

# THE NEW ŠKODA KODIAQ

STYLE 4x4 | SPORTLINE 4x4 | RS 4x4

**ŠKODA**  
SIMPLY CLEVER

# STYLE 4x4

## MAKE CURIOSITY A FAMILY TRAIT

Exploration begins at home. Or rather, the driveway. The robust and spacious ŠKODA KODIAQ is eager to turn every family drive into a curious exploration. The car makes its undomesticated ambitions quickly known, thanks to a striking design that's bolstered by protective details all around like the wheel arch covers and reinforced front and rear bumpers. Along with the stunning LED headlights, an array of assistance systems is on hand to keep you safe on every adventure.

That's Simply Clever. That's ŠKODA.

# DRESS UP ANY ROAD

As is typical for ŠKODA SUVs, everything is perfectly balanced. Exterior elements form a harmonious whole, where robustness meets elegance.

## STYLE AND FUNCTIONALITY

The newly designed elements of the front end, such as the bonnet, grille, headlights, and bumper with spoiler, underline the car's confident expression. Above all, plastic protective elements all around the vehicle, including a bold add-on part on the front bumper spoiler in the off-road design, directly invite you to explore new paths.

KODIAQ style shown with the optional Luxury Pack available at extra cost.

#### FULL LED MATRIX HEADLIGHTS

The newly shaped KODIAQ headlights are available in two types in terms of functionality. Equipped with LED lights, both types offer high performance and high energy efficiency. The top-end option comes with full LED Matrix headlights, which represent state-of-the-art technology.

Available with the optional Luxury Pack on Style 4x4 at extra cost.  
Standard on SportLine 4x4 & RS 4x4.

#### FULL LED REAR LIGHTS

The full LED rear lights impress with their stylish appearance and efficient performance. Fitted with animated turn indicators, they significantly improve the visibility of your car for other drivers. In addition, when you open and close the car, the welcome effect activates the animation feature.

**SUNROOF**

The electrically-adjustable panoramic sunroof, which allows you to create a large open space above the front seats, will enhance the attractive look of the car and provide more pleasure and a greater feeling of freedom for all passengers. If necessary, it can be covered with an electrically-adjustable blind.

Available as a standalone option on Style 4x4 & SportLine 4x4 at extra cost. Standard on RS 4x4.

**SUV SIGNATURE**

The rear features the new roof spoiler in glossy black, which underlines the car's distinctive appearance while improving its aerodynamics. The robust bumper with the lower part in black matt complemented by an add-on part in aluminium look emphasise that the KODIAQ Style 4x4 feels at home on off-road adventures.

**LED AMBIENT LIGHTING / SOUND SYSTEM**  
The ambient lighting allows you to choose one of the ten colour options for the dashboard, front and rear door lighting, or even the front and rear foot area illumination. The selected colour will also appear in the background of the virtual cockpit. The unique interior lighting can be accompanied by perfect sound. Enjoy absolute sound clarity thanks to the CANTON sound System with twelve speakers, delivering a total power output of 625 watts.  
CANTON Sound System is available with the optional Tech Pack on Style 4x4 & SportLine 4x4 at extra cost. Standard on RS 4x4.

**VIRTUAL COCKPIT**  
The virtual Cockpit displays onboard computer specifications in combinations with other information such as navigations. you can chose from five layout controlled via the View button on the steering wheel.

# WIRELESS CONNECTIVITY

**KODIAQ FEATURING WIRELESS APPLE CARPLAY® AND WIRELESS ANDROID AUTO™+**  
Combining our smart car with your smartphone was always going to be a good idea. KODIAQ featuring wireless Apple CarPlay® and wireless Android Auto™+ seamlessly connects compatible apps from your smartphone to your KODIAQ. So, whether you want to listen to music or receive turn-by-turn directions you can do it all without touching your phone.  
+ KODIAQ featuring wireless Apple CarPlay® and wireless Android Auto™ is compatible with the latest versions of iOS and Android, active data service required, optional connection cable (sold separately).

