MG

The new MG ZS EV.
EV now easy.

Introducing the new MG ZS EV – a stylish, comfortable, intelligent and 100% electric compact SUV, designed for those who want all the advantages of a zero emissions vehicle without compromising on practicality or style.

Powered by a 50.3kWh, liquid-cooled, lithium-ion battery, delivering 280Nm of instant torque and with 130kW of power, you'll experience true electric acceleration, and can enjoy a driving range of up to 320 kilometres from a single charge*.

With home and office charging solutions, the ZS EV could not be simpler thanks to its CCS and Type 2 ports, seamlessly hidden within the front grille for easy access from either side of the car. On the go, the MG ZS EV can be rapid charged to 80% in just 54 minutes from a DC rapid charging point.

Charging can also be done overnight at home on a 7kW fixed wall charger, taking an estimated 8 hours to fully charge.

*Provisional data at time of going to print. Combined Range: 320 km; Combined Driving Efficiency: 17.1kWh/100km.

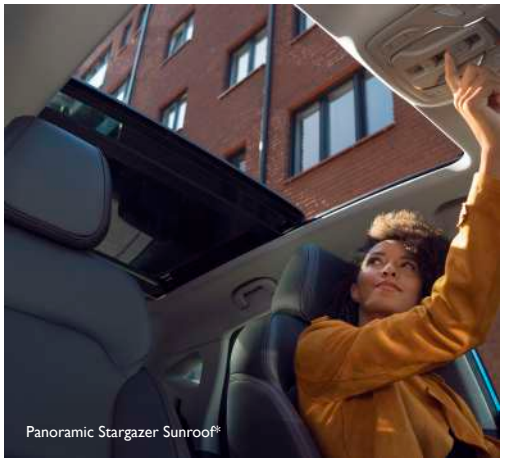

Multi-function digital display

Panoramic Stargazer Sunroof*

Rotary Dial Selector

Wireless Phone Charger*

Spacious and comfortable interior

Hello style. Hello space.

Discover the detailed finishes, luxuriously soft touch materials and new premium technology in a spacious yet compact SUV.

The ZS EV features a 10.1" colour touchscreen with Apple CarPlay™ and Android Auto™ allowing for seamless integration with your own technology. You can monitor the real time performance of your MG ZS EV with an upgraded 7" digital instrument cluster, directly in your field of vision for quick adjustments on the road. Keyless entry and satellite navigation further enhance the level of technology found within.

Enjoy the meticulously crafted red contrast stitching through the interior and the leather trimmed steering wheel. Overhead, the panoramic stargazer sunroof allows natural light into the cabin, adding to the spacious feel*. Whilst in the rear, the 60/40 split reclining rear seats, allows access to 359 litres of cargo space, for all the room you need in a compact SUV.

Driver personalisation has been taken to a new level in the new ZS EV, allowing the seats to be configured in multiple ways. The ZS EV is equipped with three levels of regenerative braking, extending your driving range, improving the braking efficiency and energy conservation. There are also three driving modes on the new MG ZS EV — Eco, Normal and Sport, allowing the car to fully adapt to your everyday driving needs.

*Sunroof available on Essence model only. Wireless charger available on Essence model only. Overseas model shown.

Take charge, wherever you go.

In a brand first, power devices using your vehicle through the ZS EV **vehicle to load** (V2L) function.

Operate electronics when you are on the go, conveniently power your appliances and even enhance your camping trip set up by running power through to your camping equipment, all using the electricity stored in the lithium ion battery of your MG ZS EV.

To use V2L, you will require the available V2L connector accessory, which is available at your authorised MG Motor dealership. Simply plug the connector side into the charge port found within the seamless grille, start the discharge process on your digital screen, and your electronic device is ready to plug in.

Once plugged in, the connector will temporarily shift to auto lock to avoid theft. MG Motor recommends avoiding use of the V2L connector in poor weather, such as rain or snow.

The MG V2L Accessory owner's manual contains further information on using the V2L feature. Please be certain to read it before using your V2L connector.

Clever tech in the palm of your hands.

