Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

FUTURE READY FOR GROWING FAMILIES

Brand-New Mazda CX-8 Diesel brings a level of sleek design and diesel performance and efficiency that you wouldn't expect in a seven-seat SUV. Featuring all the luxury and technology Mazda SUVs have become known for, as well as the latest in advanced safety technology, you'll discover an outstanding SUV experience for growing families.

Asaki in Machine Grey Metallic.

THE STREAMLINED SEVEN-SEAT SUV

Mazda's stunning KODO Design language is at the heart of every Mazda SUV. Brand-New Mazda CX-8 Diesel is the latest example, offering the spacious versatility of a large SUV but with smaller dimensions that don't compromise on interior space or cabin comfort.

Concentrating on proportions, form and fine details, the long flowing lines create a strong, mature and dignified road presence. The addition of features such as roof rails and a low and bold front-end design convey a unique combination of elegance and power.

Asaki in Dark russet nappa leather.*

LUXURY AND TECHNOLOGY COME TOGETHER

Sit back and relax in the perfect blend of high-quality finishes and intuitive connectivity. Take control in the thoughtfully designed cockpit that wraps snugly around the driver, with all major controls laid out in perfect symmetry.

Enjoy a seamless driving experience delivered by the Active Driving Display, which projects information directly onto the windshield, while your passengers sink into the premium, nappa leather* seats in a perfectly climate controlled cabin.

* Leather interior includes some Maztex material on selected high-impact surfaces.

Asaki in Machine Grey Metallic.

EXPERIENCE THE DIESEL DIFFERENCE

Whether you've driven a diesel engine or not, you'll be impressed with the performance and efficiency Brand-New Mazda CX-8 Diesel delivers. Clean, efficient and quiet, the SKYACTIV-D engine is complemented by an automatic transmission designed to be incredibly responsive.

Brand-New Mazda CX-8 Diesel also features SKYACTIV-VEHICLE DYNAMICS – a series of technologies that integrate the engine, transmission, chassis and body to truly connect the driver to the SUV.

THRILLING PERFORMANCE. OUTSTANDING EFFICIENCY

Brand-New Mazda CX-8 Diesel is powered by the SKYACTIV-D 2.2L engine, which adopts the latest in engine technologies. This new engine responds quickly and precisely to offer great responsiveness and powerful acceleration.

With an SUV this size, fuel economy is always a priority. Brand-New Mazda CX-8 Diesel offers some of the best economy figures in its class, using as little as 5.7L per 100km*.

*Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

SKYACTIV-D 2.2L DIESEL ENGINE

The clean-running SKYACTIV-D 2.2L engine offers outstanding torque and exhilarating performance delivered right up to high engine speeds. The compression ratio of 14.4:1 means less friction and inertia for higher revving and more exciting power. It also features a Natural Sound Smoother and Natural Sound Frequency Control, which reduces and suppresses knocking noise. It all adds to a smooth, quiet drive.

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

Mazda's i-ACTIV AWD is a predictive, on-demand AWD system that anticipates front-tyre slip and applies just enough torque to the rear wheels to prevent slipping from occurring. It does this via 27 sensors, which constantly monitor the road surface, outside conditions, driver operation and vehicle condition. Analysing this information 200 times per second, the system helps ensure a stress-free drive in a wide range of conditions.

SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

The 6-speed automatic transmission combines the best attributes of conventional automatic, continuously variable and dual-clutch transmissions while a new gear-shift control predicts operating intentions. When paired with a diesel engine it features a torque-limiter that controls the speed of the clutch pedal.

SKYACTIV-BODY

Mazda's SKYACTIV-BODY simultaneously achieves high levels of usually conflicting attributes such as collision safety, light weight and rigidity. The latest Computer Aided Engineering (CAE) analysis was used for efficient reinforcements, and ultra-high tensile steel has been adopted for lightness and strength. This means that rigidity is increased by approximately 15.5%, reducing response delay of the body to steering operations.

SKYACTIV-CHASSIS

Every component has been designed to create an unrivalled sense of oneness between car and driver. The steering system's structure has been optimised to achieve both excellent vibration insulation and high rigidity. The suspension has been revised, millimetre by millimetre, to achieve a gentler and higher-quality ride. This improved suspension means the braking system has also evolved to achieve shorter braking distances with outstanding performance.

THE FUTURE IS WELL CONNECTED

Brand-New Mazda CX-8 Diesel brings the latest connectivity and infotainment to everyone on board. Mazda's advanced MZD Connect system allows you to safely access your compatible[§] smartphone's contacts, social media and music. All of this information, as well as Sat Nav can be accessed on the 7-inch touch screen from the multi-function commander dial located in the centre console. Everyone's audio needs are covered too. The exceptional 10-speaker Bose[®] system on Asaki grade, is integrated seamlessly throughout the cabin - providing clear audio from the front row to the third.

