

THE ŠKODA KAROQ

STYLE | SPORTLINE 4X4

ŠKODA
SIMPLY CLEVER

STYLE

READY FOR ANYTHING. YEP, EVEN THAT.

You never know what might be around the next bend, but in the ŠKODA KAROQ Style, you'll be more than ready for it. That's because it's packed with state-of-the-art tech and safety systems. Beautiful to look at and even more beautiful to drive, KAROQ Style is the embodiment of our design philosophy. This compact SUV's game for any adventure.

KAROQ Style can take you from weekday to weekend in head-turning style. But the real question is, where will you take it?

That's Simply Clever. That's ŠKODA.

5 YEAR
WARRANTY[^]
UNLIMITED KMS

[^]Conditions and exclusions apply, see <https://www.skoda.com.au/owners/warranty>.
Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.

EXTERIOR DESIGN

FORM FOLLOWS FUN

Inspired by Czech crystal, our SUV is the epitome of refinement. But don't be fooled, the KAROQ Style also has an appreciation for the great outdoors.

FRONT VIEW
One look at the distinctive ŠKODA grille and you know this SUV means business. Its fog lamps and sharply cut headlamps help light the way when you're off-roading.

SIDE VIEW
The sideshow that steals the show. With angular wheel arches and protective sill covers, there's no mistaking the KAROQ Style for anything but an SUV.

REAR VIEW
With the unmistakable ŠKODA inscription in the back, the car proudly declares its family. The distinctive wedged-shaped rear lights, also with the familiar C-shaped illumination, reference the Czech crystal glass-making tradition. The KAROQ Style also features a robust protective cover.

KAROQ Style shown with optional 19" CRATER alloy wheels available at extra cost.

LIGHT THE WAY

Every aspect of the KAROQ Style has been thoughtfully designed, including the exterior lights. The optional Premium Pack (available at extra cost on KAROQ Style) comes with a complete LED system, which you could say is a very bright idea.

WELCOME LOGO
Standard with the KAROQ Style, LEDs located on the underside of the front doors create the ŠKODA logo, illuminating the entry area.

**FULL LED HEADLAMPS
WITH ADAPTIVE FRONTLIGHT SYSTEM**
The LED headlights offer high-performance and high-energy efficiency, The AFS (Adaptive Frontlight System) adjusts the lighting intensity to specific conditions (e.g. city, motorway or driving in the rain). When in poor light, the LED fog lamps can come to the rescue to help ensure your safety.
Full LED Headlights with AFS available in the optional Premium Pack on Style at extra cost.

SIMPLY CLEVER PACK MORE IN

Inside you'll find a place for everything – phones, glasses, drinks, snacks. Were there any reason at all to do so, you could even bring the kitchen sink.

KAROQ Style shown with optional Premium, Travel & Tech Pack available at extra cost.

JUMBO BOX
The spacious storage compartment is housed in the front armrest. It is fitted out with an Easy Open function, coin holder and two drinks holders.

HOOKS
You'll be hooked as soon as you use them. Whether it's a shopping trip or a trip away, these handy hooks are great for hanging bags from and creating more space.

Overseas model shown

GLOVE COMPARTMENT
Thanks to the closed storage compartment in the lower part of the dashboard by the front passenger, which can be air-conditioned, you have, for instance, a place to store pleasantly chilled refreshments during your travels.

HANDS-FREE ACCESS

KAROQ Style shown with optional 19" CRATER alloy wheels available at extra cost.

VIRTUAL PEDAL
Now this is virtually magic, swipe your foot underneath the boot and, hey presto, it opens or closes automatically.

Available with the optional Tech Pack on Style and SportLine 4x4 at extra cost.

LUGGAGE SPACE LIKE YOGA FOR CAR SEATS

The VarioFlex rear seating system is comprised of the three back seats. Each one can be folded down or removed completely independently, giving you plenty of flexibility.

VARIOFLEX OPTION
Need to fit two passengers and, say, a Grecian statue in the back? Fold down a single backrest.

VARIOFLEX OPTION
One passenger, two Grecian statues? Fold down one outer and the middle rear seat.