A signature addition to the new ZS EV is the iSMART app, allowing you to monitor and control vehicle functions remotely. Seamlessly connect your ZS EV to your own iOS or Android phone with MG iSMART to check the vehicle status, monitor your electric charging and more all via your smart device. Enjoy the comfort and convenience that connectivity brings to your easy experience in the ZS EV.

With the iSMART app, you can:

- Lock and Unlock Vehicle
- Locate your Vehicle
- Monitor Vehicle Status Diagnosis
- Range & Charging Visualisation
- Remotely Control Various Features

App remote control

Electric in every way.

Benefitting from our extensive experience in the manufacture of electric cars and batteries, the ZS EV pairs beautiful design with outstanding technology.

Managed by MG's Intelligent Battery Temperature Control system, the battery pack is insulated from external temperature variations, delivering the optimum power and range whatever the weather.

Designed to achieve dynamic handling and chassis feel, the ZS EV's powertrain has been intelligently packaged to achieve a low centre of gravity.

Housed underneath the passenger compartment as part of the ZS EV's flat-floor architecture, the balanced distribution of weight keeps the ZS EV planted to the road through the corners. The ZS EV delivers 280Nm of instant torque, 130kW of power and can go from 0-100 in 8.2 seconds.

The new standard in safety.

PILOT
DRIVER SAFETY TECHNOLOGY

At MG, innovation runs deep.

So, when it comes to safety, we've gone above and beyond in the all new ZS EV by incorporating the latest safety technology into a single platform we call MG PILOT. With 8 Active Driver Safety features in the Excite, and an additional 2 features in the Essence, MG PILOT is constantly sensing your surroundings, on the lookout for unseen hazards.

With the ability to react autonomously in situations where driver safety is at risk, take comfort that you and your family are backed by a new level in safety intelligence.

With 6 SRS airbags, the new MG ZS EV sets the new standard in safety.

Active Emergency Braking

Rear Cross Traffic alert

Lane Keep Assist

Speed Assistance System

INTELLIGENT SPEED LIMIT ASSIST

Actively detects speed limit signs and alerts you to your current vehicle speed.

TRAFFIC JAM ASSIST

Detects heavy traffic and automatically follows the vehicle in front, controlling acceleration, braking and steering within the lane.

ADAPTIVE CRUISE CONTROL

Detects the front vehicle position and keeps a safe distance between your ZS EV and the car in front.

ACTIVE EMERGENCY BRAKING

Senses impending collisions and applies the brakes to help avoid or lessen impact.

LANE KEEP ASSIST

Alerts the driver when the ZS EV is getting too close to the lane edge.