Leather interior includes some Maztex material on selected high-impact surfaces.

§ Please check the compatibility of your Bluetooth[®] device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

Asaki in Pure white nappa leather.*

SPACE TO GROW INTO

With growing families there's always a lot to bring along for the ride. Brand-New Mazda CX-8 Diesel handles all your storage needs with ease. If you don't need seven seats, the third row folds down to provide 775L of cargo space. That's enough to fit all your gear for a day trip or a weeks-long family holiday. For extra storage, there's also a clever new sub-trunk below the trunk board that features a large opening and a depth of 100mm.

Gaining access to all this space is easy with a power liftgate, standard on the Asaki model, that operates with just one touch.

* Leather interior includes some Maztex material on selected high-impact surfaces.

KEEP THE FUTURE GENERATION PROTECTED

The safety of your family is not only your priority, it's ours too. Brand-New Mazda CX-8 Diesel puts safety at its heart with every safety innovation Mazda has to offer. The newest safety feature is an innovative 360° View Monitor,[†] which merges images from four cameras located around the vehicle onto a central display. This gives the driver a complete 360° view of what's around the vehicle, enabling them to visually confirm the distance of all obstacles, available on Asaki.

[†] Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Asaki in Machine Grey Metallic.

READY TO REACT

If unexpected hazards appear suddenly, Dynamic Stability Control (DSC) acts instantly, braking the inner wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

SAFETY REFLEX

Trailer Stability Assist (TSA) adjusts braking and torque to correct any side-to-side swinging movement of towed loads.

ENJOY THE RIDE

By finely controlling engine torque based on the steering and accelerator inputs of the driver, G-Vectoring Control (GVC) improves both handling for the driver and ride quality for the passengers around corners.

PEACE OF MIND BUILT-IN

Brand-New Mazda CX-8 Diesel features the full suite of Mazda's i-ACTIVSENSE advanced safety technologies, which are designed to help you recognise potential hazards, avoid collisions and minimise the severity of accidents when they're unavoidable! Many of these features are standard on all grades such as Traffic Sign Recognition (TSR), which detects speed limit, no entry and stop signs and displays them on the Active Driving Display. Each grade also receives Blind Spot Monitoring (BSM), Mazda Radar Cruise Control (MRCC) and Driver Attention Alert (DAA), to name a few. Higher grades receive even more safety technology such as Adaptive LED Headlamps (ALH).

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

BLIND SPOT MONITORING (BSM)

By scanning external mirrors' blind spots, radars detect any unseen vehicles to help you avoid making hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts. Standard across the range.

SMART CITY BRAKE SUPPORT (SCBS)

Helps prevent or lessen low-speed impacts. Now with pedestrian detection, SCBS monitors the vehicle in front to assess the possibility of a collision at forward speeds of 4-80km/h. If the system detects a high risk of impact, it issues visual and audible warnings and primes the brakes for faster response, should the driver brake. If the driver does not brake, the brakes are applied automatically. SCBS also works in reverse at speeds of 2-8km/h. Standard across the range.

REAR CROSS TRAFFIC ALERT (RCTA)

RCTA assists you when you're reversing from a parking space, warning if a car is approaching from either side of your vehicle. The LED icon on both mirrors is accompanied by a beeping alert. Standard across the range.

HIGH BEAM CONTROL (HBC)

Detects oncoming and preceding vehicles and automatically switches between high and low beams during night driving. This makes it easier for the driver to recognise hazards and helps avoid dazzling other drivers. Available on Sport only.

TRAFFIC SIGN RECOGNITION (TSR)/INTELLIGENT SPEED ASSISTANCE (ISA)

The Traffic Sign Recognition System recognises stop, no entry and speed limit signs using the forward-sensing camera while driving. The detected speed limit is shown on the Active Driving Display. If the driver exceeds the speed limit, the traffic sign indication on the display flashes three times and a warning sound alerts the driver. Intelligent Speed Assistance can also use this information to limit the speed of your vehicle dynamically with the press of a button. Standard across the range.

MAZDA RADAR CRUISE CONTROL (MRCC) WITH STOP & GO FUNCTION

Mazda Radar Cruise Control (MRCC) automatically adjusts vehicle speed to maintain a safe distance from the car ahead. It's able to bring the car to a complete stop and take off again in heavy traffic if the stop is less than 3 seconds. If a complete stop exceeds 3 seconds, the car waits for the driver to initiate acceleration. Standard across the range.

LANE DEPARTURE WARNING (LDW)/LANE-KEEP ASSIST SYSTEM (LAS)

Using a windscreen-mounted camera to monitor road lane markings, LDW sounds an audible warning if you're about to stray from your lane. LAS will act if it determines the vehicle is going to leave its lane by applying a degree of corrective steering. Standard across the range.