VARIOFLEX OPTION
One of many seating options is to fold down the outer rear seats.

VARIOFLEX OPTION
Need extra space? You can easily remove one or two rear seats completely, no tools required.

INTERIOR DESIGN

A UNIVERSE THAT REVOLVES AROUND YOU

The KAROQ Style's interior was designed around one thing and one thing only – you. The love child of smart and style, it's packed with intuitive tech. The interior has everything you need – and it's all right in front of you.

KAROQ Style shown with optional Premium, Tech & Travel Pack available at extra cost.

ACCESS MISSION CONTROL FOR ANY MISSION

We've turned the car into a cockpit. The beautiful, yet practical digital display takes all the information you need and puts it where you need it most – right in front of your eyes.

VIRTUAL COCKPIT

A perfect overview is provided by the Virtual Cockpit, which can display on-board computer specifications in combination with other information such as navigation, for example. You can choose different layouts, controlled via the View button on the multifunction steering wheel.

INFOTAINMENT

KAROQ is packed with the technology options that can make everyday journeys easier and more enjoyable. Smart inside means that it can seamlessly sync with your external devices. Better still, your kids will never get bored on a journey.

COLUMBUS
The Columbus navigation system features a 9.2" display and 3D view. The device offers not only comfortable touch control, but also gesture control, which uses the proximity sensor to let the touchscreen know when a hand is moving toward it, bringing up the menu. The Columbus navigation also comes standard with features such as Bluetooth® and SmartLink smartphone connectivity.

Available with the optional Tech Pack on Style and SportLine 4x4 at extra cost.

CANTON SOUND SYSTEM
The CANTON Sound System has ten speakers, including a speaker in the dashboard and subwoofer in the luggage compartment, so you can enjoy crystal-clear sound. The total power output is 575 Watts.

Available with the optional Tech Pack on Style and SportLine 4x4 at extra cost.

WIRELESS CONNECTIVITY

KAROQ FEATURING WIRELESS APPLE CARPLAY® & ANDROID AUTO™*
Combining our smart car with your smartphone was always going to be a good idea. Wireless Apple CarPlay® seamlessly connects compatible apps from your smartphone to your KAROQ. So, whether you want to listen to music or receive turn-by-turn directions, you can do it all without touching your phone.

*KAROQ featuring wireless Apple CarPlay® & wireless Android Auto™ is compatible for selected apps with the latest smartphone versions of iOS, active data service required, optional connection cable (sold separately).

COMFORT

Because we know our drivers, you don't need to look hard for those touches that make for a more enjoyable, safer drive. In the KAROQ, they're all around you.

ELECTRICALLY ADJUSTABLE DRIVERS SEAT WITH MEMORY FUNCTION

The electrically-adjustable driver seat with built-in memory can store three different seat settings.

Available with the optional Travel Pack on Style or as a standalone option on SportLine 4x4 at extra cost.

Overseas model shown, local specifications may vary.

KESY

KESY (Keyless Entry, Start/Stop and locking system) features a Start/Stop button on the steering column for keyless ignition and switching off the engine.

PERFORMANCE

The turbo engine offers a triple threat of modern, dynamic and economical. Win. Win. And, you guessed it, win.

TURBOCHARGED ENGINE

The KAROQ offers 110kW (Style) and 140kW (SportLine 4x4) turbocharged petrol engines that guarantee excellent performance and acceleration, complemented by low fuel consumption.

SAFETY

PROTECT YOUR PRECIOUS CARGO

ADAPTIVE LANE ASSIST^o
The system is capable of keeping the car in the middle of the correct lane and of alerting the driver in case of deviation.
Available with the optional Travel Pack on Style and SportLine 4x4 at extra cost.

^oSafety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
Overseas Model shown for illustrative purposes only.

FRONT ASSIST WITH CITY EMERGENCY BRAKE^o
The Front Assist system, using a radar device in the front grille, is designed to monitor the distance from the vehicle ahead, including emergency braking function.

