

Designed for Joy

CR-V

Everything Aussie families need. Since 1997.

The Honda CR-V is a bold reimagining of the original family SUV. It's roomy, inviting, and loaded with intuitive tech like Honda SENSING^{D30} safety features, and offers the latest in e:HEV Hybrid technology.

With adaptable space to fit the needs of families of all shapes and sizes, it features a distinctive and sophisticated design with energetic performance that turns heads wherever it goes.

Whether you want to spend the drive bonding, or finding some peace and quiet, the Honda CR-V offers all the space a family needs to experience the joy on every drive.

^{D30} Honda SENSING is driver-assist technology. Drivers must continue to drive safe and monitor the road and not rely on technology. Accuracy and operation of Honda SENSING may vary based on weather, speed, traffic, road conditions, markings and other factors. Refer to owner's manual.

Don't let 'family SUV' fool you.

The CR-V's highly responsive engine delivers a smooth and energetic drive that packs some serious punch.

1.5L VTEC Turbo

Turbocharging your joy with 140kW of power @6000rpm and 240Nm of torque @1700-5000rpm, across all VTi grades.

Continuously Variable Transmission

Provides a silky smooth, seamless delivery of power and maximises fuel efficiency.

2WD or AWD

From city streets to rougher roads, the CR-V always knows how to handle itself with 2WD or AWD options.

The latest evolution of self-charging

HYBRID

e:HEV

Intelligent Hybrid System

Unlike traditional mild-hybrids, the e:HEV RS's engine aids the electric motor – not the other way around. The result? A more responsive and efficient driving experience.

All Torque

With an incredible 335Nm of torque, the e:HEV RS delivers an impressive driving experience.

Fuel Consumption

Go further for less. Our e:HEV RS is rated for a combined fuel economy of just 5.5L/100km.^{D47}

Reduced Emissions

With fewer pollutants[#] and only 125g/km emissions,^{D47} you can reduce your driving emissions with the e:HEV RS.

^{D47} The figures quoted are based on ADR81/02 combined test results. You may experience different results depending on driving conditions and the condition of the vehicle.

[#]With fewer pollutants than combustion-only engines and CR-V non-hybrid vehicles.

There's 'roomy'. And then there's 'CR-V roomy'.

5 & 7 Seat Options

Families come in all shapes and sizes. Luckily, so does your Honda CR-V. Whether it's a furniture-moving weekend or a joy-filled family road trip, the CR-V's got you covered.

Rear Reclining Seats

Make space for what matters most. With extra legroom and recline options available, the CR-V's second row folds, splits and slides, helping you make room for family, cargo, or both.

Generous Cargo Space

Fit more joy in with the CR-V's generous cargo space. Whether it's groceries for the week or gear for a weekend adventure, the CR-V's ample storage makes packing and unpacking a breeze.

Turn heads wherever you go.

Whether it's sports practice or school drop-offs, the CR-V's sporty exterior adds contemporary flair to every occasion.

Bold Front Grille

Full of confidence, the CR-V's eye-catching front grille sets the tone for a premium ride filled with style.

Hands-Free Power Tailgate

Hands full? No problem. A gentle kick under the bumper activates the hands-free power tailgate. And thanks to its programmable height, it's customisable for drivers of all heights.

Distinctive Alloys

Your family is unique. And with bold and distinctive alloys, your CR-V can be too.

LED Headlights

Lighting that doesn't just help to keep you safe, but adds character to every drive.

Families grow and so does the Honda CR-V. With flexibility in its roomy interior and adaptable cargo space, it brings joy to every family journey.

Panoramic Sunroof

With blue skies and fresh air at the touch of a button, getting caught in traffic suddenly doesn't seem so bad. Available on the VTi L7, VTi LX AWD and e:HEV RS.

Heated Front Seats

For the right kind of warmth on a cold morning. Available across all grades except on the VTi X and VTi X7.

Roomy Centre Console

With room for two smartphones and 9 litres of storage, the centre console isn't just roomy, it's intuitively roomy.

Comfortable Cabin Space

Families need space, lots of space, which is why the CR-V's brilliantly designed cabin gives you and your family all the room in the world to feel the joy in every drive.

Families are all about connection.

The Honda CR-V's intuitive tech makes it easy to stay connected with the ones you love. It's technology designed with the joy of families in mind.

9-inch Infotainment Screen featuring Android Auto™^{D2} and Wireless Apple CarPlay^{D1}

Android™ or iPhone® users can seamlessly integrate their compatible device to the CR-V's touchscreen display. Get directions, make calls, send and receive messages, listen to music and even interact with some of your favourite apps, all while staying focused on the road.

Bose® Premium Sound System^{D41}

Let the music move you with the Bose® Premium Sound System^{D41}, featuring 12 speakers including a dedicated subwoofer and Dynamic Speed Compensation delivering an immersive listening experience in every driving condition. Available on the VTi LX AWD and e:HEV RS.

Wireless Charging^{D75}

Simply set it down to get charged up. No cables required.