# ŠKODA'S LITTLE HELPERS

Life is easier when equipment is practical. Thus, the KODIAQ range comes with features based on your actual needs and includes Simply Clever details that help you avoid any inconveniences, even if it's just looking for a place to store your drink.

## DOOR EDGE PROTECTION

Your car can also be equipped with door edge protection. When opening all side doors, plastic strips eject and cover the edges. In this way, the KODIAQ protects itself against damage as well as being considerate to other cars. Perfect for tight parking spaces, for instance.

## STORAGE COMPARTMENTS

Two spacious compartments with tilting lid are located in the dashboard by the front passenger seat. The lower one can be air conditioned.

## LIQUID RESERVOIR

You will never spill a single drop when refilling the washer fluid. The liquid reservoir is not only easily accessible, but also has an integrated funnel.

# COMFORT IS YOUR CO-DRIVER

The KODIAQ lets you turn a routine trip into an extraordinarily pleasant experience. Treat yourself to some luxury that will give you that special feeling as you set out for ordinary, everyday destinations.

**KESSY**

With the new version of the KESSY (Keyless Entry, Start and exit System), all doors can be used to unlock or lock the car.

**ADAPTIVE CRUISE CONTROL<sup>o</sup>**

The driver's comfort during long motorway journeys is enhanced by the Adaptive Cruise Control.

<sup>o</sup> Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

**FOLDABLE MIRRORS**

The automatically foldable external side-view mirrors fold in when the car is locked. This protects the mirrors from damage, especially when parking in a confined space, and you also have a visual confirmation that you have locked your car. The driver's side mirror also features a dimming function (on selected variants) that prevents glare from the car behind you.

Auto dimming function is available with the optional Luxury Pack on Style 4x4 at extra cost. Standard on SportLine 4x4 & RS 4x4.

**JUMBO BOX**

The spacious Jumbo Box storage compartment is housed in the front armrest. When the air conditioning is on, you can even cool your snacks here.

**COMFORT IN THE BACK**

In cold weather, your friends and family will appreciate the heated rear seats, which are regulated by a separate control on the rear side of the front armrest.

Available with the optional Luxury Pack on Style 4x4 & SportLine 4x4 at extra cost. Standard on RS 4x4.

**WELCOME LOGO**

The LEDs located on the underside of the front doors, projecting the ŠKODA inscription, illuminate the entry area.

**WIRELESS CHARGING**

The phone box, suitable also for large display devices, creates an amplified signal for your mobile phone and, at the same time, wirelessly charges your device while driving. Two USB-C data ports allow you to easily connect and pair your external devices with the infotainment system.

**SEVEN-SEATER INTERIOR**

Up to seven people can travel in the KODIAQ thanks to three rows of seats. This means that there are two extra seats available with a separate foldable backrest. When using the third row of seats, the luggage space cover needs to be removed. The double floor provides extra storage space for it, so you don't have to keep it in the garage or home.

Overseas model shown, local specification may vary.

# RETURN HOME WITH MORE THAN JUST PHOTOGRAPHS

Ambitious plans require ambitious spaces, especially if you're traveling with a large family. The new KODIAQ is carefully thought through, so everyone can find a place for everything they want to take with them.

## NET SYSTEM

The set, including one horizontal and two vertical nets, will reliably prevent your things from moving around. Plus, you will clearly see where you put everything.

## CARGO ELEMENTS

To avoid any undesired movement of luggage while driving, these two plastic cargo elements are ideal. They are stowed away in the compartments behind the rear wheel arches when not in use.

**HOOKS**

The robust sliding hooks, located on the sides of the luggage compartment, make your bags easier to transport and more secure.

**CAPACITY**

The seven-seater KODIAQ offers 270 litres when the car is fully occupied to 2,005 litres with the third and second rows of seats folded down.

Accessories shown for illustrative purposes only.

**CONTROLS IN THE BOOT**

The car can be equipped with a foldable towing device with an electric release. The switch is located in the luggage compartment. You can also find a remote release button here that allows you to fold down the rear seat from the luggage compartment, which makes loading the car even more effortless.

