

Escape

2023.25MY

Ford

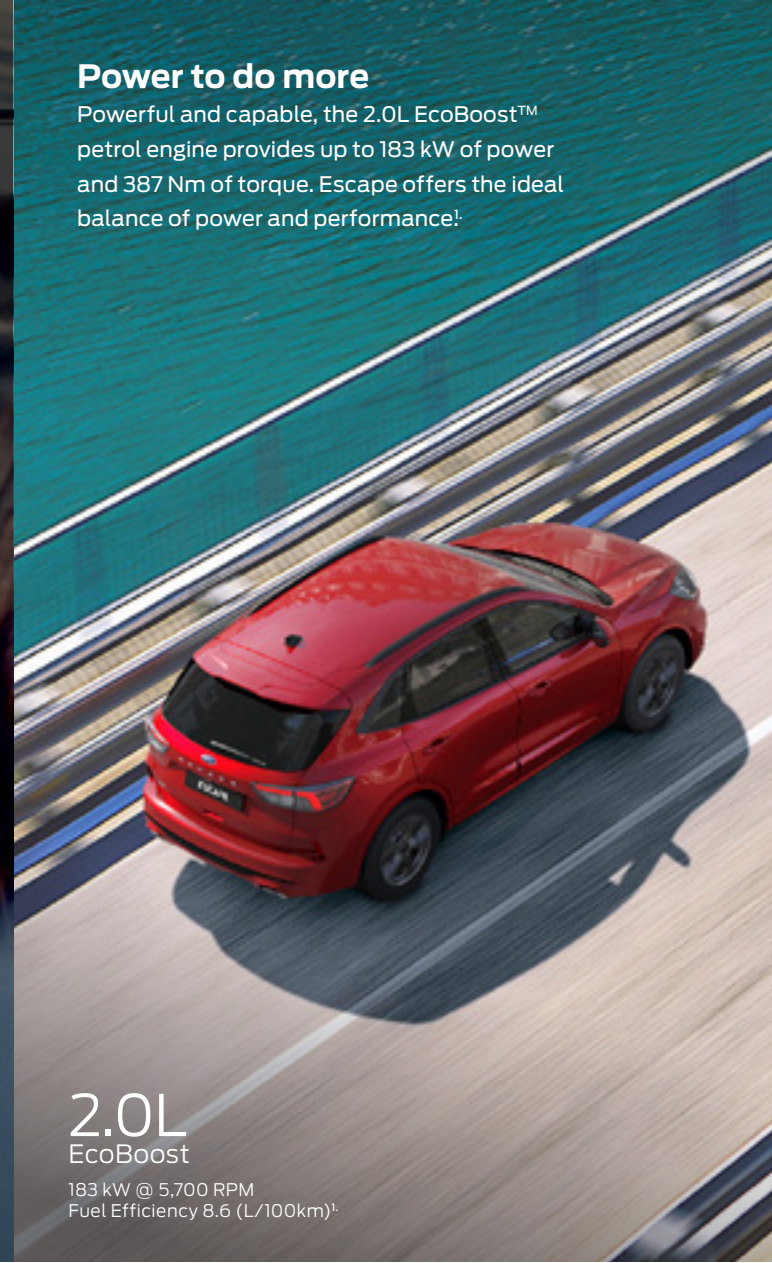

Steering wheel wrapped in Sensico®

Ford's premium artificial leather offers greater durability, sustainability and comfort.

Connects to the road, and your life

Designed for experience and built for connection, the European-styled Escape range includes Escape, ST-Line, Vignale and Ford's first-ever Plug-In Hybrid.

Power to do more

Powerful and capable, the 2.0L EcoBoost™ petrol engine provides up to 183 kW of power and 387 Nm of torque. Escape offers the ideal balance of power and performance!

