

The California Specifications

The California Beach

A modern Day camper

Sleeping under the stars.

Being awakened by the soothing rushing of the sea in the morning, discovering hidden wonders and yet still feeling at home, the California is pure freedom.

With its comfortable interior and well thought-out details, it transforms every trip into an unforgettable adventure. Savour your independence and travel wherever you want to. With everything you need at your fingertips.

Highlights

- Compact all-rounder for everyday and leisure use
- Five or Seven seat option
- Comfortable sleeping for four
- Easy operating Camper control unit
- Elevating roof
- Available in front-wheel drive or 4MOTION all-wheel drive

Camping equipment

- Manual elevating roof with two side windows and panorama front opening window
- Fully sprung loft bed (1,200mm x 2,000mm) with comfortable mattress
- Bed extension for rear bench seat with comfort sleeping mattress
- Camping table and two folding chairs
- Camper control unit with touch screen
- Pull-out awning with housing and rail in black or silver
- Magnetic rechargeable torch

Driver Assistance Systems

- Front Assist with City Emergency Brake (CEB)*
- Crosswind Assist*
- Side Assist (Blindspot monitoring) with Rear Traffic Alert*
- Driver Fatigue Detection*
- Hill-Start Assist
- Multi-Collision Brake (MCB)
- Electronic Stabilisation Programme (ESP)
- Traction Control System (TCS)
- Anti-lock braking system and brake assist
- Driver and front passenger front and side/head airbags
- Front and Rear Parking Sensors*
- Rear View Camera*

Interior

- Five (5) or Seven (7) seater¹
- 3-seater bench with reclining seat mechanism and storage compartment, movable, in 3rd row
- 180° swivel seats with armrests and lumbar supports for driver and front passengers seats
- Leather-wrapped steering wheel, height and longitudinal adjustment
- Rear seat rail system, allowing longitudinal adjustment
- Carpet floor for front cabin in Titanium Black
- Plastic floor for passenger compartment in Titanium Black
- Cloth seat covering in "Quadratic"
- LED interior lighting with two reading lights in the roof console

Exterior

- H7 twin halogen headlights
- Radiator grille with double chrome trim strip
- Daytime running lights (DRL)
- Power latching sliding doors, left and right
- Power latching rear tailgate with window and wiper/washer
- 17-inch Alloy wheels 'Aracaju'
- Full sized steel spare wheel
- Body colour bumpers, exterior door mirror housings and door handles
- Privacy glass in the passenger compartment

Function

- Electromechanical power steering
- 8" audio and satellite
- Two USB-C ports and wireless App-Connect~
- Adaptive Cruise Control (ACC)*
- Electronic immobiliser
- Central locking with remote control
- Power windows and heated electric folding exterior mirrors
- Climatronic air conditioning system
- Programable auxiliary air parking heater
- Automatic headlights with rain sensing wipers and dimmable rear view mirror
- Second battery
- Electric interior child lock
- Tyre pressure monitoring system

* Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

~ App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, optional connection cable (sold separately).

1. Seven (7) seats only available on TDI340 DSG front-wheel drive variant.

Maximum comfort. Total freedom

The spacious cabin offers excellent acoustic and thermal insulation while providing plenty of room to spread yourself out. Accommodates sleeping for up to four people including the loft space which is fitted with sprung bed base and a panorama window with clear view to the horizon. The central camper control panel enables you to dim the LED ambient lighting, manage the heating system and operate the optional electro-hydraulic elevating roof.

Block out blinds for privacy and quality sleep.

The front windscreen can be blacked out by two roller blinds and the side windows by magnetic curtains. The integrated roller blinds can be pulled down in guide rails and ensure the windows are screened in all sides. Their reflective aluminium coating on the outside provides additional protection against the heat.

Comfort at your fingertips.

The camper control panel provides you with a digital central unit that you can use to conveniently control many different functions such as setting auxiliary parking heater to continuously operate through out the night.

Elevating Roof.

The manual elevating roof can be easily unlocked through the interior opening and then pushed up. Alternatively the optional electro-hydraulic elevating roof can be opened and closed via a push of a button using the camper control panel.

After a long day exploring, there's nothing better than returning to your California to kick back and relax. With an impressive range of standard equipment, including the latest touch-screen radio and navigation systems and integrated wireless App-Connect.~

Image shows optional Discover Pro and Digital Cockpit.