FORWARD OBSTRUCTION WARNING (FOW)/SMART BRAKE SUPPORT (SBS)

Operating at 15-160km/h, the system monitors the distance to vehicles in front and their speed. FOW senses if a collision is likely and prompts you to take evasive action via audible and visual alerts. If SBS senses a high risk of impact, it applies initial pressure to the brakes, enabling faster response, should you brake. If you take evasive action, SBS deactivates. If no evasive action is taken, the brakes are applied automatically. Standard across the range.

ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend the vision area. Standard on Asaki.

CX-8 SPORT

Sport in Soul Red Crystal Metallic.

SPORT FEATURES

- » 17-inch alloy wheels with 225/65 tyres
- » Headlamps (LED) with auto on/off function
- » Power mirrors (body coloured with heating and auto-folding function)
- » Wipers front 2-speed with rain-sensing function
- » Active Driving Display
- » Air-conditioning (three-zone climate control) with independent rear control
- » Rear-view mirror with auto-dimming function
- » Rear seats with: Centre armrest storage and USB charging ports (2nd row)
- » Seat trim: Black cloth
- » 7-inch touch screen display (MZD Connect)
- » Audio system with AM/FM tuner, Bluetooth® capability[§] Digital radio (DAB+) and 6 speakers
- » Satellite navigation
- » Blind Spot Monitoring (BSM)[†]
- » High Beam Control (HBC)[†]
- » Intelligent Speed Assistance (ISA)[†]
- » Lane-keep Assist System (LAS)[†]
- » Mazda Radar Cruise Control (MRCC) with Stop & Go function[†]
- » Parking sensors (Rear)[†]
- » Rear Cross Traffic Alert (RCTA)[†]
- » Reverse camera[†]
- » Smart City Brake Support [Forward/Reverse] (SCBS F/R)[†]
- » Traffic Sign Recognition (TSR)[†]

POWERTRAIN

SKYACTIV-D

- » 2.2 litre in-line 4 cylinder 16 valve DOHC intercooled twin turbo diesel (SKYACTIV-D) engine with i-stop
- » Drivetrain: FWD or i-ACTIV AWD
- » Fuel consumption (combined): 5.7L/100km* (FWD) or 6.0L/100km* (AWD)
- » Maximum power: 140kW @ 4,500rpm
- » Maximum torque: 450Nm @ 2,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

[†] i-ACTIVSENSE, other safety technologies and driver-assistance features do not replace the driver's judgement, and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

* Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

STAY FOCUSED

The full-colour Active Driving Display projects key information such as speed limits and traffic signs directly into your line of sight.

THREE ZONES OF COMFORT

The three-zone climate control enables driver and passenger to set their own temperature. The rear rows feature their own automatic system, meaning everyone is comfortable.

CONNECT TO THE WORLD

Your MZD Connect infotainment system features a 7-inch colour screen with Bluetooth® capability[§] DAB+ digital radio and Sat Nav with advanced lane guidance.

STRESS-FREE CRUISING

Mazda Radar Cruise Control with Stop & Go function means you'll always keep a safe distance from the vehicle ahead. Perfect for stop-start traffic.

CX-8

ASAKI

Asaki in Snowflake White Pearl Mica.

ASAKI FEATURES

ADDITIONAL TO SPORT

- » 19-inch alloy wheels (bright) with 225/55 tyres
- » Daytime running lamps (LED)
- » Front fog lamps (LED)
- » Remote-operated power tailgate (open/close)
- » Heated steering wheel function
- » Front seats with: 2-position memory function (driver), 6-way power adjustment (passenger), 10-way adjustment (driver) and heating function
- » Rear seats with: Heating function (2nd row outer)
- » Rear door window sunshade
- » Seat trim: Dark russet or Pure white nappa leather*
- » Premium Bose® 273-watt amplifier and 10 speakers (including subwoofer)

- » Real wood door and dashboard trim inserts
- » 360° View Monitor†
- » Adaptive LED Headlamps (ALH)†
- » Advanced keyless entry
- » Parking sensors (front)†

POWERTRAIN

SKYACTIV-D

- » 2.2 litre in-line 4 cylinder 16 valve DOHC intercooled twin turbo diesel (SKYACTIV-D) engine with i-stop
- » Drivetrain: i-ACTIV AWD
- » Fuel consumption (combined): 6.0L/100km* (AWD)
- » Maximum power: 140kW @ 4,500rpm
- » Maximum torque: 450Nm @ 2,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

* Leather interior includes some Maztex material on selected high-impact surfaces.