INTELLIGENT HEADLAMP CONTROL

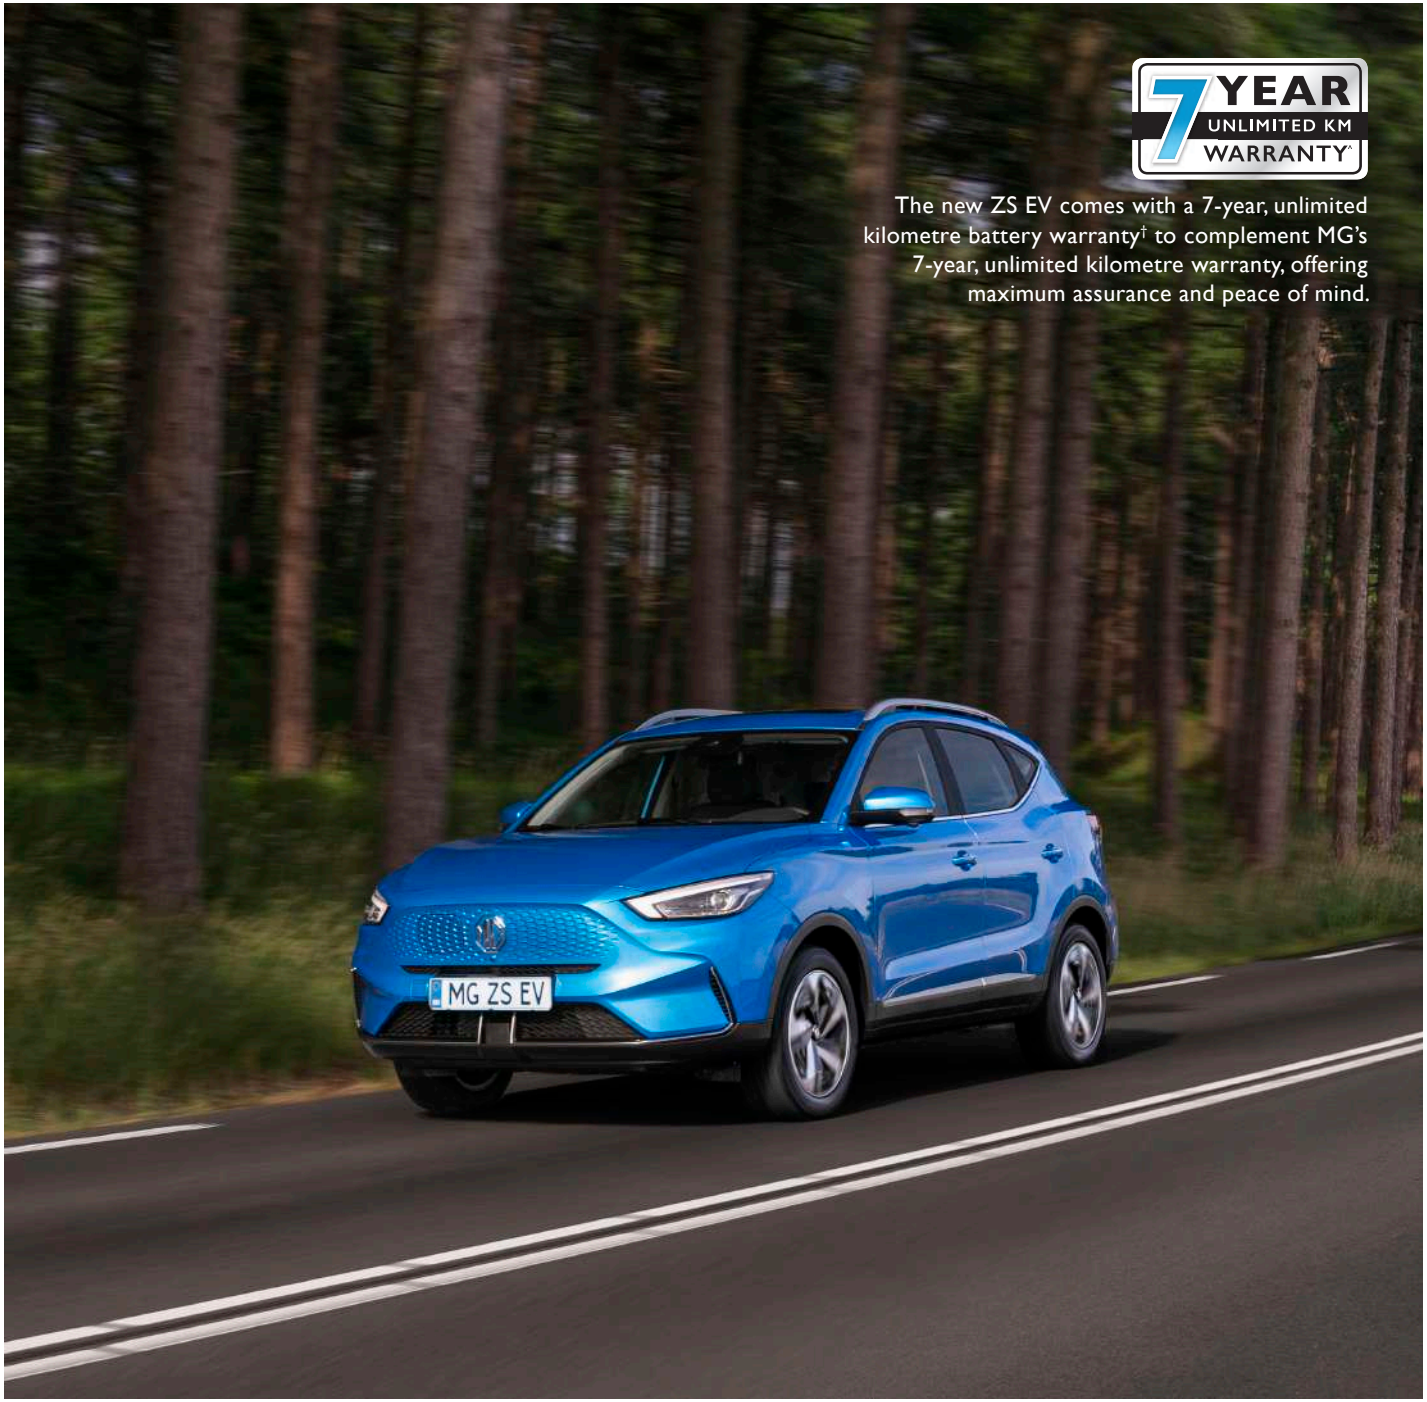

When driving at night or in low light conditions, the forward-facing camera detects the environmental circumstances and will automatically switch your headlights between regular and high beam for you.

REAR CROSS TRAFFIC ALERT

Alerts you of approaching vehicles and pedestrians when reversing out of parking spaces.*

BLIND SPOT DETECTION

Registers objects in hard-to-see areas to help you change lanes safely.*

The new ZS EV comes with a 7-year, unlimited kilometre battery warranty† to complement MG's 7-year, unlimited kilometre warranty, offering maximum assurance and peace of mind.

*Essence vehicle only. Overseas model shown.

†Private buyers only. Battery warranty for commercial use is 7 years / 160,000km

EXCITE

The ZS EV Excite is a spacious, accessible, compact SUV that offers value-packed electric motoring. Providing the clean, silent advantage of electric mobility comes easy with the class-leading technology featured within. With 320km of range thanks to the lithium-ion 50.3kWh battery, the ZS EV Excite also features eight MG Pilot features, the safety system that's on duty for each drive.

Key features

- 3 Driving Modes (Eco, Normal, Sport)
- 3 Regenerative Braking Modes (1,2,3)
- Push Button Start
- i-SMART Connectivity
- Vehicle to Load Functionality
- 360 View Camera
- LED Daytime Running Lights
- Satellite Navigation
- Houndstooth Patterned Fabric Seats
- 10.1" Multi-function Colour Touch Screen
- Apple CarPlay & Android AUTO
- 17" Diamond Cut Alloy wheels
- MG Pilot Driver Safety Technology
- 7-Year Battery Warranty
- Precise Price Servicing

