Features

Specifications apply to 2024 Model Year EV6. Kia Australia reserves the right to discontinue or change the models, features, specifications, options, designs and prices of products referred to in this sheet without incurring any liability whatsoever to any purchaser or prospective purchaser of any such products. Some of the items herein are optional at additional cost. Consult your Kia dealer for the latest information on models, specifications, features, prices, options and availability. Note: Model Year 2024 EV6 will undergo all necessary inspections when available. Until inspections are complete, all information and illustrations are based on data available at the time of publication and subject to change without notice. ¹ Charging times are based on Kia HQ testing and actual charge times will be dependent on charging conditions, including home charging type and condition, battery temperature as well as ambient temperature. Before using this product at home, consult with a licensed electrician to ensure your home electrical system can support the use. ² Figures based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) static laboratory combined average city and highway cycle test, which measure, energy consumption, range and emissions in passenger vehicles, designed to provide figures closer to real-world driving behaviour. Real life driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions. ⁵ Subject to State regulations and towbar design. ⁴ MDPS - Motor Driven Power Steering. ⁵ DMS - Drive Mode Select. ⁶ Safety technologies are supplemental systems and do not replace the need for the driver to exercise care and attention. ⁷ EBD - Electronic Brake Distribution. ⁸ BA - Brake Assist. ⁹ TCS - Traction Control System. ¹⁰ The Road Traffic Code 2000 in WA prohibits people from dri
