Exterior

With its sleek lines, striking proportions and powerful on-road presence, the Tiguan Allspace has been designed to turn heads. No matter the angle it's viewed from, the Tiguan Allspace radiates a sense of space, style and understated confidence.

Compared to the 5-seat Tiguan, the 7-seat Tiguan Allspace is not only longer overall, but has a longer wheelbase and rear overhang. The bonnet of the Tiguan Allspace has been raised above the radiator grille and the rear doors made longer in order to keep the vehicle perfectly proportioned. Dynamic LED headlights and a full chrome grille come as standard on both the Comfortline and Highline equipment grades, but the Highline sets itself apart with a premium-looking chrome strip below the grille.

A prominent character line draws the eye down the length of the vehicle, as do raised ridges on the roof. The character line draws attention to the Tiguan Allspace's silver painted side mirrors, which fold automatically when not in use. Viewing the Tiguan Allspace in profile also offers a chance to appreciate the vehicle's unique 18-inch 'Kingston' alloy wheels (in the 132TSI and Comfortline variant).

Towards the rear is a larger rear window to allow more light into the third row and LED tail lights (premium LED tail lights in the Highline) that help give the Tiguan Allspace its distinctive appearance. An electronic tailgate with Easy Open and Close makes opening the boot a breeze, while Dual Trapezoidal Chrome Trim Exhausts extend the chrome theme from front to rear.

Unique design elements such as Tiguan Allspace badging on the tailgate and distinctive front quarter panel 4MOTION badging (on all 4MOTION variants) let other motorists know you're driving one of the most capable vehicles on the road.

03 Suzuka 20" alloy wheel (available in optional R-Line package)

Interior

Volkswagen's first-ever Australian 7-seat SUV offers levels of space and versatility that take the stress out of the everyday school run, trip to the airport or weekend camping holiday.

Transporting seven people is all in a day's work for the Tiguan Allspace, which offers a wealth of seating configuration options to choose from. As for luggage capacity, there's an astonishing 1775L available with the vehicle in two-seat configuration, 700L when in five-seat configuration and an impressive 230L when all seven seats are in use.

Volkswagen's customary levels of sophistication and comfort are on display throughout the cabin. Chequer Flag Titanium interior trim in the Comfortline equipment grade and Dark Grid in the Highline provide a sense of class and distinction, while driver and passenger seats are supple to the touch and supportive even on long drives.

There's no limit to the entertainment you can enjoy in the Tiguan Allspace thanks to the latest-generation 8-inch Discover Media Infotainment system (in the Comfortline) and 9.2-inch Discover Pro Infotainment system (Highline). Both systems feature clever App-Connect™ technology that allows selected smartphone apps via Apple CarPlay® and Android Auto™. The addition of three USB ports means you'll never be without power for your phone or tablet device.

Two added features in the Tiguan Allspace make it easy to use the vehicle's infotainment system while allowing you to focus on the road ahead. Standard across the range is Media Control, an ingenious feature that puts one of your passengers in charge by allowing them to select the music played, and more, via their smartphone or tablet. The other is Gesture Control, an interactive feature available on the Discover Pro Infotainment system (Highline models) that allows the driver to browse through various menus with a simple mid-air swipe of the hand.

Technology and Safety

Look no further than the Tiguan Allspace for all the latest in technological innovations to provide you with a safe and pleasurable drive.

Among the advanced driver assistance systems included as standard are Front Assist with City Emergency Brake* (City EB) and Pedestrian Monitoring*, which use a radar sensor to help avoid or mitigate an impact with a vehicle or pedestrian in front of the vehicle. Lane Assist* helps keeps your Tiguan Allspace on track by detecting if it is straying from its intended course and gently counter-steering it back into the lane. And parking is a cinch with Park Assist*, which uses Rear View Camera* and sensors around your vehicle to assist you with backing into and out of tight parking spaces.

Additional standard inclusions are Driver Fatigue Detection*, which provides a visual and audible signal when it's time to take a break, and clever Multi-collision Brake technology, which automatically initiates braking after a collision to prevent or minimise the severity of subsequent collisions.

Volkswagen's Driver Assistance package (optional on Comfortline and standard on Highline) provides extra peace of mind with a suite of advanced features to assist day-to-day driving. Adaptive Cruise Control (ACC)*, Dynamic Light Assist, Traffic Jam Assist* and Side Assist* with Rear Traffic Alert* are all exceedingly helpful in busy traffic situations, while Emergency Assist* acts to bring your Tiguan Allspace to an emergency stop in the unlikely event that the driver is incapacitated.