Towbar is available as a standalone option on all KODIAQ variants at extra cost.

**DOUBLE FLOOR**

The double floor provides easier luggage handling or a discreet storage place, with the bottom of the luggage compartment positioned at the loading edge level.

Accessories shown for illustrative purposes only.

# THERE'S ALWAYS HELP AT HAND

We've done everything to ensure that you arrive at your destination safely. The KODIAQ range comes with plenty of assistants that help you react to various situations promptly. The system are designed to help prevent or reduce the severity of an impending collision.

## EMERGENCY ASSIST<sup>◊</sup>

Emergency Assist reduces the risk of an incident in the event of the driver's sudden health collapse, for example, by safely stopping the car and turning on the warning lights.

Available with the optional Luxury Pack on Style 4x4 & SportLine 4x4 at extra cost. Standard on RS 4x4.

<sup>◊</sup> Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices. Overseas model shown for illustrative purposes only.

## TRAFFIC JAM ASSIST<sup>◊</sup>

This function is designed to facilitate driving in traffic jams. By controlling the engine, brakes, and steering, it makes the vehicle pull away, brake, and turn to copy the movement of the surrounding vehicles (at speeds of up to 60 km/h). If lanes are not detected at speeds of up to 30 km/h, or only one lane (line) is detected at speeds of up to 60 km/h, the Follow Drive system follows the trajectory of the vehicle in front of you until lane markings are available again.

Available with the optional Luxury Pack on Style 4x4 & SportLine 4x4 at extra cost. Standard on RS 4x4.

**ADAPTIVE LANE ASSIST<sup>◊</sup>**

The system is capable of keeping the car in the middle of the correct lane and of alerting the driver in case of deviation. It can also take control of the car in the event of lane changes during roadworks.

<sup>◊</sup> Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices. Overseas Model shown for illustrative purposes only.

**REAR TRAFFIC ALERT<sup>◊</sup>**

The system warns the driver of rear traffic as they pull away from a row of perpendicularly parked vehicles (visually on the infotainment display/onboard computer display or acoustically), or, if the case so requires, intervenes proactively, i.e., stops the car.

Available with the optional Luxury Pack on Style 4x4 & SportLine 4x4 at extra cost. Standard on RS 4x4.

**FRONT ASSIST WITH CITY EMERGENCY BRAKE<sup>◊</sup>**

The Front Assist system, using a radar device in the front grille, is designed to monitor the distance from the vehicle ahead, including emergency braking function. The system also includes predictive pedestrian protection, which warns the driver via an audio/visual signal as well as a gentle jolt of the brakes.

**SIDE ASSIST - BLIND SPOT DETECTION<sup>◊</sup>**

Using radar sensors in the rear bumper, Side Assist (which can detect other vehicles and harder to see objects like cyclists up to 70 m away) monitors the areas behind and beside your car. Based on the distance and speed of the surrounding vehicles, it decides whether or not it should warn the driver.

Available with the optional Luxury Pack on Style 4x4 & SportLine 4x4 at extra cost. Standard on RS 4x4.  
<sup>◊</sup> Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.  
Overseas model shown for illustrative purposes only.

**PARK ASSIST<sup>◊</sup>**

The system automatically selects an appropriate parking space in a row of parallel or perpendicularly parked vehicles. The updated Park Assist function now means that it can just be used for part of the parking manoeuvre. For example, you can select a parking space yourself and attempt to park your car some of the way, but for the more difficult part of the parking manoeuvre, simply activate Park Assist, which takes control of the steering wheel.

Available with the optional Tech Pack on Style 4x4 & SportLine 4x4 at extra cost.  
Standard on RS 4x4.

**MANOEUVRE ASSIST<sup>◊</sup>**

This system offers protection from obstacles within driving distance of the car (at speeds of up to 8 km/h). If an obstacle is detected, based on the distance from the obstacle and the car's speed, the system engages the emergency braking.

# ADDITIONAL EXPERTS ON BOARD

You can encounter various things on the road. To ensure that the car is ready to handle all situations that may occur en route, additional assistants with multiple functions are on hand to help or fill in for the driver.