Smart Entry KeyCard

Make fumbling keys a thing of the past. The Smart Entry KeyCard slides comfortably into your wallet and lets you lock and unlock your vehicle without pressing a button. Now that's intuitive. Available across all grades except on the VTi X and VTi X7.

about Honda Connect.

Honda
CONNECT

Remote Climate Control

Prepare your Honda in advance with remote climate control. Remotely set your ambient temperature on your Honda Connect smartphone app to keep you and your passengers comfortable as soon as you step inside.

Remote Lock/Unlock

Worried you forgot to lock up? Does a passenger need access, but they don't have a key? With Honda Connect, you can remotely lock or unlock your Honda with a simple tap on your smartphone.

Remote Lights On/Off

Never lose your car in a parking lot. With Honda Connect, you can remotely interact with your vehicle and locate your car by flashing your headlights and taillights on and off until you find your Honda.

Automatic Collision Detection^{D65}

In the event of airbag deployment, a notification will get sent promptly to the device logged into Honda Connect. The app will also alert a Honda Connect Customer Care agent, who will call the Honda Connect user and dispatch emergency services to the location if there's no response.

^{D52} Vehicle is Honda Connect enabled. Honda Connect features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. ^{D65} Automatic collision detection is unavailable where there is no telecommunications network coverage, and may be unavailable during system maintenance or unplanned interruptions. This feature should not be relied on in the event of an emergency.

Honda SENSING^{D30}

Honda
SENSING

Low Speed Braking Control

Detects obstacles and applies brakes to help prevent collisions at low speed.

Traffic Sign Recognition System

Reminds you of certain road sign information such as the current speed limit your vehicle has just passed through, showing it on the gauge.

Traffic Jam Assist

Works in conjunction with the Lane Keep Assist System (LKAS) to apply steering torque, keeping your vehicle centred in lane during heavy traffic.

Lane Keeping Assist System (LKAS)

Provides steering input to help keep the vehicle in the middle of a detected lane and provides audible and visual alerts if the vehicle is detected drifting out of its lane.

Adaptive Cruise Control (ACC) with Low Speed Follow (LSF)

Helps maintain a constant vehicle speed and a set following interval behind a vehicle detected ahead of yours and, if the detected vehicle comes to a stop, can decelerate and stop your vehicle.

Collision Mitigation Braking System (CMBS)

CMBS is designed to alert you when a potential front collision is determined, as well as to reduce your vehicle speed to help minimise collision severity when a collision is deemed unavoidable.

Road Departure Mitigation System (RDM)

Alerts and helps to assist you when the system detects a possibility of your vehicle unintentionally crossing over detected lane markings, or approaching the outer edge of the road surface or a detected oncoming vehicle.

High-Beam Support System (HBSS)

Automatically changes your headlights from low to high on a clear road, and then back to low beam when an oncoming vehicle is detected.

Active Noise Control (ANC)

Three ceiling-mounted microphones monitor for unwanted ambient noises in the cabin. ANC emits a low frequency signal through a dedicated speaker to cancel such noises, resulting in a quieter ride for all passengers.

Adaptive Driving Beam (e:HEV RS only)

Automatically adjusts high and low beams depending on road conditions and oncoming traffic, ensuring perfect visibility without glaring other drivers.

Hill Descent Control (HDC)

When driving down hills steep enough that engine braking won't slow the vehicle, Hill Descent Control can maintain a constant speed without the need to push on the brake pedal.

Plus, 5-year Honda Connect^{DS2} subscription.

†5 year unlimited kilometre warranty available on all vehicles except those used for a Commercial Purpose, where a 5-year/140,000 kilometre (whichever occurs first) warranty is applicable. "Commercial Purpose" means the purpose of carrying passengers or goods in the course of business or trade, and includes, without limitation, a vehicle being used at any time, as a taxi, or for hire, rental, delivery, courier, ride sharing, driving school, tourist or security purposes. **Five Low Price Services applies to new Honda vehicles only. Ex-Demonstrator or ex-service vehicles receive three low price services. To find out more about what's included refer to your Owner's Warranty and Service Manual. Visit [Honda.com.au](https://www.honda.com.au) for T&Cs. ^{DS2} Some Honda Connect app features are only available if your vehicle is linked to your Honda Connect account and connected services are activated. Remote vehicle features vary by model and not all vehicles will have all features. *The estimated driveaway price is based on the State/Territory. It includes metallic/pearlescent paint (where applicable), 12 months registration, 12 months compulsory third party insurance (CTP), a recommended Honda Centre delivery charge, stamp duty and administration charges, but excludes any reduction as a result of concession entitlements. An additional Cross Border Delivery fee and any resulting additional government charges will apply if you choose a vehicle with a specific colour and grade or an accessory that has to be delivered from another State or Territory. We recommend confirming pricing with your Honda Centre. Honda Australia may change vehicle pricing at any time.

Honda Finance made easy.

At Honda, we believe getting auto finance pre-approval shouldn't require a complicated process, or only be available at Honda Centres. That's why we've made it easy.

With Honda Finance, now you can get your pre-approval online in just 4 steps.^{†^}

No paperwork and no impact on your credit score. Nice and simple.