PARK ASSIST^o
Minimise the hassle of parking in tight spots with Park Assist. It automatically selects an appropriate parking place in a row of parallel or perpendicularly parked vehicles.
Available with the optional Tech Pack on Style and SportLine 4x4 at extra cost.

^oSafety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
Overseas Model shown for illustrative purposes only.

ADAPTIVE CRUISE CONTROL^o
Never get too close for comfort. This system maintains a safe distance from vehicles in front of you, in addition to its basic cruise control function.

^oSafety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

EMERGENCY ASSIST^o

Emergency Assist reduces the risk of an incident in the event of the driver's sudden health collapse, for example, by safely stopping the car and turning on the warning lights.

Available with the optional Travel Pack on Style and SpotLine 4x4 at extra cost.

TRAFFIC JAM ASSIST^o

This function is designed to facilitate driving in traffic jams. By controlling the engine, brakes, and steering, it makes the vehicle pull away, brake, and turn to copy the movement of the surrounding vehicles (at speeds of up to 60km/h). If lanes are not detected at speeds of up to 30km/h, or only one lane (line) is detected at speeds of up to 60km/h, the Follow Drive system follows the trajectory of the vehicle in front of you until lane markings are available again.

Available with the optional Travel Pack on Style and SpotLine 4x4 at extra cost.

REAR TRAFFIC ALERT^o

Back out without backing into anything. Rear Traffic Alert helps you reverse safely from a parking space during poor visibility. It can even hit the brakes if it detects imminent danger.

Available with the optional Travel Pack on Style and SportLine 4x4 at extra cost.

SIDE ASSIST - BLIND SPOT DETECTION^o

Using radar sensors in the rear bumper, Side Assist (which can detect other vehicles and harder to see objects like cyclists up to 70m away) monitors the areas behind and beside your car. Based on the distance and speed of the surrounding vehicles, it decides whether or not it should warn the driver.

Available with the optional Travel Pack on Style and SportLine 4x4 at extra cost.

MULTI-COLLISION BRAKE^o

In case of an accident, the Multi-Collision Brake starts braking to prevent further uncontrolled movement of the vehicle, thus reducing the likelihood of further collisions.

^oSafety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

^oSafety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.
Overseas Model shown for illustrative purposes only.

SEVEN AIRBAGS

A FEATURE WE HOPE YOU'LL NEVER SEE

Your safety is our number one priority. In extreme situations, when the driver cannot actively influence the outcome, the car's passive safety elements take over - like the airbags.

Overseas model shown for illustrative purposes only.

FRONT AIRBAGS

The driver airbag is enclosed in the steering wheel and the passenger airbag is located in the dashboard.

FRONT SIDE AIRBAGS

Designed to protect front and rear occupants against serious head injury. The pelvis and chest of the driver and other passengers in the event of a side collision.

HEAD AIRBAGS

Upon activation, head airbags create a wall designed to protect front and rear occupants against serious head injury.

SPORTLINE 4x4

BORROW SOME RACING GENES

Sporty appearance meets sporty character. The KAROQ SportLine 4x4 will not only attract you with its distinctive exterior and dark tuned interior, but will also add a sporty edge to the driving experience.

BADGE
The car features the original SportLine badge on both front wings.

STYLE AND FUNCTIONALITY
The sharply cut full LED headlights with AFS and fog lamps have found their way inside the SportLine 4x4 version too. While the black front grille frame and 19" VEGA (shown) black alloy wheels give more ferocity to the car's expression. For high performance, the SportLine 4x4 boasts a 140kw output in combination with 4x4 drive.

INTERIOR DESIGN
The interior features sports front seats with integrated headrests and lumbar support. The black fabric upholstery with ThermoFlux function, ensures more breathability and offers maximum comfort in all climates. The Carbon décor in the door panelling and black ceiling enhance the sporty interior.

WELCOME TO CARE-FREE OWNERSHIP

ŠKODA Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a ŠKODA as fantastic as buying one.