## MATRIX BEAM FUNCTION<sup>◊</sup>

The full LED Matrix headlights feature matrix beam function. This allows you to use the high beams continuously, without blinding other drivers. Using a windscreen camera, the matrix beam function responds to the traffic situation and turns off only some segments of the light. Other segments are turned on and illuminate the road. In addition, thanks to this function, you are not blinded by reflective materials on traffic signs, for example. The matrix beam function also uses information from the navigation system, so the high beams will only turn on when you are out of a built-up area.

Available with the Luxury Pack on Style 4x4 at extra cost. Standard on SportLine 4x4 & RS 4x4.  
<sup>◊</sup> Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.  
Overseas model shown for illustrative purposes only.

## PASSENGER PROTECT ASSIST<sup>◊</sup>

This assistance system provides increased protection for front-seat passengers in critical situations that could lead to a crash by closing the side windows to leave only a 5 cm gap, shutting the roof window, and tightening seatbelts. The new state-of-the-art version of the system can use radar sensors both in front and in the rear.

## TRAILER ASSIST<sup>◊</sup>

The system takes control when you reverse slowly with a trailer or caravan and makes your parking manoeuvres easier and safer. All you have to do is decide where to reverse to, when to start and when to stop.

Available as a standalone option on all KODIAQ variants at extra cost.

# SAFE HAPPENS

In extreme situations, where the driver cannot actively influence the outcome, the car's passive safety elements take over – like the airbags. You can equip your car with up to nine of them.

### FRONT DRIVER AND PASSENGER AIRBAGS

While the driver airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard. If needed, this can be deactivated when a child seat is installed on the front seat.

KODIAQ Style 4x4 shown with optional 19" CURSA anthracite alloy wheels available at extra cost.

### HEAD AIRBAGS

Upon activation, head airbags create a wall protecting the front and rear occupants against head injury.

### FRONT AND REAR SIDE AIRBAGS

These airbags (shown together with the activated head airbag) protect the pelvis and chest of the driver and other passengers in the event of a side collision.

### KNEE AIRBAG

This airbag, which is located under the steering wheel column, protects the driver's knees and shins.

# FORCE OF NATURE

Every family has a different story: frequent trips to the mountains, an urban adventures, or off-road exploration. Whatever the story, we have the right alternative for every family. And in every case, the KODIAQ range offers dynamism combined with excellent fuel consumption.

## DYNAMIC CHASSIS CONTROL

Enjoy the high performance of your car in maximum comfort and safety. The Dynamic Chassis Control (DCC) continuously evaluates and responds to various driving situations (braking, acceleration, turning), adapting the damping and steering characteristics. As part of the infotainment menu, it allows you to select one of three modes according to your specific requirements: Comfort, Normal or Sport. Available with the optional Tech Pack on Style 4x4 & SportLine 4x4 at extra cost. Standard on RS 4x4.

Overseas Model shown for illustrative purposes only.

## ENGINE

The KODIAQ Style 4x4 and SportLine 4x4 is driven by the 2.0TSI turbocharged engine with 132kW of power and 320Nm of torque. The combination of the 7-Speed DSG (Direct Shift Gearbox) and 4x4 drivetrain guarantees an extraordinary driving experience.

**SPORTLINE 4x4**

# WORK FROM HOME, PLAY ANYWHERE

Your lifestyle may evolve, but sporty style is here to stay. The ŠKODA KODIAQ SportLine 4x4 makes a convincing case for it. With a dynamic character and do-it-all attitude, this car can turn any road into your playground.

## STYLE AND FUNCTIONALITY

The exterior of the new KODIAQ SportLine 4x4 features stylish elements including front grille frame in glossy black, exterior side-view mirror caps and roof railings in black, SportLine badge on the front wings, black inscriptions (such as ŠKODA, the model name and 4x4), and decorative exhaust pipe end pieces in a chrome design. The car's charisma is emphasised by 20" VEGA alloy wheels which comes as standard.

