THE FUTURE-READY SUV

Mazda CX-8 available in both petrol and diesel, brings a level of sleek design and exciting performance that you wouldn't expect in a seven-seat SUV. Featuring all the luxury and technology Mazda SUVs have become known for, and the latest in advanced safety technology. Mazda CX-8 is perfect for growing families.

THE STREAMLINED SEVEN-SEAT SUV

Mazda's stunning Kodo Design language is at the heart of every vehicle. Mazda CX-8 is the latest example, offering the spacious versatility of a large SUV but with smaller dimensions that never compromise on interior space or cabin comfort.

The image shows the interior of a Mazda car, viewed from the driver's perspective. The steering wheel is prominent in the foreground, featuring the Mazda logo. The dashboard and center console are visible, with a digital display showing the time 12:32 and some icons. The car is parked in a city, with tall buildings and a person in a suit visible through the window. The sun is low in the sky, creating a warm, golden light. The overall atmosphere is one of luxury and modern design.

LUXURY FOR EVERY PASSENGER

You'll discover quality finishes and luxurious touches at every turn. The front row is especially taken care of with a perfectly laid-out cabin that's alive with exceptional design.

CRAFTED AROUND YOU

Inside the cabin, sophistication and refined design can be found in all directions. From the nappa leather to the quality instrument panel, Mazda CX-8 has been crafted and finished to exacting specifications.

STAY WELL CONNECTED

Mazda CX-8 brings the latest connectivity and infotainment to everyone on board via the new 8-inch touch screen. Mazda's advanced MZD Connect system comes with Apple CarPlay® and Android® Auto[§], so you can bring your world along. The third row now also has access to USB ports to charge devices in GT grade, and above.

[§] Please check the compatibility of your device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information.

**THRILLING PERFORMANCE.
IMPRESSIVE EFFICIENCY.**

Mazda CX-8 is powered by a choice of Skyactiv-G 2.5L petrol or Skyactiv-D 2.2L diesel engine, offering great responsiveness and powerful acceleration. With an SUV this size, efficiency is important, and both engines deliver with impressive fuel economy figures.

SPACE TO GROW INTO

Mazda CX-8 handles all your storage needs with ease. If you don't need seven seats, the third row folds down to provide a huge 775L[~] of cargo space. Gaining access is easy with a power liftgate, standard on the GT model and above, that operates with just one touch.

~775L cargo space measured with third-row seats folded and up to roof (including underfloor storage).

SURROUND YOURSELF WITH QUALITY

Luxurious materials maintain the feeling of considered design throughout the cabin, from the seats to the door trims and centre dashboard. Beautiful to touch and to admire, these trims create a stylish, fresh ambience that speaks to Mazda CX-8's modern styling.

KEEP THE FUTURE GENERATION PROTECTED

The safety of your family is always a priority. Mazda CX-8 features every safety innovation Mazda has to offer. Innovations such as a 360° View Monitor and a suite of clever i-Activsense safety technologies† offer plenty of peace of mind.

† i-Activsense, other safety technologies and driver-assistance features do not replace the driver's judgement, and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.