2.0L EcoBoost

183 kW @ 5,700 RPM
Fuel Efficiency 8.6 (L/100km)¹

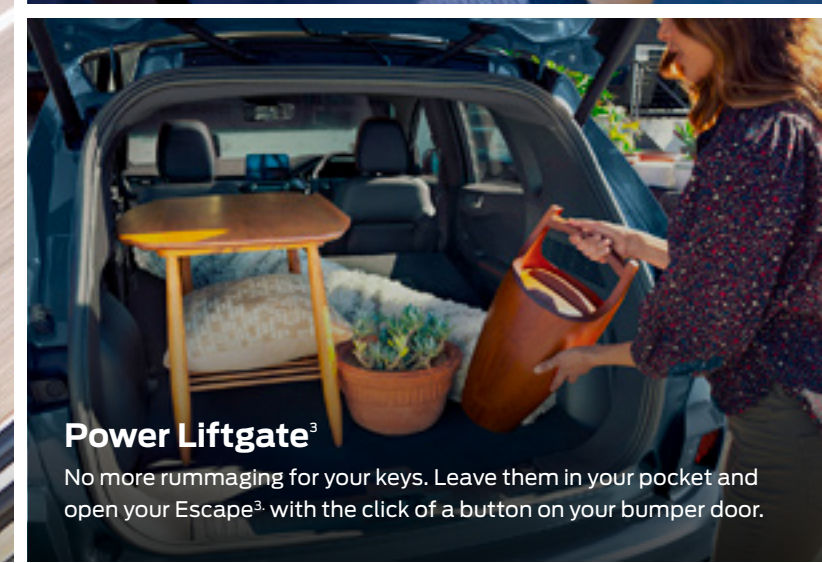

Ford Connectivity

Every Escape comes fitted with an embedded modem known as FordPass² Connect. Once activated, using the FordPass App on your smartphone you can locate your vehicle, lock and unlock the doors, and even start the engine remotely².

Scan to find out more about **FordPass**

FordPass App appearance as at June 2022 with minimum iOS 13.0 software or later and compatible device.

Power Liftgate³

No more rummaging for your keys. Leave them in your pocket and open your Escape³ with the click of a button on your bumper door.

Plug-in Hybrid

The Escape PHEV can travel up to 56km with zero emissions⁴, while, for longer journeys, power split technology recharges the hybrid battery as you drive.

PLUG-IN Hybrid

167 kW @ 6,250 RPM
Fuel Efficiency 1.5 (L/100km)¹

Keeping an eye on the road

Scan to watch
Escape videos

From alerting you to potential collision hazards with AEB and Pedestrian Detection^{5,6}, to clever systems that read traffic signs, the new Escape helps keep you safer on the road.

Adaptive Cruise Control^{6,7}

Set your cruising speed and the Escape will monitor traffic ahead to help slow down or speed up accordingly.

