure and temperatures tyres are displayed in the MMI system	●

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Figures are on the basis of 23 inch wheels.

^Δ Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[^] Maximum gross combined weight must not exceed 6,315 kg.

Packages

	Option Code	RS Q8 quattro
Sensory package		
<ul style="list-style-type: none"> ▶ Alcantara headlining in black ▶ Bang & Olufsen 3D Advanced Sound System – 23 loudspeakers with a total output of 1,920 watts ▶ Front seat massage function 	WA2	□
RS dynamic package plus		
<ul style="list-style-type: none"> ▶ RS ceramic brake system with red brake callipers ▶ Top speed increased to 305 km/h ▶ Also available with blue brake callipers (PA3B) and grey brake callipers (PA3G) 	PA3R	□
Matt aluminium styling package		
<ul style="list-style-type: none"> ▶ Front spoiler and rear diffuser insert in matt aluminium ▶ Singleframe mask in manhattan grey ▶ Trim strips on the side windows in matt aluminium ▶ Exterior mirror housings in aluminium look 	WD7	NCO
Carbon and black styling package		
<ul style="list-style-type: none"> ▶ Front spoiler, luggage compartment trim strip (between tail lights) and rear diffuser insert in gloss carbon ▶ Singleframe mask in gloss carbon ▶ Trim strips on the side windows in gloss black ▶ Exterior mirror housings in gloss carbon 	PQA	□
RS design package, Red		
<ul style="list-style-type: none"> ▶ Steering wheel rim and gear selector in Alcantara, black with contrasting stitching in express red ▶ Door armrests and gear level gaitor in fine Nappa leather, black with contrasting stitching in express red ▶ Sides of the centre console in Alcantara, black with contrasting stitching in express red ▶ Seat belts for front and rear outer seats in black with contrasting red edges ▶ Floor mats in black with contrasting stitching in express red and RS logo on front mats 	PEF	□
RS design package, Grey		
<ul style="list-style-type: none"> ▶ Steering wheel rim and gear selector in Alcantara, black with contrasting stitching in grey ▶ Door armrests and gear level gaitor in fine Nappa leather, black with contrasting stitching in grey ▶ Sides of the centre console in Alcantara, black with contrasting stitching in grey ▶ Seat belts for front and rear outer seats in black with contrasting grey edges ▶ Floor mats in black with contrasting stitching in grey and RS logo on front mats 	PEG	□

Standard equipment and options

	Option Code	RS Q8 quattro
Wheels, suspension and driving dynamics		
 23" alloy wheels in 5-Y spoke rotor design, anthracite black with 295/35 tyres		●
 23" alloy wheels in 5-Y spoke rotor design, silver with 295/35 tyres	52Q	NCO
 23" alloy wheels in 5-Y spoke rotor design, matt titanium with 295/35 tyres	52R	NCO
Anti-theft wheel bolts and loose wheel detection		●
Tyre repair kit		●
Audi drive select – allows the selection of various driving modes including RS1 and RS2 modes		●
Active roll stabilisation – electromechanically reduces the side tilt of the body during cornering		●
quattro sport differential – permanent all-wheel drive with self-locking centre differential and sport differential on the rear axle		●
Dynamic steering – variable ratio steering depending on the driving situation and driver preference		●
All-wheel steering – at low speeds, the steering effort reduces for the driver and the turning circle of the vehicle is reduced by approximately 1m. At higher speeds, the response behaviour and the driving stability are improved by a targeted adjustment of the rear wheels		●
RS sport adaptive air suspension – electronically controlled air suspension with infinitely variable adaptive damping system on all 4 wheels; automatically regulates the vehicle height and damping; includes level control and manual lift function		●
RS high performance braking system with red brake callipers		●
RS sport exhaust in black		●
Paint finishes[^]		
 Night black		NCO
 Glacier white, metallic		NCO
 Florett silver, metallic		NCO
 Orca black, metallic		NCO
 Galaxy blue, metallic		NCO
 Navarra blue, metallic		NCO
 Dragon orange, metallic		NCO
 Daytona grey, pearl effect		NCO

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

[^] Actual colour may vary from sample due to printing process. Paint finish prices are not dependent on the model.

Standard equipment and options

	Option Code	RS Q8 quattro
Assistance systems		
Adaptive drive assist including adaptive cruise control with Stop&Go, distance indicator, traffic jam assist and lane guidance assist ²		●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration ²		●
Audi side assist – blind spot warning system ²		●
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring ²		●
Park assist with parking system plus assists driver by taking over steering, maneuvering, braking and gear shifting; features acoustic signals with virtual lane display ² ; with front and rear parking sensors		●
Audi pre-sense front with Autonomous Emergency Braking (AEB) – provides collision mitigation up to 85 km/h (pedestrians and cyclists) and up to 250 km/h (vehicles) ²		●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected from the rear ²		●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ²		●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents ²		●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h ²		●
Exit warning system – detects cars and cyclists when opening doors		●
Light and rain sensor – automatic control of lights-on function and windscreen wipers		●
Predictive efficiency assistant ²		●
Provision for trailer towing hitch		●
Turn assist – monitors oncoming traffic when turning right at low speeds ²		●
Exterior features		
Privacy glass – dark tinted rear and rear side windows		●
Black exterior styling package – adds black highlights around the Audi Singleframe, the trim strips on the side windows and the front and rear bumpers. Includes exterior mirror caps in high-gloss black		●
Audi rings and badging in gloss black (RS rhombus in red)	4ZP	□
Convenience key, full keyless entry and start		●
Electric rear tailgate with programmable opening height and gesture control		●
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side; includes heated washer jets		●
Power assisted door closure – automatically pulls doors that are not completely engaged into the locks		●
Sunroof – 2-section, panoramic, tinted glass, electrically tilting and opening with electric sun shade		●
Roof rails in aluminium (including roof cross bars; only available in combination with aluminium exterior styling package)	3S1	□
Roof rails in black (including roof cross bars; only available in combination with black exterior styling package PAH)	3S2	□
RS body styling including front and rear bumpers, honeycomb grille and side air inlets and rear tailgate spoiler		●
Audi HD Matrix LED headlights with front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, static cornering light, synthetic cornering light with dark tinted headlights as part of high-beam assist and automatic-dynamic headlight range control. This also features an innovative and unique lighting design that is demonstrated in the front and rear lights with a Coming home and Leaving home animation, automatic-dynamic headlight range control		●