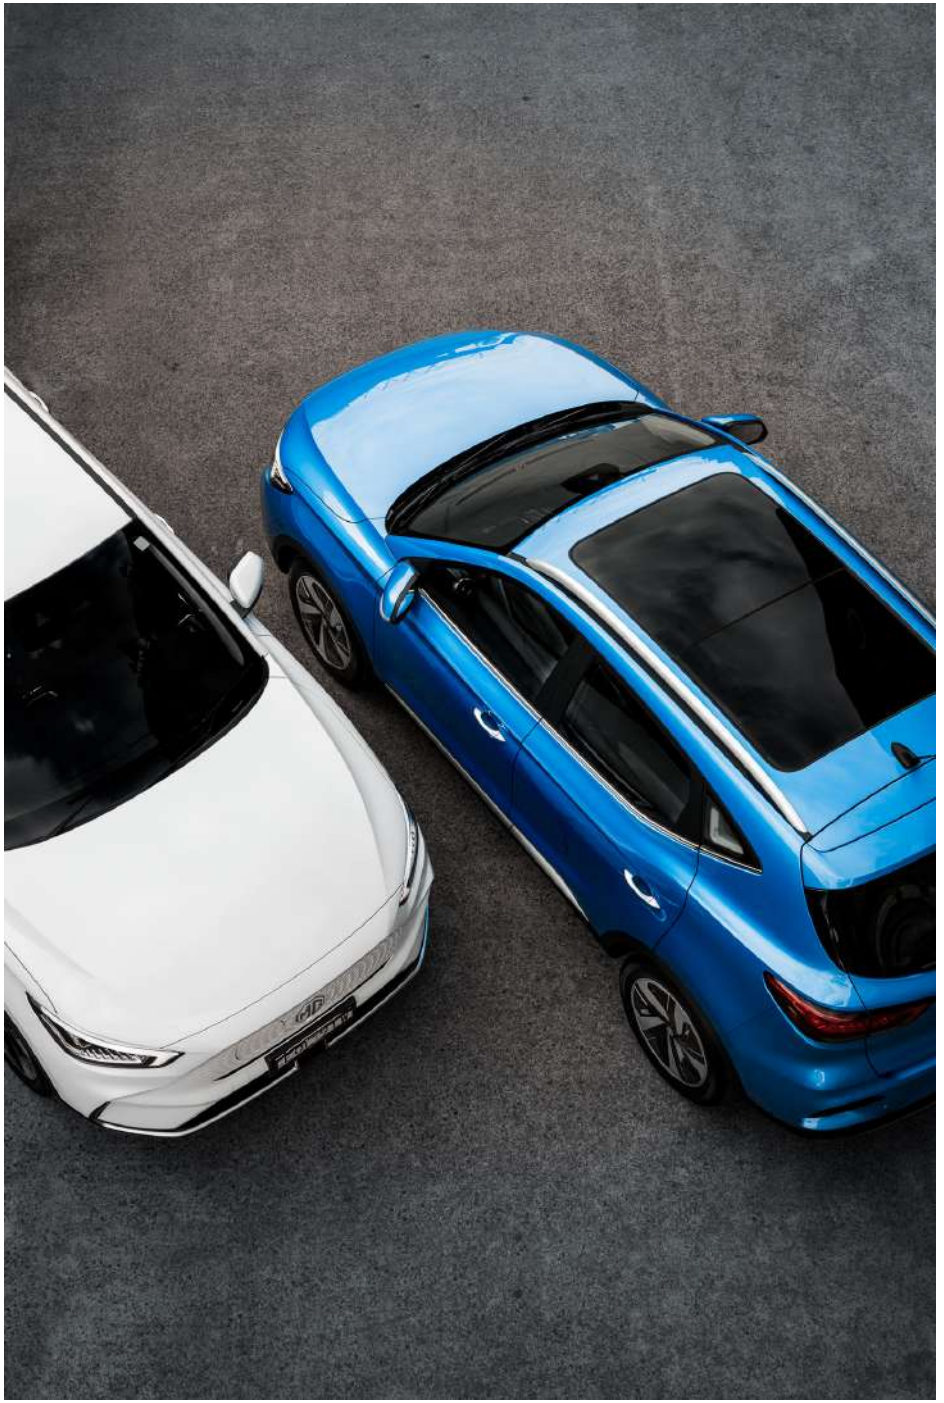

ESSENCE

Refined details define the MG ZS EV Essence. Transform your driving experience with the simple push of a button with the full-length panoramic stargazer sunroof. With premium synthetic leather, heated front seats and a wireless phone charger, and an additional two Pilot Safety features, the ZS EV Essence not only offers elevated style but premium comfort and convenience.

In addition to Excite

- Front Seat Heating - Driver and Passenger
- Panoramic Glass Sunroof
- Rain Sensing Wipers
- Roof Rails
- Wireless Phone Charger
- Synthetic Leather Seats
- Blind Spot Detection
- Rear Cross Traffic Alert

The convenience of home charging, redefined.

Complement your new ZS EV with the ultimate home or office charging solution, the MG ChargeHub.

Developed in collaboration with one of the largest EV infrastructure companies in the world, the ChargeHub charger range not only complements MG's own range of electric vehicles, it stands ready to enable a connected world.

With a built-in RFID reader, ethernet and internet connectivity, it's also completely future-proof for home and business use.

The compact, stylish wallbox is designed to work with all vehicles which use Type-2 charging, is available in 7kW single-phase and 11kW three-phase output types, as well as in three vibrant colours.

Find out more about the ChargeHub charger family at mgmotor.com.au, or visit your nearest MG dealer.