5 YEAR WARRANTY[^] UNLIMITED KMS

After getting behind the wheel of a ŠKODA, it's not hard to see why they're so beloved by their owners. Quite simply, ŠKODA vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. ŠKODA Australia provides a 5 Year/Unlimited Kilometre Warranty[^] on all new vehicles. Every new ŠKODA vehicle includes one year ŠKODA Assist[±] (Roadside Assistance), from the warranty start date. To thank you for your loyalty, complimentary Service Initiated Roadside Assistance (SIRA for short) will be activated if the vehicle is returned to an authorised ŠKODA Dealer for scheduled service, as per the ŠKODA Service Schedule milestones. For more information and eligibility, please visit www.skoda.com.au/owners/roadside-assistance

ŠKODA Service Pricing

Buying a car is one thing, but owning a car is something else entirely. We're sure you'll want to know the costs of any service before you book it in. The cogs in our heads have been turning and we've come up with a solution we think is pretty clever. Our handy online service calculator can help you find the cost of your next service, scheduled to occur every 12 months/15,000 kms (whichever occurs first)*. No hidden expenses, no nasty surprises.

Genuine Parts

You don't have to be a genius (AKA a ŠKODA technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty[^] on all genuine parts, peace of mind comes easily too.

Service Packs

Why worry about handling the payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 3 Year/45 000km (whichever occurs first) or a 5 year/75 000km (whichever occurs first) ŠKODA Service Pack[‡] at any of our ŠKODA dealers. That way you can simply book a service time that suits you, and the costs are already covered. Your car, serviced at your convenience.

Service & Maintenance Subscription Plans

Say goodbye to unwelcome surprises. By signing up for the ŠKODA Service and Maintenance Monthly Subscription Plan, you're covered for all standard scheduled services as well as your maintenance repairs#. Even better, all your service and maintenance requirements are pre-approved# - quotes are a thing of the past. Simply select the option that suits your drive style, and sign up at your local dealer today so that you can have real peace of mind knowing that the work is carried out by ŠKODA technicians – factory trained to ensure your ŠKODA gets the right treatment.

REMOVE ANY DOUBT WITH ŠKODA CHOICE.

ŠKODA Choice[±] is a flexible finance program that allows you to guarantee your vehicle's minimum future value[±] at the time of purchase, giving you peace of mind knowing the value of your ŠKODA is secured.

- ✓ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✓ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✓ At the end of your ŠKODA Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✓ Opportunity to upgrade your ŠKODA more often, enjoying the latest model with the best innovations and technology.

HOW IT WORKS

Step 1

Choose your favourite ŠKODA model.

Step 2

Choose your preferred term from between 12 and 48 months, along with an annual km allowance and repayment options that suit your lifestyle.

Step 3

At the end of your chosen term, select from one of the three end of term options:

Trade in

If you wish to trade-in your ŠKODA for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value[±], you can use this equity towards your new vehicle.

Retain

If you prefer to retain your ŠKODA, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract[±]. Then your ŠKODA is yours to keep. Or you can choose to refinance your balloon at the end of the term.

Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements[±], you will have no more to pay.

For more information on our Guaranteed Future Value program, visit <https://www.skoda.com.au/finance/skoda-choice>

[^]Conditions and exclusions apply, see www.skoda.com.au/owners/warranty. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.
[±]ŠKODA Assist (roadside assistance) is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see www.skoda.com.au/owners/roadside-assistance. *ŠKODA Service Pricing applies to the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first). On or before 31 December each year, ŠKODA will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on pricing, items not included in the Service Price and for full terms and conditions please see www.skoda.com.au/skoda-care/service-pricing. [‡]ŠKODA Service Pack are available at ŠKODA Dealers for all models and covers standard items as contained in each scheduled service interval only. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions available here: www.skoda.com.au/skoda-care.
#For more information and eligibility, please visit <https://www.skoda.com.au/promotions/promotion-detail/service-maintenance-subscription-plan>.

[±]ŠKODA Choice consists of an option to return your vehicle to ŠKODA Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires SFS to purchase the vehicle at an agreed price determined by SFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator ŠKODA vehicles for selected models. Contact your nearest ŠKODA dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