A. Heads-up Display

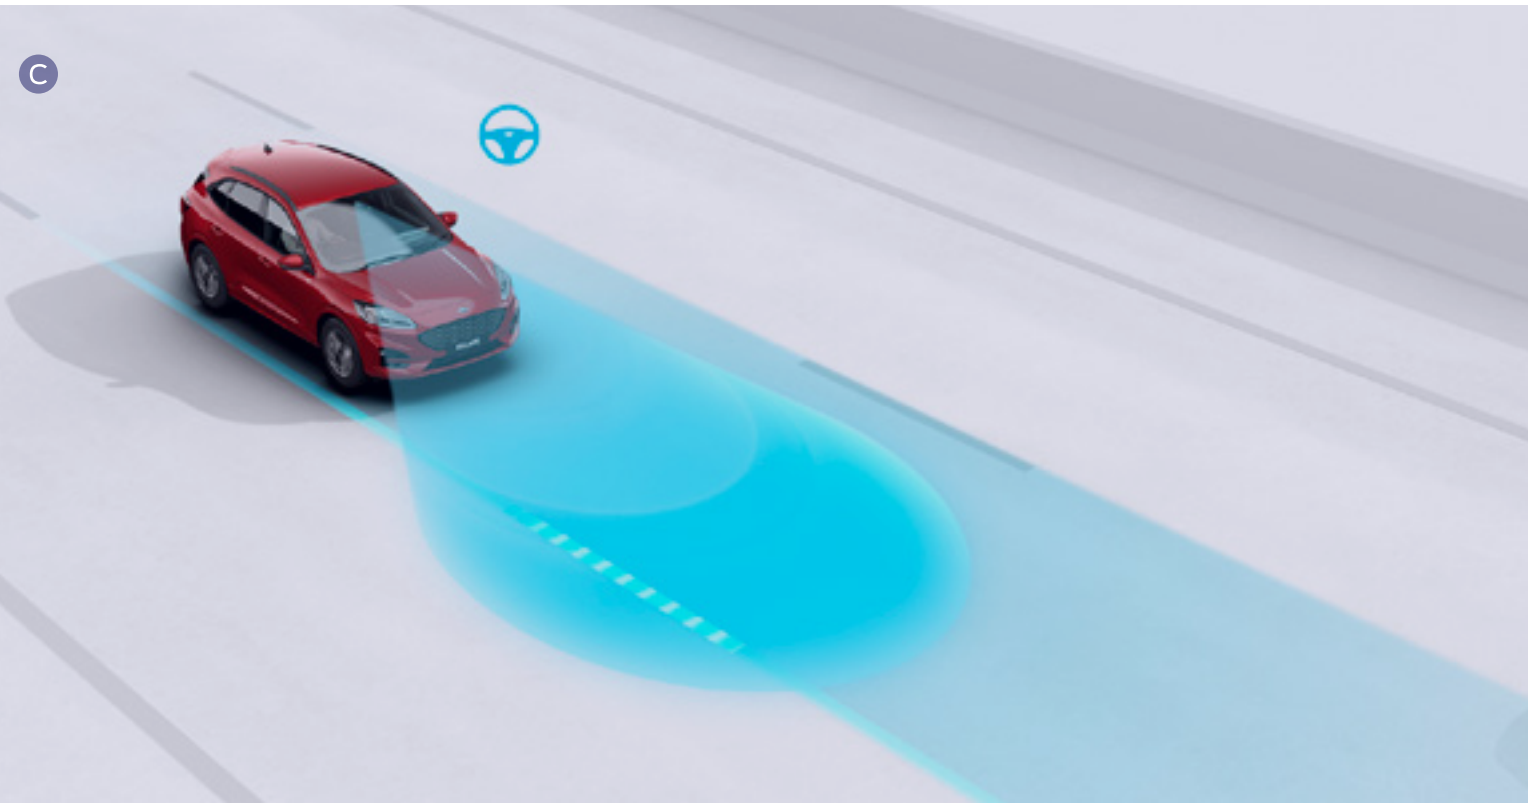

Standard on Escape Vignale and optional on other variants, the heads-up display projects key information into your field of vision, so you can keep your eyes on the road ahead⁹.

B. Apple CarPlay™/Android Auto™

Seamlessly integrate your compatible smartphone through Apple CarPlay™, Android Auto™ & Applink® for hands-free control of your favourite apps^{9,10}. Stay connected with the 8-inch touch screen display, for better visibility and more control.

C. Lane-keeping Aid⁶

If you accidentally drift out of your lane, the Escape will apply gentle steering torque and a warning vibration to guide you back, if needed.

1800kg
Towing Capacity¹¹

A small SUV that's big in utility, Escape has power and ability there for when you need it. The Escape 2.0L Petrol can tow up to 1800kg¹¹.

Sliding rear seats

Need more boot-space for a big trip or want the luxury of extra legroom in the back? Flexible rear seating slides forward or backward to suit your needs.

Room to move

The perfect small SUV for weekend adventures, Escape features flexible interiors and innovative storage that adapts to your every need.

D. 5 Selectable drive modes⁶

The Ford Escape comes with five selectable drive modes to suit varying conditions – normal, eco, sport, slippery deep snow/sand and trail.

E. Wireless charging

With wireless charging standard across the range, you can ensure your compatible devices are ready to go at all times.

F. Large boot space

With ample cargo space for weekend adventurers, Escape offers 556L of luggage space in the rear, increasing up to 1478L with the rear seats down.

