# The Golf Performance Range. Feel the drive.

Power. And then some. Volkswagen offers a captivating range of affordable performance cars.

For four decades the Golf GTI has been an icon in its class. The flagship of Volkswagen's performance hatch range, the Golf R, places the driver on the very precipice of thrill and excitement. The Golf R represents the epitome of form, function and performance.

Thus, aspirational yet accessible, dynamic yet versatile, the Golf performance range is the definition of style and power.

---

## Exterior

The Golf GTI and Golf R models are uniquely different in appearance, but there can be no mistaking their sporty intent. With blistering performance part of their very essence, both cars have been designed to convey speed and potency. From the instantly recognisable front end to the perfectly proportioned rear, each Golf performance model exudes power and sophistication while allowing their individual characters to shine through.

The beating heart of the range is the Golf GTI, a car with little to prove but much to offer. With its classic Golf lines and styling, distinctive 18" Milton Keynes alloy wheels, honeycomb-patterned front grille and red stripe motif, the Golf GTI sets a design benchmark to which other performance hatchbacks can only aspire.

The Golf R's bold contours and sporty body kit mark it out as unmistakably the peak of the model series. It features bespoke bumper designs and a front spoiler. The radiator grille and louvres of the large air intakes are presented in stylish gloss black. Alluring 19" Spielberg alloy wheels keep the Golf R firmly planted, while brake calipers painted in high-gloss black adorned with prominent R logos can bring the Golf to a stop in an instant. Dual chrome exhaust tailpipes on each side double as a visual and acoustic highlight. Premium rear LED tail lights with dynamic indicators (Golf R hatch only) and dark tinted rear and rear side windows complete the Golf R's unique styling. The Golf R Wagon is finished with chrome roof rails.

## Interior

The Golf Performance range has always set the standard with regard to workmanship and quality. Every interior element, from controls and seats, to lighting and trim, has been carefully considered to ensure the driver and passengers feel snug and comfortable at all times.

You'll appreciate the firm support of contoured seats during spirited driving. As well as being fully adjustable, they offer superb levels of comfort. The Golf GTI's seats are finished in distinctive Clark tartan fabric, whilst the Golf R receives smooth Vienna leather appointed seat upholstery<sup>#</sup> complete with R logo in the backrest.

The Golf's fascia design is an example of meticulous attention to seemingly small details. Every dial, button and graphic is intuitively positioned, ensuring everything falls easily to hand. A red theme applies to instrumentation and lighting strips in the Golf GTI, while the Golf R stamps its individuality with blue instrument detail, R-Specific welcome screen on start-up, and blue ambient lighting throughout the cabin.

Golf performance models all offer excellent luggage space, particularly the Golf R Wagon with 605 litres and luggage partition net, as well as split-folding rear seat and load-through provision. Whilst the keyless Access, keyless entry and the starting system makes owning a Golf Performance model more practical and enjoyable than ever.

# Power, Safety and Technology

The Golf performance models encompass the best technologies and safety available. Whether it's their high-performance TSI engine, transmission, steering, suspension or BlueMotion Technology, the Golf performance models make intelligent use of the latest developments to produce unforgettable and safe driving experiences.

Experience breathtaking power from both vehicles in the range. The Golf GTI's much-lauded 2.0-litre turbocharged TSI engine delivers outstanding power and torque (180kW and 370Nm, respectively) and a driving experience nothing short of exhilarating. Also, the Golf R's engine channels 213kW of power and 380Nm of torque, offering heart thumping excitement. The Golf R is equipped with the latest in 4MOTION all-wheel drive technology, ensuring optimum grip during fast cornering. You'll never feel more at one with the road than in the Golf R.

Safety is paramount across the performance range and drivers can take comfort knowing that an assortment of advanced safety technology is there for them when they need it most. Among the aids are Front Assist with City Emergency Brake (City EB) and Pedestrian Monitoring\*, which uses a radar sensor to detect when the distance to the vehicle in front is critical and helps to avoid or mitigate a potential impact. Adaptive Cruise Control (ACC)\* technology keeps the vehicle an optimal distance from the vehicle in front; whilst Park Assist\* (GTI only) uses sensors front and rear to identify spaces and guide drivers into and out of them semi autonomously. Plus, Blind Spot Monitor with Rear Traffic Alert\* not only detects vehicles in the driver's blind spot but also detects oncoming traffic when reversing into tricky traffic.

Volkswagen's class leading technology is no more evident than with its Active Info Display 12.3" digital screen. This ground breaking technology will forever change how driver and car interact. Take it a step further with Media Control, standard across the range, allowing you to turn your smartphone or tablet into a remote control; while Gesture Control lets you navigate the infotainment system with a mid-air swipe of the hand. Gesture Control is standard for the Golf R and optional with the Sound and Style Package for the Golf GTI.

## Optional Packages

They've been tuned, styled and packed with the latest technology. But adding an optional package takes the Golf GTI to the next level.

The Sound and Style package significantly enhances the driver's experience with its suite of advanced and stylish features including the Dynaudio Excite 400W premium audio system, 9.2" satellite navigation, Gesture Control and Voice Control. Plus, the ever stylish 19" Brescia alloy wheels will complete the look of your Golf GTI.

The optional Luxury Package takes your comfort and styling one step further with Vienna leather appointed seat upholstery<sup>#</sup>, heated front seats, electrically adjustable driver's seat and exterior mirrors with memory function and panoramic electric glass sunroof.

The Golf R also has the option of the panoramic electric glass sunroof and Dynaudio premium audio system.

# Volkswagen Choice

**Volkswagen Choice**

Guaranteed Future Value

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice<sup>^</sup> is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value<sup>^</sup>, whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract<sup>^</sup>. There are also no account keeping fees with a fixed interest rate.

<sup>^</sup>The Volkswagen Choice Program consists of an option to return the vehicle to Volkswagen Financial Services (VFS)\*\* at the end of the term and require VFS to purchase the vehicle at price known as the Guaranteed Future Value (GFV) as determined by VFS. At the end of the term, you can elect to: (1) trade-in the vehicle; (2) exercise the option to return the vehicle; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges, if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator Volkswagen vehicles for selected models. Contact your nearest Volkswagen dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.

\*\*VFS is trading name of Volkswagen Financial Services Pty Ltd ABN 20 097 071 460, Australian Credit Licence 389344.