† i-ACTIVSENSE, other safety technologies and driver-assistance features do not replace the driver's judgement, and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

* Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

SOUNDS AMAZING

The 10-speaker Bose® audio system features a 273 watt amplifier and subwoofer delivering even, crystal clear audio to all three rows.

POWER UP AND DOWN

The power liftgate offers you plenty of convenience and saves time when loading and unloading your cargo.

THE COMPLETE PICTURE

The 360° monitor employs four cameras to give you a complete aerial view of your surroundings so you can manoeuvre easily and safely!‡

A WARM WELCOME

Enjoy heated front and rear seats as well as a heated steering wheel providing optimum comfort during the cooler months.

ENJOY MAZDA CX-8 WITH CONFIDENCE

REST ASSURED – YOUR WARRANTY

The quality built into Mazda CX-8 is backed up by a 5 year, unlimited kilometre factory warranty and 6 year panel protection warranty.*

MAINTAIN THAT ZOOM-ZOOM

Your Mazda CX-8 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

HELP IS AT HAND – MAZDA ROADSIDE ASSISTANCE

Flat batteries, running out of fuel, flat tyres – everyone faces hiccups from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, all round Australia. Better still, your Mazda will only be worked on by Mazda-approved technicians. Choose a Standard policy offering everything needed to get going again, or Premium with extras like accommodation, a rental car and vehicle recovery. Either can be purchased across the entire Mazda range. (Terms and conditions apply.)

* New 5 year unlimited kilometre warranty available on all brand new vehicles purchased from 1 August 2018. For full terms and conditions please visit <https://www.mazda.com.au/owners/warranty/>

CX-8

ZOOM-ZOOM

MAKE YOUR MAZDA EVEN MORE REWARDING

The future ready Mazda CX-8 Diesel is an already amazing drive. With Mazda Genuine Accessories, that experience can be even better. Now you can add individuality while protecting your investment. They also add superb design, quality, and safety, along with the confidence of a Mazda warranty. Mazda Genuine Accessories let you add even more Zoom-Zoom.

FEATURED HERE

- Rear mud guards
- Roof racks
- Slimline weathershields
- Tow bar

WELCOME ILLUMINATION

Welcome lighting radiates soft blue illumination from both front foot wells, while select additions enhance the sense of occasion.

CARPET FLOOR MATS

Protect your carpet with these high-quality, tailor-made branded floor mats. Fastening system enhances safety. (Includes third row seat)

SEAT COVERS (FRONT)

Protect your front seats with these comfortable yet ultra-tough neoprene covers.

SEAT COVERS (REAR)

Made from durable, waterproof neoprene material, these fitted covers keep your seats free from dirt and grime.

CARGO ILLUMINATION AND CARGO NET

Mazda Genuine Cargo lighting allows for a clearer view of your vehicle's load compartment with additional LED lights. The cargo net helps prevent items from sliding into the second row. (Items sold separately)

BOOT LIP PROTECTOR

Shield your rear bumper and trim from scuffs and other damage with this protector that's easy to use and store.

ILLUMINATED SCUFF PLATES

Protect the inside of your doors with these practical scuff plates. Illuminated to add a personal touch.

TOW BAR

2,000kg braked towing capacity, 100kg maximum tow ball download limit (subject to State or Territory regulations) and detachable tongue kit.

CARGO TRAY

A durable custom-fitted tray with raised edges to protect the load compartment from spills, dirt and scratches.

REAR SEAT ENTERTAINMENT HOLDER FOR iPad®

Keep rear seat passengers entertained with this convenient holder for your iPad®

FEATURED HERE

- Smoke bonnet protector
- Front mud guards
- Front parking sensors
- Headlight protectors
- Roof racks
- Slimline weathershields

Asaki in Snowflake White Pearl Mica.

UNIVERSAL CARRIER

This streamlined and easy-to-use carrier allows you to bring all sorts of objects safely and securely.

BIKE RACK (WHEEL ON)

Bring your other wheels along without having to remove one.

BIKE RACK (WHEEL OFF)

Makes it easy to take your bike along for the ride.

KAYAK HOLDER

The perfect solution for transporting kayaks or canoes.

MOBILE PHONE HOLDER

Safe, stylish and compatible with many popular phones, this gives drivers easy phone visibility and access. Allows portrait or landscape use.

RETRACTABLE USB TO TYPE C CABLE

The perfect way to stream music. Charge your phone or track its data - all from the convenience of your vehicle's audio controls.

REAR WINDOW SHADES

Protect passengers and cargo from the sun. Set covers both rear passenger windows.

COLLAPSIBLE SUN SCREEN

Keep your vehicle cool and protect the interior from the sun's harmful rays.

MUD GUARDS (FRONT)

Keep bodywork free of mud and road grime. (Rear guards also available)

MUD GUARDS (REAR)