Optional as part of the Sound and Vision package is 360-degree Area View*, which uses strategically placed cameras to provide a bird's eye view of the area around your vehicle. Plus, the high-resolution Active Info Display behind the steering wheel puts everything you need right in front of you, including driver assistance and vehicle functions.

Performance

The Tiguan Allspace doesn't just redefine stylish and practical motoring, it stays true to Volkswagen's promise of exhilarating performance with every drive.

Available in the TSI petrol range, the Tiguan Allspace provides a spirited driving experience bolstered by smooth power delivery, plenty of torque and reliable DSG transmissions.

Drivers wanting extra serves of power and torque will relish the 2.0-litre 132TSI (with 132kW and 320Nm), 7-speed DSG and 4MOTION all-wheel-drive system available in the Comfortline range.

The Highline range offers a premium driving experience with its 2.0-litre 162TSI engine (162kW and 350Nm) inspiring confidence no matter the challenge. Volkswagen's 7-speed DSG transmission and 4MOTION technology are standard in the Highline range.

Every Tiguan Allspace fitted with 4MOTION receives Active Control, which allows the driver to tailor his or her driving experience by allowing them to select one of four special all-wheel drive modes (snow, on-road and two off-road settings: one automatic and one variable) via a rotary switch. A central mode button activates the Driving Profile Selection, which offers further personalisation of the on-road mode with Normal, Sport and Eco profiles available to the driver.

Optional Packages

Few vehicles can claim to offer as many impressive features as standard as the Tiguan Allspace. But adding an optional package takes the Tiguan Allspace to the next level.

The optional Luxury Package is ideal for Comfortline owners who want that extra bit of indulgence in their drive. Included in the package is Vienna leather appointed upholstery[#] (7 Seats), electrically adjustable driver seat with memory function, heated front seats and a panoramic electric glass sunroof.

Drivers wanting to make the ultimate statement can opt to include the optional R-Line package available with the Highline variant only. Potent styling additions inside the vehicle include brushed stainless steel pedals, an R-Line steering wheel with paddles and R-Line embossed Black Vienna leather appointed seats[#]. R-Line bumpers and side sills, a black rear spoiler and distinctive 20-inch 'Suzuka' alloy wheels are all exterior additions that offer a bold declaration of the vehicle's performance pedigree.

Audiophiles will appreciate the crystal-clear clarity and superb bass response offered by the Dynaudio Excite Premium Sound System available with the optional Sound and Vision Package (available with Comfortline and Highline variants only). The package also features Volkswagen's impressive Active Info Display that puts high-definition vehicle information right before the driver's eyes — and 360-degree Area View* for a trouble-free parking experience.

Also offered as an option is a slide and tilt Panoramic Glass Roof (Highline variant only), perfect for letting natural light (but not the wind) into your vehicle cabin.

Colours & Upholstery

Customise your Tiguan Allspace by choosing one of several available paint finishes. In addition to Pure White and Deep Black Pearl Effect, there are four different metallic paint options available: Platinum Grey, White Silver, Blue Silk and Ruby Red.

Select the Comfortline equipment grade and your Tiguan Allspace receives Black Comfort Cloth upholstery as standard. Soft and supple Black Vienna leather appointed upholstery# is standard in the Highline or as part of the optional Luxury package in the Comfortline, which includes electrically adjustable drivers seat with memory function, heated front seats and panoramic electric glass sunroof. For an extra premium feel in the Highline, you can select distinctive Storm Grey Vienna leather# appointed upholstery as a special dealer order.

Volkswagen Choice

Volkswagen Choice

Guaranteed Future Value

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

[^]The Volkswagen Choice Program consists of an option to return the vehicle to Volkswagen Financial Services (VFS)** at the end of the term and require VFS** to purchase the vehicle at an agreed price known as the Guaranteed Future Value or GFV as determined by VFS** and set out in your contract. At the end of the term, you can elect to: (1) trade-in the vehicle; (2) exercise the option to return the vehicle; or (3) retain the vehicle by paying the GFV. The GFV is not a representation by VFS** as to the likely market value of the vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership the vehicles that are eligible for the program. The GFV will be reduced, and you will be liable for any loan contract deficit, if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition in accordance with the Fair Wear and Tear Guide available at www.volkswagen.com.au. Other terms and conditions apply. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of VFS**. Subject to credit assessment. Standard fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. **VFS is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.