Pure driving pleasure. On any terrain

The engine and gearbox combinations ensure optimum performance and driving pleasure. 4MOTION all-wheel drive provides exceptional traction on virtually any surface, while the dual clutch gearbox (DSG) significantly enhances driving comfort with its smooth gear changes.

2.0L TDI340 (110kW, 340Nm) (DSG) FWD)

Average fuel consumption from 6.6L/100km**

2.0L TDI450 (146kW, 450Nm) (DSG) 4MOTION

Average fuel consumption from 7.8L/100km**

**Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

The new generation 4MOTION all-wheel drive.

4MOTION all-wheel drive provides impressive traction, optimum handling and greater steering control, helping you master difficult conditions. The power transmission adjusts automatically to the driving situation via an electronically controlled clutch on the rear axle.

Dual clutch gearbox DSG.

The standard 7-speed dual clutch gearbox (DSG) delivers fully automatic, almost imperceptible gear changing with no interruption in power flow, significantly enhancing driving comfort and efficiency.

Mechanical differential lock.

The mechanical differential lock is available as an option for the rear axle, providing additional support to the 4MOTION all-wheel drive making it easier to pull away in difficult off-road conditions and making the California one of the most effective all-terrain vehicles in its class.

Hill Descent Assist.

This optional system allows you to descend slopes in a safe, controlled way by regulating the engine speed and applying the brakes as necessary.

Volkswagen Accessories

Volkswagen Genuine Accessories ensures your Volkswagen remains 100% Volkswagen. The extensive range of California Beach.

Accessories provides you with the opportunity to adapt your vehicle even more precisely to your individual needs. From transport, exterior and interior solutions to alloy wheels that perfectly complement your Volkswagen.

01 Travel & Comfort system - Tablet holder.

The Volkswagen innovative Travel & Comfort system has a basic module that is simply fixed between the front seat headrest mountings and can be used with various attachments which brings comfort and convenience to any journey.

Please contact your local Volkswagen Dealer for compatible tablet devices.

02 Bicycle tailgate carrier. With the ability to carry up to four adult sized bikes (max payload of 60kg), this genuine bicycle carrier is the perfect accessory for when travelling with friends or family. Designed to work around you, the carrier does not prohibit the opening of the tailgate, and allows the vehicle to be used as normal when the bikes are removed from the rack.

03 Tow bar kit. The Volkswagen California Beach towbar is designed for perfect integration with your vehicle chassis and tested to meet the stringent Australian and Volkswagen engineering standards. The genuine electrical installation kit provides the electrical supply, and ensures that the trailer can be operated safely. Full integration into the vehicle's CAN-bus network is provided for all components, including support for the vehicle-trailer stabilisation system.

Roof bar load limit 50kg

Overseas model shown

04 Slimline weathershields. Enjoy the circulating fresh air, even when it's raining or snowing, or avoid the unpleasant build-up of heat on hot days by opening the windows slightly. Front only.

05 Roof bars. The genuine roof bars provide the base for all roof attachments with an aerodynamic design to suit the California Beach.

06 Rubber floor mat set. The Volkswagen rubber mats protect your vehicle interior from dirt and moisture. They are designed to fit perfectly, are easy to clean and have a non-slip underside. For the front only.

Rear Axle	Semi-trailing independent rear axle with coli springs and anti-roll bar	Rear	Ventilated disc 294mm
Steering	Electromechanical power steering		

^ The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

** Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Dimensions

1. The Unladen Mass (UM) includes 10L of fuel, vehicle fluids and no occupants. Figures quoted are for base model vehicles only.

2. Payload is defined as the Gross Vehicle Mass (GVM) minus the Kerb Mass. Payload is the maximum combined weight of occupants, cargo, added structures and tow ball down weight (when towing). GVM must not be exceeded.

* Towing capacities are applicable to Volkswagen Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

Peace of Mind

5 years Unlimited Kilometre Warranty

At Volkswagen, we pride ourselves on the highest quality standards that come with German engineering.

We back this commitment with a 5 year unlimited kilometre warranty on all new Volkswagen vehicles*.

1 year Roadside Assist

Every new Volkswagen comes with a 1 year Roadside Assist membership^.

That's 24 hour roadside assistance, emergency accommodation, car rental and towing as well as property and other assistance, all included for added peace of mind.

Volkswagen Care Plans

Volkswagen Care Plans† have you covered for your first 3 or 5 scheduled services, providing you savings off the total Assured Service Pricing RRP. It's convenient, hassle-free scheduled servicing easily available for purchase at your local Volkswagen Dealer.

Assured Service Pricing

Assured Service Pricing# gives you the transparency of knowing how much your service will cost up front.

