Renault KOLEOS

KOLEOS

Strength and refinement

Sculptured design

With its assertive silhouette, muscular shoulders, and imposing front grille, KOLEOS wins you over at the first glance.

KOLEOS boasts its raised ground clearance, high skid plates on the bumper, and its wide range of wheel rims. Its signature C-shaped lighting also leaves a lasting impression.

The charismatic KOLEOS is always up for an adventure, whatever the terrain.

Overseas model shown

Invitation to well-being

Refinement hits you first when entering the KOLEOS. The finish is meticulous, right down to the smallest details: satin chrome for the inserts on the steering wheel, gear lever and air vents; padded materials on the dashboard and door trims; covered grab handles.

With leather upholstered, heated** or cooled* front ergonomic seats, (available in two different styles of leather^), total cabin climate control, and a state of the art BOSE® premium sound system^, you could be sitting in your lounge room.

^Intens

* Intens

** Zen and Intens

A new vision of comfort

KOLEOS brings comfort to all of its occupants. The front offers the option of heated and ventilated seats for the driver. At the rear, passengers enjoy a generous space and a reclining bench seat ideal for long journeys. The spacious passenger compartment offers generous legroom with relaxing enveloping seats.

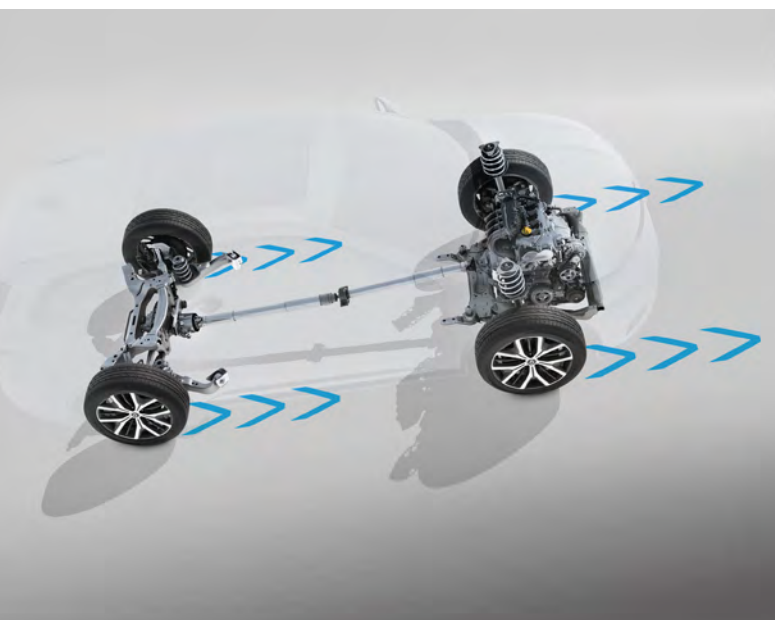

Dominate any terrain

KOLEOS has the DNA of a true SUV.

Experience each day as a new adventure and drive on all terrains with All Mode 4x4-i technology[†]. Switch from 4x2 to 4x4 in the blink of an eye and discover real off-road capabilities.

The Life and Zen variants are available in 4x2 (front wheel drive), while the Intens variant comes in both options, either 4x2 or 4x4.

The art of making life easy

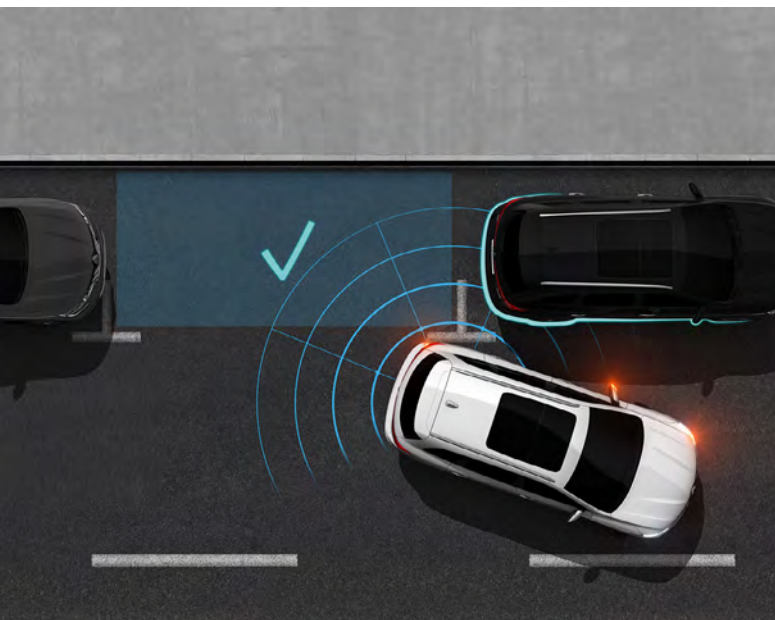

KOLEOS makes daily life easier. Have you got your hands full?

With the automatic tailgate[^], place your foot underneath the rear bumper, the motorised tailgate will reveal 458 litres of luggage space. With the "One touch easy folding"* system, the rear seats recline with ease, creating a huge luggage space with a fully flat floor.

For manoeuvres, Easy Park Assist system[^] simply takes the controls and parks the vehicle smoothly, without you having to touch the steering wheel. The best of modern technology will help you in everyday life.

