

Keep track of your fleet with our compliments.

Receive 12 months complimentary access to the telematics program*.

As part of our commitment to keeping your business moving, when you purchase a new Mercedes-Benz truck, you will also receive complimentary access to the telematics program*, allowing you to monitor driver performance data, track vehicle location and trips, plan for maintenance and receive update information on your vehicle.

To find out more about Telematics, visit mercedes-benz.com.au/telematics or contact your local authorised Mercedes-Benz Trucks Dealer.

*Offer available until 31st December 2018 and on Actros, Arocs and Atego models only. Telematics services are provided by Directed Electronics OE Pty Ltd ('DE'). Offer is subject to the vehicle owner signing up to DE's Telematics Services terms and conditions during the offer period.
