132TSI Premium with optional Sports Luxury Package shown

Golf Alltrack.

The anywhere Golf.

The Golf Alltrack has been designed and built with the needs of the modern Australian driver firmly in mind. Versatile, comfortable and stylish, the Golf Alltrack is the perfect all-rounder, a vehicle engineered to take on challenging long-distance drives, but just at home on short drives around the city.

With two variants available to choose from, the Golf Alltrack can be attuned to fit perfectly with the demands of your lifestyle. Volkswagen's tried and tested 132kW TSI petrol engine offering comes in Standard and Premium trim.

The latest range presents a fresh and confident face to the world courtesy of a number of design updates. Revisions to the Golf Alltrack's rugged and eye-catching body shape, plus the addition of LED technology to front and rear lights, and interior trim and decorative inlays, combine to make a bold statement. Other appealing features stay exactly the same, such as confidence-inspiring 4MOTION technology, which is a standard inclusion across the range.

All Volkswagens are equipped with the very latest technology and the Golf Alltrack is no exception. The vehicle brims with the latest advancements in driver assistance technology, while there's no denying the appeal of the Golf Alltrack's optional Sound & Vision package with the Discover Pro 9.2" infotainment system, Dynaudio premium audio and Active Info Display. Offering the ultimate in all-terrain, all-purpose driving, the Golf Alltrack is truly a vehicle for the adventurous and the adventurous at heart.

Exterior

Sporty, stylish and sturdy, the Golf Alltrack combines the space and practicality of a family-sized wagon with the go-anywhere resilience of a robust off-roader. Styling enhancements reveal an evolution of the Golf Alltrack shape, meaning it is better equipped than ever before to withstand the challenges presented by the great Australian outdoors.

With its raised ground clearance, the Golf Alltrack can take on uneven surfaces with confidence, while durable 17" Valley alloy wheels (and optional 18" Kalamata alloy wheels) keep the Golf Alltrack firmly planted, whether on bitumen or loose gravel.

Rugged it may be, but the Golf Alltrack sacrifices nothing in terms of style and poise. Chrome and silver highlights all around the vehicle lend an attractive touch. These highlights include Silver door mirrors and side sill extensions, as well as Silver underbody trim and chrome trim strips on the side windows. Chrome roof rails provide the perfect excuse to stow additional gear next time you embark on a long-haul trip.

Country driving requires clear night-time vision and the ability to be seen from afar. With LED daytime lights and LED tail lights as standard, the Golf Alltrack is an assertive and distinctive presence on the road. LED headlights within the Premium variant casts an exceptionally strong beam over the oncoming road. Front fog lights with static cornering lights illuminate the way when visibility is compromised. A bold rear diffuser distinguishes the Golf Alltrack from the rear, while exposed dual chrome exhaust tailpipes complement the chrome highlights found elsewhere on the bodywork.

(available on optional Sport Luxury Package)

Interior

The Golf Alltrack is as luxurious and comfortable inside as it is stylish and durable outside. Quality materials have been used throughout the cabin, including interior trims and decorative inlays, raising refinement to levels unsurpassed in the Golf Alltrack's class. The leather multi-function steering wheel and gearshift knob are a delight to touch, as are the comfortable and supportive seats complete with Black 'Summits' cloth (132TSI) or perforated leather appointed (Premium variants) seat upholstery#.

And this wouldn't be a Volkswagen if it wasn't equipped with the very latest technology to make every drive an enjoyable one. Volkswagen's attractive and intuitive 8" infotainment system with App-Connect~ puts the world of information and entertainment at the driver's fingertips, while selecting the optional Sound and Vision Package equips the vehicle with the next-generation Discover Pro 9.2" satellite navigation system with Gesture Control‡, Dynaudio Excite 400W premium audio system and impressive Active Info Display‡ instrument cluster.

Unlocking and starting the Golf Alltrack is a cinch with clever Keyless Access. As long as you have your key on you, the doors will unlock just by operating a front door handle. The system releases the steering lock and turns on the ignition electronically without you having to insert the key. The engine can then be started simply by pressing the start button.

Of course, any wagon worth its salt needs a large luggage compartment. The Golf Alltrack has an impressive 605 litres of boot space available, making it enormously useful whether on a camping holiday or a trip to the local supermarket. With the rear seats folded down, the capacity becomes an outstanding 1620 litres. The 40/60 split folding rear seats even offer remote unlocking for ease of use. A luggage partition net keeps belongings separate from the cabin of the car for added convenience.

02 Spacious luggage compartment

03 Front door stainless steel sill scuff plates

#Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

~App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately). ‡Available as part of the optional Sound and Vision Package.

Highlights

The Golf Alltrack promises a serene and confidence-inspiring driving experience courtesy of its refined transmission and engine.

The powerful 1.8-litre turbocharged 132kW TSI petrol engine is a perfect match with Volkswagen's sophisticated and sweet-shifting Direct Shift Gearbox (DSG). The Golf Alltrack's engine is equipped with BlueMotion technologies to help promote economical driving.

With 4MOTION all-wheel drive standard across the entire range, the Golf Alltrack has been optimised to tackle even the most challenging terrain. It works in partnership with other clever technology such as Extended Electronic Differential Lock (XDL) and Electronic Stabilisation Program (ESP) to maximise traction even on challenging surfaces.

Further assisting drivers is Driving Profile Selection, which allows for customisation of the Golf Alltrack's settings to suit prevailing conditions. As well as the pre-set driving modes of Normal, Sport and Eco, the Golf Alltrack features an Off-road mode that activates Hill Descent Control* and adapts the Anti-Lock Braking System (ABS) and accelerator pedal response for off-road driving.

The result is an exceedingly safe and reassuring drive that is helped further by a wide range of safety and assistance systems as standard. This includes Manoeuvre Braking*, front and rear; which assists the driver to avoid or reduce damage in a potential low speed impact by initiating emergency braking, Front Assist with City Emergency Brake (City EB) and Pedestrian Monitoring*, Multi-Collision Brake and Driver Fatigue Detection* system. Optional for the 132TSI and standard on the 132TSI Premium is Volkswagen's Park Assist* technology, as well as Traffic Jam Assist*, Emergency Assist*, Lane Assist* and Adaptive Cruise Control (ACC)*.

Inside, the Golf Alltrack impresses with its new-generation 8" and 9.2" Discover infotainment systems. The latter is available as part of the optional Sound and Vision Package and incorporates sophisticated Gesture Control, which allows the driver to navigate through various menus with a simple mid-air swipe of the hand, and Media Control, which puts passengers in control of music and more via their smartphone or tablet.

For the ultimate in driving enjoyment, the Sport Luxury Package (available for the Premium variant) includes steering wheel mounted gearshift paddles, a panoramic electric glass sunroof and eye-catching 18" Kalamata alloy wheels.

Volkswagen Choice

Volkswagen Choice

Guaranteed Future Value

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

[^]The Volkswagen Choice Program consists of an option to return the vehicle to Volkswagen Financial Services (VFS)** at the end of the term and require VFS** to purchase the vehicle at an agreed price known as the Guaranteed Future Value or GFV as determined by VFS** and set out in your contract. At the end of the term, you can elect to: (1) trade-in the vehicle; (2) exercise the option to return the vehicle; or (3) retain the vehicle by paying the GFV. The GFV is not a representation by VFS** as to the likely market value of the vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership the vehicles that are eligible for the program. The GFV will be reduced, and you will be liable for any loan contract deficit, if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition in accordance with the Fair Wear and Tear Guide available at www.volkswagen.com.au. Other terms and conditions apply. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of VFS**. Subject to credit assessment. Standard fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. **VFS is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.
