

*ODYSSEY*

**5 YEAR** UNLIMITED KM WARRANTY

**THE HONDA ODYSSEY.**  
BRING JOY TO YOUR PEOPLE.

VTI-L shown in Platinum White Pearlescent.

# ALL TOGETHER NOW.

Overseas model shown.

VTi shown.

Flexible layout

From bundles of joy to beloved grandparents, the Honda Odyssey ensures enjoyment for all. Because the family that rides together, makes memories together.

The Odyssey not only has the space for growing families, but the features to keep everyone happy while you roll down the road. One touch power sliding doors make entering and exiting effortless. Inside, there's a flexible seating layout that's easily adaptable to any size family. And for those looking for an extra bit of luxury, the VTi-L model is equipped with two roomy captain's chairs\* in the second row.

As you're riding along you'll find that conversations really flow – thanks to a cleverly-placed conversation mirror. You'll also find there's little fuss over the interior temperature with a tri-zone climate control system.\* Because everyone knows it's a whole lot easier to enjoy your time together when everyone feels completely comfortable and right at home.

# A JOY TO DRIVE.

The joy of moving you moves us. Which is why we designed the Honda Odyssey to bring as much joy to the driver as it does the passenger.

From its car-like handling, to the many ways it keeps you connected to the outside world, the Odyssey is far more than a people mover.

An integrated sat-nav system\* makes sure you and your family are always pointed in the right direction, while an infotainment system keeps everyone aboard happy no matter how long the drive.

From the driver's point of view, an easy-to-read digital driving display keeps you informed and up-to-date at all times. While a multi-angle reversing camera helps ensure everything is clear before you take off. So whether you're running errands or road-tripping with the family, you're sure to find the Honda Odyssey a pure joy to drive.

# SAFETY FOR YOUR PEOPLE.

Nothing is more important than your family's safety. That's why the Honda Odyssey is packed full of clever and cutting edge safety technology to protect you and your precious cargo.

First, there's Honda Sensing\* – an intelligent suite of driver assist technologies designed to get you where you're going safely. Then there's the rear cross traffic alert\*, blind spot alert\* and a 360-degree multiview camera\* for all around safety. You'll also find 6-airbags as

well as ISOFIX child safety seat attachments\*. And to top it all off, there's even smart parking assist\* that automatically guides the Odyssey into any standard parking space with ease.

This all adds up to a 5-star ANCAP safety rating – the highest possible assessment a car can receive. So you can rest easy and focus on your family and the road ahead.

# Honda SENSING

## REACTS TO A HAZARD BEFORE YOU MIGHT

### FORWARD COLLISION WARNING

By constantly keeping an eye out for vehicles ahead, Forward Collision Warning (FCW) reduces the stress of driving in heavy traffic. If the system determines that a collision may occur, you'll be given an instant visual and audible alert to help you avoid whatever is in your path.

### COLLISION MITIGATION BRAKING SYSTEM

If you happen to miss the Forward Collision Warning and a collision is likely, the Collision Mitigation Braking System (CMBS) will go one step further by applying the brakes. This helps to mitigate the severity of an accident.

## KEEPS YOU IN A SAFE POSITION

### ROAD DEPARTURE MITIGATION SYSTEM & LANE KEEPING ASSIST SYSTEM

If the Road Departure Mitigation System detects that you are drifting out of a lane with solid lines without signalling, you'll be steered gently back into the lane. In rare cases, gentle braking will be applied to keep you safe. The Lane Keeping Assist System will read the lane and sense as you drift from its centre, applying corrective steering torque to maintain perfect lane position.

### ADAPTIVE CRUISE CONTROL

By detecting the vehicle in front of you, this lets you maintain a set speed and following distance without you having to keep your foot on the brake or accelerator.

# POWER FOR YOUR PEOPLE.

With the performance and efficiency you would expect of a much smaller car, the Honda Odyssey engine is designed to deliver pure joy for you and all your people.

The Odyssey boasts the latest Honda Earth Dreams Technology – an engine that provides the perfect balance of power and efficiency. Add a Continuously Variable Transmission (CVT) to the mix and it's no wonder the Odyssey delivers both better fuel economy and a smoother ride for you and your family.

There's also an Eco mode that adjusts engine behaviour, transmission and air conditioning with the push of a button. With reduced fuel consumption and emissions, know that you're leaving a better planet for your children.

## SELECT YOUR MODEL

### VTi

- 2.4 litre DOHC i-VTEC 4 cylinder engine with auto idle stop
- Automatic Continuously Variable Transmission
- Aero kit with chrome trim
- Steering wheel mounted paddle shifters
- Leather wrapped steering wheel
- 17-inch alloy wheels
- Electrically retractable and heated door mirrors
- Front fog lights
- Cloth seat trim
- Dual zone climate control
- LED Daytime Running Lamps
- Dusk-sensing projector-beam halogen headlights
- Display Audio including:
  - 7-inch full colour touchscreen
  - AM/FM radio and CD player
  - Bluetooth® phone and audio connectivity
  - USB connectivity
  - Speed-sensitive volume compensation
  - Vehicle information
- Eight seats (2nd row with 3 seater bench)
- Multi-angle reversing camera
- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist (HSA)
- Vehicle Stability Assist (VSA)
- SRS airbags: dual front, side and full length curtain
- Tyre deflation warning system
- 3rd row 40/20/40 split fold seats
- One-touch power sliding rear door (passenger side)

### VTi-L

#### Additional features over the VTi

- 17-inch two-tone alloy wheels
- 7 seats with second row captains chairs
- Black leather-appointed<sup>A</sup> seat trim
- Heated front seats
- Built-in SUNA<sup>†</sup> satellite navigation
- Smart Keyless entry and push button start
- LED strip-style fog lights
- Dusk sensing LED projector beam headlights
- LED active cornering lights
- Premium aero kit with chrome trim
- Electric sunroof
- Rear privacy glass
- Tri-zone climate control with independent rear control
- Honda Sensing including:
  - Forward Collision Warning (FCW)
  - Lane Departure Warning (LDW)
  - Lane Keep Assist System(LKAS)
  - Road Departure Mitigation (RDM)
  - Adaptive Cruise Control (ACC)
  - Collision Mitigating Braking System (CMBS)
- ISOFIX child restraint anchorages (2nd row)
- Smart parking assist (SPA)
- Rear cross traffic alert
- 360 degree camera
- Blind-spot information system
- Auto-dimming rear view mirror
- 8-way power adjustable driver seat
- One-touch power sliding door (both sides)
