

THE ALL NEW
MG ZS EV

ELECTRIC FOR EVERYONE

ELECTRIC FOR EVERYONE

The new MG ZS **EV** is the family friendly electric car, designed for those who want all the advantages of a zero emissions vehicle without compromising on practicality or style.

Powered by a 44.5kWh, liquid-cooled, lithium-ion battery, delivering 353Nm of instant torque and with 105kW of power, you'll have real electric acceleration, and can enjoy a driving range of up to 263 kilometres from a single charge* on the WLTP combined cycle.

Charging the new MG ZS **EV** could not be simpler thanks to its CCS and Type 2 ports, mounted within the front grille for easy access from either side of the car.

On the go, the MG ZS **EV** can be rapid charged to 80% in just 45 minutes from a DC rapid charging point.

Charging can also be done overnight at home on a 7kW domestic charger, with a full charge taking only 7 hours.

*From a single charge on the WLTP combined cycle. Provisional data at time of going to print. Combined Range: 263 km; Combined Driving Efficiency: 18.6kWh/100km.

Charging made simple

17" unique alloy wheels

LED headlights

Multi-function digital display

8" infotainment touchscreen

Panoramic Stargazer Sunroof

Simple to use automatic transmission with three driving modes

Spacious and comfortable interior

ALL THE SPACE YOU NEED

Inside, there are beautifully soft materials, and stitched leather effects for that extra luxury. There's also an 8" colour touchscreen with Apple CarPlay™ and Android Auto™ allowing for seamless integration with your own technology. Six speaker surround sound audio, keyless entry and satellite navigation further enhance the level of technology found within this family friendly electric SUV.

As the most technologically advanced MG ever, driver personalisation has been taken to a new level, and can be configured in multiple ways... The ZS **EV** is equipped with three levels of regenerative braking, which extends your driving range, improves the braking efficiency and energy conservation.

There are also three driving modes on the new MG ZS **EV** — Eco, Normal and Sport, allowing the car to fully adapt to your everyday driving needs.

100% ELECTRIC

Benefitting from our extensive experience in the manufacture of electric cars and batteries, the ZS EV pairs beautiful design with outstanding technology.

Managed by MG's Intelligent Battery Temperature Control system, the battery pack is insulated from external temperature variations, delivering the optimum power and range whatever the weather.

Designed to achieve dynamic handling and chassis feel, the ZS EV's powertrain has been intelligently packaged to achieve a low centre of gravity.

Housed underneath the passenger compartment as part of the ZS EV's flat-floor architecture, the balanced distribution of weight keeps the ZS EV planted to the road through the corners. The ZS EV delivers 353Nm of instant torque and with 105kW of power.

THE NEW STANDARD IN SAFETY

At MG, innovation runs deep.

So, when it comes to safety, we've gone above and beyond in the all new ZS EV by incorporating all the latest safety technology into a single platform we call MG PILOT.

With its 10 Active Driver Safety features as standard, MG PILOT is constantly sensing your surroundings, on the lookout for unseen hazards. With the ability to react autonomously in situations where driver safety is at risk, take comfort that you and your family are backed by a new level in safety intelligence.

With 6 SRS airbags on every grade, the all new MG ZS EV is the new standard in safety.

INTELLIGENT SPEED LIMIT ASSIST

Actively detects speed limit signs and alerts you to your current vehicle speed.

TRAFFIC JAM ASSIST

Detects heavy traffic and automatically follows the vehicle in front, controlling acceleration, braking and steering within the lane.

REAR CROSS TRAFFIC ALERT

Alerts you of approaching vehicles and pedestrians when reversing out of parking spaces.

ADAPTIVE CRUISE CONTROL

Detects the front vehicle position and keeps a safe distance between your HS and the car in front.

ACTIVE EMERGENCY BRAKING

Senses impending collisions and applies the brakes to help avoid or lessen impact.

LANE KEEP ASSIST

Alerts the driver when the ZS **EV** is getting too close to the lane edge.

INTELLIGENT HEADLAMP CONTROL

When driving at night or in low light conditions, the forward-facing camera detects the environmental circumstances and will automatically switch your headlights between regular and high beam for you.

BLIND SPOT DETECTION

Registers objects in hard-to-see areas to help you change lanes safely.

The all new MG ZS **EV** comes with an 8-year/160,000km battery warranty, 5-year unlimited kilometre warranty plus 5-year roadside assist battery warranty, offering maximum assurance and peace of mind.