G. B&O PLAY premium sound system¹²

The advanced 10-speaker, 575-watt set-up has been specifically developed and fine-tuned for the Escape ST-Line Plug-In Hybrid & Vignale by specialist B&O sound engineers.

1. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 2. Use of FordPass is subject to the FordPass Terms and Privacy Policy available on ford.com.au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). FordPass functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. The FordPass Connect modem will only function on the 3G or 4G telecommunications networks. When these networks are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. 3. Power Liftgate is standard on Escape Vignale and available as an option at additional cost on Ford Escape and ST-Line. 4. Escape PHEV has a battery size of 14.4kWh which gives a maximum all electric range of 56km/35miles (range may vary depending on the vehicle, weather conditions and driving behaviour). Quoted WLTP Figures with options represent the weighted electric-petrol fuel consumption. 5. AEB with Pedestrian and Cyclist Detection operates at speeds between 5km/h and 80km/h. 6. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. 7. ACC has a minimum operating speed of 30km/h. The Stop & Go functionality of this system operates as low as 0km/h in traffic jam situations. 8. Heads-up display standard on Escape Vignale only. Available as an option on Escape, Escape ST-Line and PHEV. 9. Bluetooth[®] is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 10. Apple CarPlay™ / Android Auto™ requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC[®] does not control Apple CarPlay™ / Android Auto™ while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink[®] is available on selected SYNC[®] models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 11. Maximum towing capacity-braked using an optional, Dealer fit Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 12. BANG & OLUFSEN[®] 2023 and B&O 2023. BANG & OLUFSEN[®] and B&O[®] are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive System Manufacturing Kft. All rights reserved. 13. Traffic Message Channel is currently provided through an arrangement with Intelomatics Australia Pty Ltd (Intelomatics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intelomatics cease for any reason. 14. Don't drive distracted. Use voice operated systems where possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. 15. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.

Service made easy

When you service at a Ford Dealer with our factory trained technicians, your peace of mind is our top priority.

Ford Dealers use Genuine Ford Parts made for your vehicle (where possible) and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford service benefits on offer.

Service Loan Car¹

So you can stay on the road when you're getting your car serviced, you can take advantage of our Service Loan Car program (subject to availability at participating dealers).

Roadside Assistance²

Enjoy Ford National Roadside Assistance with your vehicle purchase and following each General Service at a participating Ford Dealer. Retail customers also receive Auto Club Lifestyle Membership.

Discover the full range of Ford service benefits by visiting ford.com.au/owners/service or scan the QR code to find out more.

Intelligent Oil Life Monitoring System (IOLM)

Intelligent Oil Life Monitoring System (IOLM)

The Intelligent Oil Life Monitor is a smart system that measures the performance of your vehicle's oil and alerts you when the oil needs changing.

8 Year / 160,000km EV Drivetrain Warranty

As a Ford EV/PHEV owner the electrical drivetrain components (including the battery) of your new vehicle will receive an **Eight Year / 160,000km (whichever occurs first) Warranty³**. Warranty conditions apply. See ford.com.au/owners/warranties for full details.

5 Year / Unlimited Km Warranty

As a Ford owner your new vehicle will receive a **Five Year / Unlimited Kilometre Ford Express New Vehicle Warranty³**. Warranty conditions apply. See ford.com.au/owners/warranties for full details.

1. Available at participating dealers on scheduled services or overnight warranty repairs. Private and Blue, Silver and Gold Business Fleet customers only. Provision of a Service Loan Car may be dependent on advanced booking and availability. See www.ford.com.au/service/t-and-c for full terms. 2. Available to Private and Blue Business Fleet customers with vehicles up to 7 years old from date of first vehicle registration. Roadside Assistance and Auto Club Lifestyle Membership is included for 12 months or until your next eligible standard service (whichever occurs first) at a Ford Dealership. Customers must comply with scheduled servicing intervals to maintain continuity of membership. See www.ford.com.au/service/owners/t-and-c for full terms. 3. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees.

This brochure details specifications and features of the 2023.25MY Escape onwards Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2023.25MY Escape onwards. Please visit our website www.ford.com.au for more information. This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