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Standard equipment and options

	Option Code	RS Q8 quattro
Seating and upholstery		
Electric seats for driver and front passenger including adjustment of seat height, fore/aft position, seat angle and backrest angle; electric lumbar support and memory function for both front seats		●
RS sport front seats with integrated head restraints		●
Valcona leather upholstery with RS embossing on seat centre panels in perforated leather with honeycomb pattern, seat side bolsters, head restraints and centre armrest, front in Valcona leather		●
Heated front and rear seats; adjustable in three stages		●
Seat ventilation for front seats; adjustable in three stages		●
Seat massage for front seats		Included in Sensory package
Extended leather package The following items upholstered in fine Nappa leather:		
▶ Centre console		
▶ Door armrests		
▶ Dashboard; upper instrument panel		●
▶ Door rails		
Includes:		
▶ Electric sunblind for rear side windows and manual sunblind for rear window		
Inlays		
Inlays in matt aluminium race, anthracite		●
Inlays in carbon twill structure, matt	5MH	□
Interior features		
4-zone climate control – separately adjustable temperature and air distribution settings for left and right-hand sides at front and rear; rear touchscreen display. Additional air vents for rear passengers in B pillars		●
Air quality package – includes 2 fragrances and air ionisation to improve the air in the cabin		●
Auto dimming interior mirror, frameless		●
Control buttons in black gloss look with haptic feedback		●
Extended aluminium look for control buttons		●
Illuminated door sill trims, front with aluminium inlay and RS logo		●
LED colour interior lighting package including ambient lighting with 30 selectable colours and 6 colour profiles – includes courtesy lighting in the exterior door handles, entrance lighting, footwell lighting at front and rear, inside door handles, and ambient lighting of the door trims and instrument panel		●
RS sport leather steering wheel with multifunction, shift paddles and heated function		●
Electric steering column adjustment with automatic entry & exit function and memory		●
Headlining in black cloth		●
Alcantara headlining in black		Included in Sensory package
Comfort front centre armrest with adjustable fore/aft position and angle		●
Electric luggage compartment cover		●

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Standard equipment and options

Infotainment		
Audi connect <i>plus</i> Navigation & Infotainment^{#3} services including:		
▶ Online traffic information with hazard alert		
▶ Destination entry via myAudi or Google Maps		
▶ Parking information		
▶ Weather		
▶ Fuel prices		
▶ Google services		●
Audi connect <i>plus</i> Security & Assistance^{#4} services including:		
▶ Car finder with remote signal		
▶ Remote lock & unlock		
▶ Emergency call		
▶ Online roadside assistance		
Audi virtual cockpit – fully digital configurable instrument cluster with 12.3 inch high resolution colour display		●
Audi smartphone interface – connects to Apple CarPlay and Android Auto via USB to access approved apps via the MMI interface; includes wireless Apple CarPlay ⁵		●
Audi phone box light – supports wireless charging via the “Qi” standard for compatible smartphones and smartphone covers, and up to two Bluetooth connections ⁵		●
Audi music interface – 2 x USB inputs in front, 2 x USB inputs in rear with charging and data transfer functionality		●
Bang & Olufsen 3D Sound System, sound reproduction through 17 loudspeakers, including 3D sound loudspeakers, centre speaker and subwoofer, 16-channel amplifier with a total output of 730 watts		●
Bang & Olufsen Advanced 3D Sound System – sound reproduction via 23 loudspeakers including 3D sound, front and rear; loudspeakers, centre speaker and subwoofer each with their own separate power amplifier and exclusive loudspeaker covers in aluminium; centre speaker and 2 automatically extending acoustic lenses on the instrument panel with a total output of 1,920 watts	BRF	Included in Sensory package
DAB+ Digital radio ⁶		●
Head up display – in colour with speed, navigation and assistance information		●
MMI navigation <i>plus</i>⁷ with MMI touch, acoustic and haptic feedback including:		
▶ High-resolution 10.1 inch colour display for navigation system		
▶ High-resolution 8.6 inch colour display for climate control functions and with handwriting recognition and favourites list		
▶ Voice control with natural speech recognition		●
▶ 3D map display including places of interest and city models		
▶ MMI search: free-text search with intelligent destination suggestions		

● = Standard | ◻ = Optional equipment | – = Not available | NCO = No cost option

Please note that this is a preliminary specification sheet and the information contained within it can change without notice prior to launch of the vehicle. This should only be used as an ordering guide only.

^{#A} Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[#] The content and scope of the Audi connect *plus* services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect *plus* services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsofservice for more information. Additional information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy

- Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly
- Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.
- Audi connect *plus* Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. If Audi connect *plus* services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.
- Audi connect *plus* Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.
- Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.
- Digital radio reception coverage dependent on vehicle location.
- MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicle pictured is an overseas RS Q8 with optional equipment.
