Seat belt reminders for all passengers	●
Tyre pressure monitoring system with individual tyre pressure and temperature display	●

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

# Figures are calculated on the basis of 20 inch wheels. Fuel consumption, CO<sub>2</sub> emission data, energy consumption and range figures (as applicable to the vehicle in question) are derived from laboratory testing in accordance with ADR 81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

● = Standard | ◻ = Optional equipment | – = Not available | NCO = No cost option

# Figures are calculated on the basis of 20 inch wheels. Fuel consumption, CO<sub>2</sub> emission data, energy consumption and range figures (as applicable to the vehicle in question) are derived from laboratory testing in accordance with ADR 81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car’s unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

4 Digital radio reception coverage dependent on vehicle location.

5 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicle pictured is a TT RS Coupé overseas model with optional equipment for which an additional cost applies.
