

RENAULT ARKANA

like no other

Renault Arkana is a design sensation like no other. With a sloping coupé roof line, muscular shoulders, and an elevated SUV stance, Arkana doesn't compromise on style.

Let yourself be captivated by this new approach to the SUV.

sportiness embodied

Renault Arkana boasts a sports SUV styling. It combines robustness and elegance. At the rear, the twin exhaust tips underline its dynamic character.

With a motorsport inspired aerodynamic blade in gun metal grey, glossy black detailing and special silverstone alloy wheels with red highlights, emotion is ever-present.

C-shape lighting signature with 100% LED headlights for impressive visibility at night.

stay connected

At the heart of the cabin, find a floating-style 9.3" vertical touch screen* on the central console. Functioning as an on-board computer, the easy link system gives you access to satellite navigation* and allows you to control all the functions of your Arkana, such as driving aids and multi-sense* technology.

immersive pleasure

Arkana offers a truly sensuous interior. The mixed leather & suede upholstery* with contrast stitching and heated leather steering wheel provide a luxurious drive while seat heating and ventilation* ensure you remain comfortable at all times.

The R.S. line version exudes sportiness with its gloss carbon-look trim and red highlights throughout the cabin.

Multi-sense* technology bathes the cabin in any of the 8 ambient lighting colour options you choose, and the sunroof^ adds plenty of natural light.

generous interior space

With a capacity of 485 litres, Arkana's boot volume is expansive. Its split-level floor gives you the best of both worlds, it can be placed in the low position to maximise loading capacity, or in the high position to provide a fully flat floor.

The rear bench seat offers generous leg and knee room and can be folded down in 2/3-1/3 configurations. Arkana's practicality does not end here, though, with plenty of clever storage spaces throughout the cabin this SUV coupe is extremely easy to live with.

04. advanced driver assistance systems

advanced driver assistance systems

Renault Arkana is equipped with a suite of advanced driver assistance systems. These contributed to Arkana being awarded the maximum 5-star ANCAP safety rating.

traffic sign recognition

This system recognises speed signs and tells you the speed limit via the instrument cluster. The icon will flash as a warning if the speed limit is exceeded.

safe following distance warning

A camera at the front of your vehicle calculates a safe distance from the vehicle in front. In the event of a risk of collision, the system activates an audible and visual warning.

lane keep assist

Active between 70 km/h and 160 km/h, this applies a correction in the steering wheel to bring your vehicle back into its lane if you cross a continuous or broken line without using your indicator.

active emergency braking system

This detects obstacles such as vehicles, pedestrians or cyclists in front of your vehicle, warns you and will automatically perform emergency braking if you do not.

adaptive cruise control

This system maintains a safe following distance from the vehicle in front. In heavy traffic, your vehicle comes to a complete stop and accelerates when the vehicle in front starts moving again.

easy park assist

Parking has never been easier. This system perfectly steers your vehicle into a nominated parking space while you select the gears and control the accelerator and brake pedals.

accessories

flame red exterior customisation pack

Use colour to set yourself apart. Flame red trims can be added to the front air deflectors, side body protection mouldings and on the wheel centre caps to add an extra touch of sportiness and style to your Arkana.

white boot spoiler

Accentuate the sporty nature of your vehicle.

roof rack

The perfect addition to your Arkana when extra storage space is required.

sidesteps

Get off the beaten track with go-anywhere styling. A convenient accessory that makes it easier to access your vehicle and its roof. They also help to protect the bodywork.

easyflex modular boot protection

Protect your Arkana's boot with this anti-slip and water-resistant easyflex protection that covers the entire load space, including the back of the rear bench seats.

Renault at your side

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

Comprehensive Warranty

Renault has been building motor vehicles for more than 100 years. This wealth of experience is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all our passenger vehicles.

24/7 Roadside Assistance

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for up to 5 years when you service your vehicle with Renault, regardless of how many kilometres you travel. Available 365 days a year, all across Australia.

Capped Price Servicing

You'll enjoy the benefits of lower maintenance costs for your first 5 years or 150,000 km (whichever occurs first) behind the wheel of your new Renault. The CPS program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. Renault vehicles only require servicing once per calendar year or every 30,000 km (whichever occurs first) – not every six months like some manufacturers.

Genuine Renault Parts

Parts, lubricants and accessories are of the highest quality and are specifically designed for Renault vehicles. They are purpose-built, guaranteeing fit, function and performance. They are also covered by our 1 year unlimited kilometre warranty.
