Mustang

Don't worry about service.
That's our job.

Fit your Ford with
insurance made for it.

Know what you'll pay

When you buy a new Ford, you'll know exactly how much each of your first four general car services will cost.

Service made easier

We have great offerings that make servicing more convenient, like loan cars¹, pick up and drop off², Express Service³ and online booking.

Roadside Assistance⁴

When you purchase a new Mustang, you receive Ford National Roadside assistance for 12 months. You also receive Ford National Roadside assistance for 12 months each time a general service is completed with a participating dealer, until your vehicle reaches 7 years of age.

New Genuine Ford Parts⁵

Look after the integrity of your vehicle, by using only New Genuine Parts, when possible.

Automatic off-road cover⁷

Enjoy peace of mind with automatic off-road coverage included.

Dealer fitted accessories⁶

Accessories which are fitted on your vehicle by a dealership are automatically included.

Removal of excess for glass damage⁸

The Standard Excess under your policy won't be applied for windscreen, sunroof or window glass only claims.

1. Subject to availability. Participating dealers only. Other dealer conditions or requirements may apply.
2. Pick Up and Drop Off available for a general service or warranty repair only subject to dealer capacity and vehicle roadworthiness and driveability. Participating dealers only. Other dealer conditions or requirements may apply.
3. When a 90-minute Express Service is booked. 90 minutes from key handover to service completion for a General Service only, as set out in your vehicle's Service Portfolio. Does not include other work or repairs that may be required. Participating dealers only.
4. Available to Retail Customer or a Blue Business Fleet Customer only. Customer must comply with schedule service intervals at participating dealers to be eligible for 12 months Ford National Roadside assistance. see <https://www.ford.com.au/owners/service/t-and-c/> for full terms.
5. Some insurance companies may use repairers that could use non genuine parts to repair your vehicle. If your claim is accepted the insurer will use Genuine Parts when available. If not available, the insurer may use genuine reconditioned or recycled parts or ADR certified new, recycled or reconditioned parts. Refer to the Ford Insure PDS for full details.
6. When purchasing your vehicle from a dealership, accessories included on the purchase invoice are included in cover, without the need to list them on your schedule. Refer to the Ford Insure PDS for full details.
7. If Your Vehicle is damaged while it is being driven on a beach or off any public road, coverage may be available. Any claim will be subject to any applicable excess being doubled and the PDS terms and conditions. Refer to the Ford Insure PDS for full details.
8. Automatic removal of your standard excess on glass damage means the Standard Excess will not apply if you sustain a loss where the only damage to your Vehicle was glass damage. Refer to the Ford Insure PDS for full details.

Disclaimer:
1. Performance data measured using 98 RON fuel. 2. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 3. Brake calliper colour changes to red when MagneRide® suspension is optioned on GT Fastback models. 4. Racetrack and drag strip drive modes are for track use only. Do not operate these drive modes on public roads. Driver assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. Please see Owner's Manual for more information. 5. Factory Options can be ordered before a vehicle is manufactured at an additional cost. Not available when GT Appearance Pack is selected. GT Fastback models fitted with MagneRide® suspension will receive Red painted Brembo™ brake callipers with a white Brembo™ logo. 6. Check your local road rules before using these functions. 12. Don't drive distracted. Use voice operated systems where possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. 13. Connected Built-In Satellite Navigation is a Connected Service where eligible vehicles receive 1 year of service from the Ford Express New Vehicle Warranty start date, after which time the service may cease to be available or may be subject to a subscription fee. Users must have created a Ford app account (terms apply), have fully activated the vehicle's modem and have SYNC Location set to 'on' to use this feature. 14. Use of Ford app is subject to the Ford app Terms and Privacy Policy available on ford.com.au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). Ford app functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and vehicle's modem can only work when both are connected to the telecommunications network. The vehicle's modem will only function on the 3G or 4G telecommunications networks. When these networks are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. 15. Driver assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. Please see Owner's Manual for more information. 16. Pre-collision Assist with Autonomous Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. These do not replace safe driving. See Owner's Manual for Limitations. 17. Evasive Steer Assist does not control steering. 18. This feature will return control of the vehicle to the driver if, at any time after the impact, the driver actively operates the accelerator pedal or carries out emergency braking by themselves. If there is no such intervention from the driver, the system will brake the vehicle to a complete stop. 19. Adaptive Cruise Control (ACC) has a minimum operating speed of 20km/h. 20. Adaptive Cruise Control and Lane Centring has a minimum operating speed of 20km/hr. The Stop and Go functionality of this system operates as low as 0km/hr in traffic jam situations. Lane Centring feature should be disabled via the Driver Assistance menu in SYNC before towing. Customers should read the Owner's Manual for full details of the limitations of the ACC system before activating the system. 21. Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. 22. Subject to State and Territory regulations. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. Payload is calculated by deducting the vehicle's Kerb Weight from its Gross Vehicle Mass (GVM). Payload (based on Kerb Weight) is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) are not exceeded. 23. Factory Options can be ordered before a vehicle is manufactured at an additional cost. 24. Not available when MagneRide Suspension and/or Recaro Sport Seat Options are selected. 25. Not available when GT Appearance Pack is selected. 26. Factory Options can be ordered before a vehicle is manufactured at an additional cost. Not available when GT Appearance Pack is selected. GT Fastback models fitted with MagneRide® suspension will receive Red painted Brembo™ brake callipers with a white Brembo™ logo.