## SPORTY IS IN THE DETAILS

Every detail of the new KODIAQ SportLine 4x4 reflects its energetic attitude. The interior is characterised by high-quality materials and exclusive features in a sporty style including the SportLine logo on the steering wheel.

#### UPHOLSTERY AND SEATS

The car features front sports seats, which underline the dynamic interior design. The black perforated Suedia/leather/leatherette upholstery° (shown) with silver stitching also comes as standard. The perforated leather/leatherette upholstery° (with ventilation is available as a standalone option at extra cost.

#### SPORTS STEERING WHEEL

The pleasure of driving the car is enhanced by the multifunctional sports steering wheel in perforated leather with silver stitching.

**RS 4x4**

# FAMILY LIFE, TURBOCHARGED

With a 4x4 drive and 2.0 TSI/180 kW engine at its heart, the ŠKODA KODIAQ RS transforms every chore into a dynamic experience. To ensure all that power doesn't go to your head, there are plenty of safety assistants to protect the most powerful family in the neighbourhood. Yours.

### RS BADGE

The uniqueness of the car is emphasised by original details such as the sports RS badge on the front grille, which is a nod to the famous racing tradition of ŠKODA cars.

### STYLE AND FUNCTIONALITY

The car's sporty genes and dynamic personality are highlighted by many features such as bumpers in RS design, glossy black exterior elements including front grille with RS badge, black inscriptions (such as ŠKODA, the model name and 4x4), visible exhaust pipe end pieces in polished stainless steel finish, and 20" SAGITARIUS 'Aero' alloy wheels. The full LED Matrix headlights and LED rear lights with animated turn indicators also come as standard.

#### BLACK FEATURES

The dynamic appearance of the exterior is enhanced by the glossy black features such as exterior side-view mirror caps, side window frames, and roof railings.

The image shows the front interior of a Skoda WRS. The dashboard is black with a central infotainment screen displaying the WRS logo. The steering wheel is black with red stitching and the Skoda logo. The center console has a gear shifter and handbrake. The seats are black leather with red stitching. The text "PREPARE FOR TAKE OFF" is overlaid on the left side of the image.

# PREPARE FOR TAKE OFF

Welcome to the cockpit. Fasten your seatbelts and get ready for a remarkably pleasant ride. The interior reflects the exceptional sporty charisma of the car while keeping you in maximum comfort.

### UPHOLSTERY AND SEATS

The car always features front sports seats with RS logo embroidered on the backrest, which underline the dynamic interior design. The perforated leather/leatherette upholstery<sup>°</sup> with red stitching (combined with front seat ventilation and electrically-adjustable front seats with built-in memory) comes as standard.

<sup>°</sup> Leather appointed seat upholstery have a combination of genuine and artificial leather, but are not wholly leather.

### SPORTS STEERING WHEEL

The car's sporty charisma is emphasised by the sports steering wheel in perforated leather with red stitching, which also carries the RS logo. In addition to the steering wheel and upholstery, red stitching can also be found on the dashboard, gear stick sleeve, front centre armrest, and front and rear door armrests.

# THIS BEAUTY IS A BEAST

**ENGINE**

The KODIAQ RS 4x4 is driven by the powerful 2.0TSI turbocharged engine with 180kW of power and 370Nm of torque. The combination of the 7-Speed DSG (Direct Shift Gearbox) and 4x4 drivetrain guarantees an extraordinary driving experience.

# WELCOME TO CARE-FREE OWNERSHIP

ŠKODA Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a ŠKODA as fantastic as buying one.