Automatic high/low beams[^] switch from high to dipped beams when your KOLEOS enters a built-up area or approaches another vehicle.

* Zen & Intens
[^] Intens

Overseas model shown.

Intuitive technology

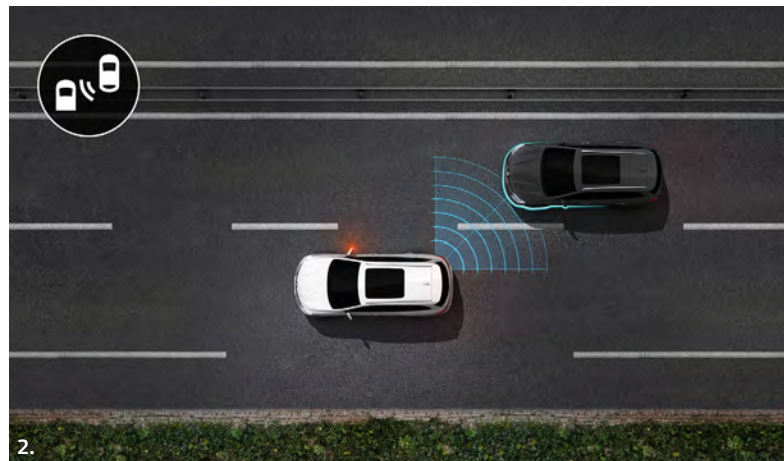

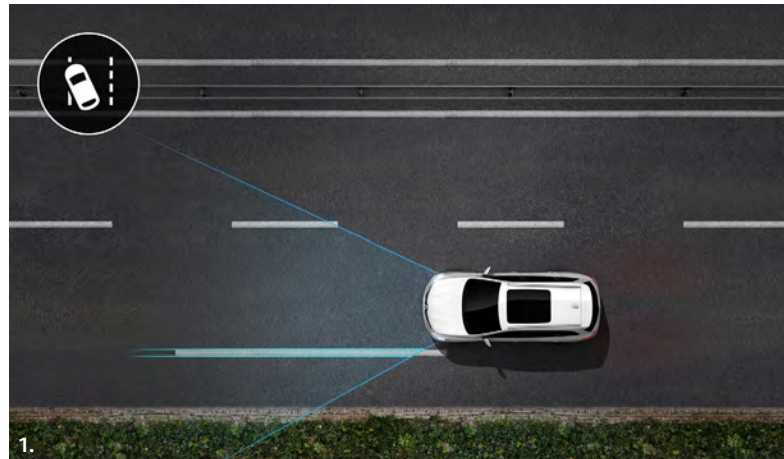

Safety and comfort are at the heart of KOLEOS's technology. Smartphone connectivity allows you to take advantage of compatibility with Android Auto™ and Apple CarPlay™. You can access selected smartphone apps from the R-LINK 2 touchscreen multimedia system. For maximum safety, KOLEOS is equipped with many driving assistance features.

1. Lane Departure Warning will warn you with a sound if you have strayed a line without indicating.

2. Blind Spot Warning system^ will warn you when a vehicle enters your blind spot with lights located on each of your door mirrors.

Pleasure and peace of mind on board.

^ Zen & Intens

Big on power.

The Renault Koleos packs a punch under the bonnet. The Koleos' 2.5L naturally aspirated multipoint fuel injection engine generates 126kW at 6,000rpm and 226Nm of torque. It can also tow 2,000kgs thanks to its power, torque and rigid chassis.

2.5L ENGINE

The 2.5L petrol engine gives the Renault Koleos all its power. You'll be delighted by the quiet in-cabin volume and the feeling you get with rapid acceleration, responsiveness and fluidity. Perfect for drivers who expect their vehicle to not only be economical, but enjoyable to drive as well.

X-TRONIC

The new X-Tronic automatic transmission offers fluid, responsive driving without interruption of torque. X-Tronic adjusts continuously while maintaining optimal engine speed and can also simulate gear shifts, producing even more powerful acceleration.

A wider gear ratio delivers excellent fuel economy, lower CO₂ emissions, quieter driving at low speeds and stronger acceleration at high revolutions.

*Vehicle tested in accordance with ADR 81/02 based on combined cycle (city/highway). Actual fuel consumption and CO₂ emissions depend on factors such as traffic conditions, vehicle condition and how you drive.

Our quality. Your peace of mind.

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

Comprehensive Warranty

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all of our passenger vehicles.

Capped Price Servicing

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 5 years or 150,000 km (whichever occurs first) behind the wheel. The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. And because you're busy, Renault vehicles are designed to require servicing only once per calendar year or every 30,000km (whichever occurs first) – not every six months like some manufacturers.

1 Year of Free Map Updates

As a new Renault owner, you will receive 1 year of free map updates to provide you with the most up to date navigation information in your vehicle.

24/7 Roadside Assistance

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for up to five years when you service your vehicle with Renault, regardless of how many kilometres you travel. Simply call 1800 009 008 and we'll provide the support you need. Available 24/7, 365 day a year, all across Australia.

Genuine Renault Parts

Genuine Renault parts, lubricants and accessories are of the highest quality and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1 year unlimited kilometres warranty. Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.
