MG ZS AUTO

DRIVE

CAR OF THE YEAR 2021

BEST
OVERALL VALUE

Fun motoring for life

An MG is about so much more than just the A to B. Driving one should be filled with style, panache, verve and, most importantly, fun. Every MG is designed around this driving principle and the ZS is no exception. Whether you're out on a long haul or popping off for a short hop – you'll find this SUV practical, comfortable and uniquely flexible. Whatever the journey, the MG ZS allows you to do it your way.

British style from every angle

There's nothing middle of the road about our clean lines and stylish details. Signature London-Eye headlights, elegant front grille and gleaming alloys ensure you get noticed in slick city centres and quiet country towns.

Famous badge

There's never been a more iconic octagon. From the moment in 1924 England that 'Morris Garages' became MG, it leapt into the hearts and minds of car lovers the world over.

Upholstery and trim

Premium comes as standard with beautifully soft materials and a carbon-look surround on the touchscreen, creating a luxurious European-designed interior.

The great indoors

360-degree air vents, satin-chrome finishes and a soft-touch dashboard add a sense of premium indulgence. Crown this with the Panoramic Stargazer Sunroof and the feel turns positively palatial.

Sound engineering

The Yamaha 3D Sound Field allows you to direct audio to any point in the car. An 8" touch screen integrates your iPhone perfectly with Apple CarPlay™.

Big and clever

It's roomy – with an extra-wide cabin, ample legroom, indulgent rear space and fully foldable back seats. But it's also filled with clever storage ideas like a split-level boot with a lot more space than meets the eye.

Panoramic Stargazer

The stunning Panoramic Stargazer Sunroof helps you really experience your surroundings and makes the interior feel even roomier. It's one of the largest – if not the largest – small SUV panoramic opening sunroofs.

Standard features:

1.5L NSE engine
17" Turbine alloy wheels
8" Colour touchscreen with Apple CarPlay™ functionality
Front, front side and full-length curtain airbags
Bluetooth® connectivity for phone and audio streaming
6 Speaker audio

Essence in addition to standard:

17" Two-tone machined alloy wheels
1.0L Turbo engine
6-speed automatic transmission
Keyless start system (push button start)
Panoramic Stargazer Sunroof
Satellite Navigation

Excite

Essence

Peace of mind

We haven't compromised on safety. A highly strengthened cage body, full-length curtain airbags, and whiplash-minimising seats give you robust protection in any situation. Clever innovations like the reverse camera, Bosch ESP System and hill-hold technology give you the ability to steer clear of trouble. An outstanding 7-year unlimited kilometre warranty provides complete peace of mind about what's in the car and under the bonnet.

82kW 1.0T Netblue

84kW 1.5L NSE Major

Smoother than life

Whether it's stop-start city traffic or the back of beyond – our engines are designed to run smoothly. No matter what the day throws at you, you can enjoy the journey your way.
