# Everest Wildtrak

Don't worry about service.  
That's our job.

Fit your Ford with  
insurance made for it.

### Know what you'll pay

When you buy a new Ford, you'll know exactly how much each of your first four general car services will cost.

### Service made easier

We have great offerings that make servicing more convenient, like loan cars<sup>1</sup>, pick up and drop off<sup>2</sup>, Express Service<sup>3</sup> and online booking.

### Roadside Assistance<sup>4</sup>

When you purchase a new Everest, you receive Ford National Roadside assistance for 12 months. You also receive Ford National Roadside assistance for 12 months each time a general service is completed with a participating dealer, until your vehicle reaches 7 years of age.

### New Genuine Ford Parts<sup>5</sup>

Look after the integrity of your vehicle, by using only New Genuine Parts, when possible.

### Automatic off-road cover<sup>7</sup>

Enjoy peace of mind with automatic off-road coverage included.

### Dealer fitted accessories<sup>6</sup>

Accessories which are fitted on your vehicle by a dealership are automatically included.

### Removal of excess for glass damage<sup>8</sup>

The Standard Excess under your policy won't be applied for windscreen, sunroof or window glass only claims.

Clarity for the road ahead.

Genuine & Licensed  
Accessories

Whether you're upgrading, switching models, or buying your first Ford, Ford Finance is here to shorten the distance between you and your next vehicle. Talk to one of our dealers to understand the benefits of choosing Ford Finance.

### Steps to get behind the wheel

#### Estimate repayments

Using the repayment estimator

#### Shop for vehicles

Explore the options

#### Finance with clarity

Get a personalised quote or apply for finance at your preferred Dealership.

There's no better way to personalise your Ford than with the wide range of Ford accessories available for every model.

From seat covers and floor mats, to bull bars, you'll find lots of options to make your Ford uniquely your own at one of our nation-wide Dealers.

\*For full details, please visit our Warranties page at <https://www.ford.com.au/owners/warranties/>

### Genuine Quality

Every Ford Genuine accessory is fully compatible with your vehicle for optimal integration and performance.

### Five Year Warranty

Enjoy complete peace of mind with all Ford Genuine and Ford Licensed Accessories, backed by a full Ford Warranty of up to 5 Years and unlimited kilometres.\*

### Australia Wide

Our vast national network of Ford Dealers means there's a fitment centre conveniently located near you.

| Locking Rear Differential                                                                 | S    |
| Wheels                                                                                    |      |
| 20" Alloy w/ All-Season Tyres                                                             | S    |
| Spare Wheel - 20" Alloy                                                                   | S    |

**S** = Standard    **O** = Factory Option that can be ordered before a vehicle is manufactured at an additional cost  
**P** = Factory Options as part of a pack that can be ordered before a vehicle is manufacturedand at an additional cost.    **NCO** = No Cost Option

**Disclaimer:**  
1. AdBlue® diesel exhaust fluid is required. AdBlue® is a registered trademark of VDA Verband der Automobilindustrie e.V.   2. Intended for off-road use only   3. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, options and accessories, condition and use.   4. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight. Vehicle dimensions/weights are approximate and subject to individual variances. Vehicles should be weighed before adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM) and Gross Combined Mass (GCM) are not exceeded.   5. All payloads are calculated by deducting the vehicle's Kerb Weight from its Gross Vehicle Mass (GVM). Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with factory fitted optional equipment included. Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Masses are not exceeded.   6. Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value.   7. 800mm Water Wading achieved when maintaining a steady speed of 7 km/h.   8. Measured laden to roof, using VDA methodology.

**S** = Standard    **O** = Factory Option that can be ordered before a vehicle is manufactured at an additional cost  
**P** = Factory Options as part of a pack that can be ordered before a vehicle is manufacturedand at an additional cost.    **NCO** = No Cost Option

Disclaimer:

**9.** Zone Lighting will not operate if battery charge is insufficient. The length of time that Zone Lighting will operate depends on the battery charge, the types of lights fitted to the vehicle (LED or Bulb) and other electrical loads connected to the vehicle. The system will automatically turn off after a period of time to preserve the battery's engine starting performance. **10.** Wireless Charging only available with compatible phones. **11.** Use of Ford app is subject to the Ford app Terms and User Guide and Ford app Privacy Collection Notice, which are available on <https://www.ford.com.au/privacy> and requires a compatible mobile device, internet access and software (including software updates from time to time). The Ford app functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and the Vehicle's Modem can only work when both are connected to the telecommunications network. The Vehicle's Modem will only function on the telecommunications networks it could use at time of manufacture. When all compatible networks for the modem in your vehicle are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that the Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. If the Ford app is unavailable, the ability to lock or unlock your vehicle remotely could be limited, and a physical key might be needed. Always keep your key with you to ensure you can access your vehicle at all times even if the Ford app is unavailable. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **12.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **13.** Connected Built-In Navigation services require SYNC 4A, vehicle's modem, and the Ford app (Ford app terms apply). Eligible vehicles receive a 1-year connected navigation service that begins on the new vehicle warranty start date. Connected services depend on compatible network availability, including access to the 3G/4G telecommunications networks. **14.** Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4A features are compatible with all phones. For compatibility, see [ford.com.au/sync](https://ford.com.au/sync). **15.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.

| Premium Towing Pack - Tow Bar with Hitch, Integrated Trailer Brake Controller, Trailer Connection Alarm, Blind Spot Monitoring with Trailer Coverage & Pro Trailer Backup Assist <sup>29</sup> | O   |

**S** = Standard    **O** = Factory Option that can be ordered before a vehicle is manufactured at an additional cost  
**P** = Factory Options as part of a pack that can be ordered before a vehicle is manufacturedand at an additional cost.    **NCO** = No Cost Option

**Disclaimer:**  
**16.** Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. **17.** Driver- assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. iACC uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator. Customers should read the Owner's Manual for full details of the limitations of the iACC system before activating the system. **18.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **19.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Only works with a genuine factory fit Ford Tow Bar. **20.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Evasive Steer Assist does not control steering. See Owner's Manual for details and limitations. **21.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Designed for use on rural roads at speeds of 65 – 110km/h. The feature does not detect every edge and does require a level of contrast between the road surface and the edge. **22.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Pre-collision Assist with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. It does not replace safe driving. See Owner's Manual for Limitations. **23.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. Please see the Owner's Manual for precautions and limitations. **24.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Factory Options can be ordered before a vehicle is manufactured at additional cost. **25.** Drivers are responsible for maintaining the correct legal speed limit at all times and should not rely solely upon the Traffic Sign Recognition system. **26.** Maximum towing capacity-braked using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. **27.** Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and Trailer Connection Alarm. To use the Trailer Brake Controller, drivers must set the gain on the Brake Controller unit. **28.** Intended for off-road use only. **29.** Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.
