

**MINI COUNTRYMAN.**

# DO THINGS DIFFERENTLY. AGAIN.

How do you go about inventing an icon like the MINI? According to its designer, Sir Alec Issigonis, you simply do things differently to everybody else. We've been doing things differently for generations and the MINI range just goes to show that while you can't go past an original, you can keep the essence of a good thing and make it even better.

When you take a huge step forward it offers a great view of the past, and it's a past we're proud of thanks to John Cooper who

revolutionised racing in the 1950s. His tireless commitment to racing led to such milestones as a legendary MINI Bathurst victory in 1966 and three Monte Carlo Rally wins to name but a few.

Reinventing an icon like MINI is no easy task. You have to create a vehicle that exceeds the demands of twenty-first century driving, while remaining true to the original. Of course, you'll find some things never go out of fashion, like the MINI DNA – low centre of gravity, short wheelbase and legendary go-kart handling,

eye-catching lines and a distinctive profile, all finished off with a touch of chrome.

The latest generation of MINIs are as unmistakably modern as the originals. From the classic Hatch and convention-defying Countryman SUV, right through to the versatile Clubman and open top Convertible, every member of the MINI family is ready to take on any adventure.

## ADD STORIES.

Great stories don't write themselves, you have to go out and find them. That's where the MINI Countryman comes in. Rough, rugged and resilient, this spacious five-seater SAV gives you a genuine MINI experience along with the comfort and versatility you need to go exploring.

When adventure does come calling, it might be to the seaside, or the mountain top. On road, or off. For weeks on end, or even just the weekend. It doesn't matter. The MINI Countryman has what it takes to get you where you want to be, whenever you want to go. With its powerful off-road capabilities, signature MINI craftsmanship and all the latest innovations, it's as confident in the great outdoors as it is in the urban jungle.

So go out and explore in the MINI Countryman. Add memories, add friends and add experiences. And when you return, go tell your story.

# MODELS.
