

# RENAULT KANGOO

overseas model shown for illustration purpose only - local specifications may differ

## Renault Kangoo. efficient, smart and versatile.

There's good reasons why Kangoo was Delivery Magazine's 'Best Small Van' in 2015 and 2016, and Drive 'Small Van of the Year' in 2018 and 2019, and was best selling small van in Australia in 2021.

Available in compact version with a powerful and efficient turbocharged petrol engine offered in both manual and automatic, the Renault Kangoo is a versatile and productive addition to your business. It offers excellent comfort, safe and predictable handling, and a wide range of practical customisation options, as well as the peace of mind that comes with a 5 Years / 200,000 km Warranty.

**big things come in small packages.**  
**Kangoo compact**  
**turbo petrol**

The engine in the Kangoo Compact features some cutting edge technology to ensure it consistently delivers smooth, dependable performance with maximum reliability. That technology means it's also very efficient, using less fuel and creating fewer pollutants. All this with great all round drivability and surprising acceleration.

#### **more power**

The H5Ft engine produces 84kW of power at just 4500 rpm's. This means less noise and vibration for a quieter, more relaxed drive, and significantly less engine wear. Because it's not revving as high, it also means lower fuel consumption.

#### **more torque**

The Compact's engine uses both turbo charging and direct fuel injection to deliver 190Nm of torque between 2000 & 4000 rpms. Not only does the H5Ft produce plenty of torque, it does it over a broad rev range as well. But don't take our word for it - one drive and you'll be hooked on the seamless surge that's available any time you flex your right foot.

#### **more safety**

We want you to be safe, and that's why it makes no difference which Kangoo model you buy - they all come with the same high level of safety equipment standard. There's ESC & ABS, as well as reverse sensors and a rear view camera, cruise control and a speed limiter. Hill start assist reduces the chance of rollback, and front and side airbags provide additional protection to front seat occupants.

#### **more equipment**

The extra's don't stop there. We've upgraded the transmissions to make optimal use of the engines performance. There's a light and smooth shifting 6 speed manual for those that like to change their own gears, or a 6 speed automatic that delivers seamless shifts and smooth acceleration at any speed.

With a sound deadening cargo bay mat thrown in as standard, the Kangoo Compact is great value for money.

overseas model shown for illustration purpose only - local specifications may differ

## stay connected

Kangoo can-do connectivity! You can play the tunes of your choice through a quality AM/FM radio that includes USB input, a 3.5mm auxiliary jack, plus Bluetooth® hands-free with audio streaming capability, all controlled via steering wheel mounted controls so you won't need to take your eyes off the road for a moment. There's also a CD player for those who like their music the way it used to be.

A 12V power outlet lets you charge any portable electronics.

## versatile

Kangoo has everything you'll want to meet the needs of your business. With standard features like barn doors, dusk sensing automatic headlights and rain sensing automatic wipers, you're spoiled with the Kangoo. Whatever your business needs, there's bound to be a Kangoo to suit.

overseas model shown for illustration purpose only - local specifications may differ

## convenience

If your work van is more of a mobile office, you need a van that is equipped to keep you comfortable and organised. That's why Renault Kangoo® features a height adjustable steering column, air-conditioning, Bluetooth® hands free connectivity and an integrated armrest, so you can personalise your workspace to fit you.

The overhead cabin storage shelf is perfect for storing invoices and documents and interior lights are located in both the cabin and cargo areas.

## a very practical place

### big on versatility

Whether you're hauling supplies or equipment, moving to the next job site, or just taking the dog to the beach, Kangoo's got it covered. It's a true multi-purpose vehicle.

### big on space.

Multiple storage compartments in the cabin make the most of the available space. There's a handy A4 storage tray in the middle of the dash, a generous glovebox, centre armrest cubby and front door bins that include a bottle holder.

There's 3 cubes of cargo space in the SWB Compact. We've got every angle covered! Payload is 540 - 675kg, depending on model.

### big on access

All Kangoo's come with the convenience of dual side sliding doors, for easy access to the cargo bay no matter where you park. All models have rear barn doors as standard, making it great for smaller parking spaces, or when you need to get a pallette in. Kangoo's front wheel drive power train means the cargo floor can be lower, giving a load sill height of around 550mm, with no compromise to head room.

Effective width  
up to 1.22m

Effective height  
up to 1.25m

Effective length  
up to 1.48m

Effective volume  
up to 3.0m<sup>3</sup>

Payload  
up to 675kg

# safety is paramount

There's a wide range of options and accessories available across the Kangoo range, but there's one option you just can't buy – safety. That's because with a Kangoo, safety comes standard. Every Renault Kangoo comes with a range of features designed to keep you safe and secure. There's driver and passenger front and side airbags, and Anti-Lock Brakes (ABS) with Electronic Brake Assist (EBA). There's also Electronic Stability Control (ESC) with Traction Control (ASR), cruise control and a speed limiter. Hill start assist makes short work of hill starts, and grip assist gets you moving when traction's in short supply.

1. airbags
2. rear view camera
3. cruise control and speed limiter
4. front fog lights
5. Hill start assist

6. rear parking sensors and camera
7. ABS with EBD
8. Adaptive ESC and Traction Control

# services

## renault at your side

When you choose a Renault Commercial Vehicle, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

\*Conditions apply

### **Comprehensive Warranty**

With over 100 years of Commercial Vehicle history, our experience is reflected in the design, performance and quality of every vehicle we sell. We're so confident of the quality in your Renault Kangoo, we back it with a 5 Years / 200,000 km Warranty.

### **24/7 Roadside Assistance**

In the unlikely event you breakdown, you're backed by Renault's 24/7 Roadside Assistance for up to 5 years from your initial purchase. Simply call 1800 009 008 and we'll provide the support you need. Available 24/7, 365 day a year, all across Australia.

### **Capped Price Servicing**

For easy budgeting, enjoy Capped Price Services for the first 5 scheduled maintenance services. Plus, to minimise disruption to your business, authorised Renault dealers also have low-cost loan vehicles available to use. Authorised Renault Dealers have Registered Renault Factory Trained Technicians (COTECHs) and only use genuine Renault parts, equipment and tools specially designed for your Renault. There is also a 1 year parts and labour guarantee on all repairs. With a clear, simple and transparent pricing structure for all servicing, Renault provide reassurance, when you need it most. .