After getting behind the wheel of a ŠKODA, it's not hard to see why they're so beloved by their owners. Quite simply, ŠKODA vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. ŠKODA Australia provides a 5 Year/Unlimited Kilometre Warranty<sup>^</sup> on all new vehicles. Every new ŠKODA vehicle includes one year ŠKODA Assist<sup>±</sup> (Roadside Assistance), from the warranty start date. To thank you for your loyalty, complimentary Service Initiated Roadside Assistance (SIRA for short) will be activated if the vehicle is returned to an authorised ŠKODA Dealer for scheduled service, as per the ŠKODA Service Schedule milestones. For more information and eligibility, please visit [www.skoda.com.au/owners/roadside-assistance](http://www.skoda.com.au/owners/roadside-assistance)

## ŠKODA Service Pricing

Buying a car is one thing, but owning a car is something else entirely. We're sure you'll want to know the costs of any service before you book it in. The cogs in our heads have been turning and we've come up with a solution we think is pretty clever. Our handy online service calculator can help you find the cost of your next service, scheduled to occur every 12 months/15,000 kms (whichever occurs first)\*. No hidden expenses, no nasty surprises.

## Genuine Parts

You don't have to be a genius (AKA a ŠKODA technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty<sup>^</sup> on all genuine parts, peace of mind comes easily too.

## Service Packs

Why worry about handling the payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 3 Year/45 000km (whichever occurs first) or a 5 year/75 000km (whichever occurs first) ŠKODA Service Pack<sup>†</sup> at any of our ŠKODA dealers. That way you can simply book a service time that suits you, and the costs are already covered. Your car, serviced at your convenience.

## Service & Maintenance Subscription Plans

Say goodbye to unwelcome surprises. By signing up for the ŠKODA Service and Maintenance Monthly Subscription Plan, you're covered for all standard scheduled services as well as your maintenance repairs#. Even better, all your service and maintenance requirements are pre-approved# - quotes are a thing of the past. Simply select the option that suits your drive style, and sign up at your local dealer today so that you can have real peace of mind knowing that the work is carried out by ŠKODA technicians – factory trained to ensure your ŠKODA gets the right treatment.

<sup>^</sup>Conditions and exclusions apply, see [www.skoda.com.au/owners/warranty](http://www.skoda.com.au/owners/warranty). Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.  
<sup>±</sup>ŠKODA Assist (roadside assistance) is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see [www.skoda.com.au/owners/roadside-assistance](http://www.skoda.com.au/owners/roadside-assistance).  
<sup>\*</sup>ŠKODA Service Pricing applies to the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first). On or before 31 December each year, ŠKODA will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on pricing, items not included in the Service Price and for full terms and conditions please see [www.skoda.com.au/skoda-care/service-pricing](http://www.skoda.com.au/skoda-care/service-pricing).  
<sup>†</sup>ŠKODA Service Pack are available at ŠKODA Dealers for all models and covers standard items as contained in each scheduled service interval only. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions available here: [www.skoda.com.au/skoda-care](http://www.skoda.com.au/skoda-care).

# REMOVE ANY DOUBT WITH ŠKODA CHOICE.

ŠKODA Choice<sup>±</sup> is a flexible finance program that allows you to guarantee your vehicle's minimum future value<sup>±</sup> at the time of purchase, giving you peace of mind knowing the value of your ŠKODA is secured.

- ✓ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✓ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✓ At the end of your ŠKODA Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✓ Opportunity to upgrade your ŠKODA more often, enjoying the latest model with the best innovations and technology.

## HOW IT WORKS

### Step 1

Choose your favourite ŠKODA model.

### Step 2

Choose your preferred term from between 12 and 48 months, along with an annual km allowance and repayment options that suit your lifestyle.

### Step 3

At the end of your chosen term, select from one of the three end of term options:

### Trade in

If you wish to trade-in your ŠKODA for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value<sup>±</sup>, you can use this equity towards your new vehicle.

### Retain

If you prefer to retain your ŠKODA, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract<sup>±</sup>. Then your ŠKODA is yours to keep. Or you can choose to refinance your balloon at the end of the term.

### Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements<sup>±</sup>, you will have no more to pay.

For more information on our Guaranteed Future Value program, visit <https://www.skoda.com.au/finance/skoda-choice>

<sup>±</sup>ŠKODA Choice consists of an option to return your vehicle to ŠKODA Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires SFS to purchase the vehicle at an agreed price determined by SFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator ŠKODA vehicles for selected models. Contact your nearest ŠKODA dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
