

HAVAL H6 GT

Who is GWM?

Built for the world, by the world.

GWM is a world-renowned vehicle manufacturer and the parent company of Haval.

At GWM, everything we do is grounded in our corporate philosophy: 'improving little by little, every day.' From building world-class research and development systems, which enable continuous innovation, to following the 'excessive investment' principle, which drives industry leadership, we relentlessly put our philosophy into practice.

Haval is a global SUV specialist and part of the rapidly-growing GWM group. We are proud to make vehicles that combine the best components, technology and safety features from around the world. With over 6 million sales to date in more than 60 countries (and counting), we are the No.1 SUV brand in the world's largest market and have been for the past 15 years. We attribute our success to passion, drive and a commitment to listening to our customers.

H6GT. The Driving Paradox.

Combining sleek and sporty exterior lines with SUV practicality, the new Haval H6GT is The Driving Paradox. With a choice of 2WD and 4WD drivetrains, the H6GT SUV is astute in all driving conditions and lacks for nothing in terms of performance.

The H6GT is built around the driver with a beautifully crafted interior giving a balance of versatility and modern luxuries to effortlessly perform in everyday life.

The new 2.0 litre turbo petrol engine packs a punch, delivering performance when and where you need it.

The second generation 7-speed Dual Clutch Transmission improves throttle response timing, and increases efficiency to provide crisp gear shifts and a more direct drive feel.

The intelligent 4WD System can redistribute torque between front and rear axles within just 110ms and to a ratio of up to 50/50 to ensure grip in even the most challenging conditions.