Our Volkswagen Dealers have access to the latest diagnostic equipment and tools. Plus, they use Volkswagen Genuine Parts® to ensure your Volkswagen stays a Volkswagen.

You're in safe hands at your Volkswagen Dealer when it comes to servicing.

*Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

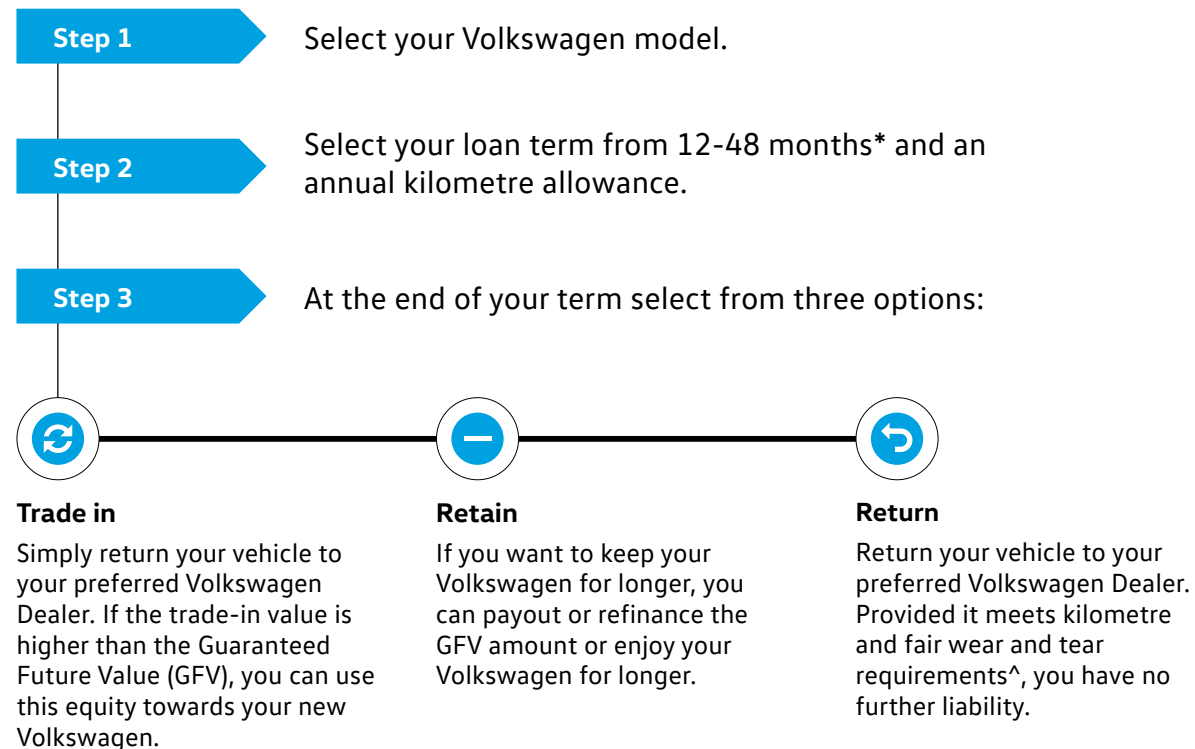

^Volkswagen Roadside Assist is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/roadside-assist.html>.

†Volkswagen Care Plans are available at participating Volkswagen Dealers for all models and covers standard items as contained in each scheduled service interval only. These Care Plans can only be purchased prior to the first scheduled service and up to 22,500 km/15 months (whichever occurs first) for all models except Volkswagen Crafter models, which is 30,000 km/15 months (whichever occurs first). The time frame takes effect from when the vehicle is first reported in our system as 'sold'. Discount structure varies by model. For details of what is not included in a scheduled service, see <https://www.volkswagen.com.au/en/owners-service/care-plans.html>.

#Assured Service Pricing applies to the first 5 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first) or for Volkswagen Crafter models only, 20,000 km/12 month interval (whichever occurs first). On or before 31 December each year, Volkswagen will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on the Eligible Model List, pricing, items not included and for full terms and conditions, please see <https://www.volkswagen.com.au/app/locals/service-pricing-guide>.

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

*GFV terms offered subject to change.

[^]Volkswagen Guaranteed Future Value consists of an option to return your vehicle to Volkswagen Financial Services (VFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires VFS to purchase the vehicle at an agreed price determined by VFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator Volkswagen vehicles for selected models. Contact your Official Volkswagen Dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.
