

NEW FORD ESCAPE

COMING SOON

Go Further

The New Ford Escape

A fresh new look. EcoBoost engine technology. The latest SYNC®3 hands-free entertainment. This SUV has it all. And it's heading your way. Register your interest with your Ford Dealer to discover more.

Powerfully Efficient

Spend time exploring, not standing at a pump. EcoBoost engine technology uses an advanced combination of direct injection and turbocharging designed to save you fuel, time and money, all without compromising style or performance.

Extra Set of Eyes

The Escape's wide-angle reverse camera automatically activates when the reverse gear is selected. It gives you a clear view of what's behind you and takes the guess work out of reversing.

Five Star Safety

There's nothing more precious than family. With a 5-Star ANCAP Safety Rating, 7 airbags and some of the most advanced safety features available, you can enjoy real peace of mind.

Just say the word

SYNC®3 is at your voice command¹. Make calls, play music, activate your SatNav and even some of your favourite apps. That's just the start. It also includes an 8-inch capacitive touchscreen, USB port and Bluetooth² connectivity.

Let the sun shine in³.

A full-length glass panorama roof offers a bright and airy drive. If you crave some fresh air too, slide it back completely at the touch of a button. A Solar Reflect coating helps keep the interior cool, while an internal blind provides shade and privacy when you need it.

All-Wheel Drive System⁴.

Whatever your day brings, the intelligent All-Wheel Drive System is ready to tackle any terrain. Every 16 milliseconds the system monitors each wheel and increases or decreases the amount of torque to help optimise grip and handling in all conditions.

1. Not all features are compatible with all phones. Local laws may prohibit the use of some functions. Check your local road rules before using. 2. Bluetooth® is a registered trademark of Bluetooth SIG Inc. and is used under licence. 3. Titanium model only. 4. Only available on AWD models.

This brochure details specifications and features of the Escape. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire Escape model range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Images and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
