MG*EZS*

FEEL THE ENERGY

The new MG E ZS is the family friendly electric car, designed for those who want all the advantages of a zero emissions vehicle without compromising on practicality or style.

Powered by a 44.5kWh, water-cooled, lithium-ion battery, delivering 353Nm of instant torque and with 105kW of power, you'll have real electric acceleration, and can enjoy a driving range of up to 262 kilometres from a single charge* on the WLTP combined cycle.

Charging the new MG E ZS could not be simpler thanks to its CCS and Type 2 ports, mounted within the front grille for easy access from either side of the car.

On the go, the MG E ZS can be rapid charged to 80% in just 40 minutes from a 50kW rapid charging point. Charging can also be done overnight at home on a 7kW domestic charger, with a full charge taking only 7 hours.

Now is the time to register your interest for the stylish, and practical all electric SUV.

*From a single charge on the WLTP combined cycle:
Provisional data at time of going to print.
Combined Range: 262 km; City Range: 371 km;
Combined Driving Efficiency: 18.6kWh/100km.

COMFORT AND CONVENIENCE

Inside, there are beautifully soft materials, and stitched leather effects for that extra luxury. There's also an 8" colour touchscreen with Apple CarPlay™ and Android Auto™ allowing for seamless integration with your own technology. Six speaker surround sound audio, keyless entry and satellite navigation further enhance the level of technology found within this family friendly electric SUV.

As the most technologically advanced MG ever, driver personalisation has been taken to a new level, and can be configured in multiple ways... The E ZS is equipped with three levels of regenerative braking, which extends your driving range, improves the braking efficiency and energy conservation.

There are also three driving modes on the new MG E ZS — Eco, Normal and Sport, allowing the car to fully adapt to your everyday driving needs.

Car featured in Clipper Blue metallic.
Other options; Dover White, Diamond Red Premium metallic
and Pebble Black standard. Tri-Coat and metallic paint optional at extra cost.

The E ZS comes as standard with a simple to use automatic transmission, controlled by a rotary gear selector in the centre console. Engineered to provide ultimate refinement in all driving conditions,

MG Pilot

Smarts to keep you and your family safe

E ZS is the first MG to feature the MG Pilot suite of driver assistance technology to lend a helping hand and give you added confidence on the road. A selection of warning and alert features assist the driver, maintaining safety and simplifying everyday driving.

Active Emergency Braking (AEB) - automatically braking to assist with avoiding a collision with a vehicle, bicycle or pedestrian.

Lane Keep Assist (LKA) - detects lane markings ahead and warns the driver; will assist with steering to keep within the lane.

Adaptive Cruise Control (ACC) - maintains the speed set by the driver, automatically adjusting to other traffic.

Traffic Jam Assist (TJA) - automatically follows the vehicle in front in slow traffic.

Blind Spot Detection (BSD) - whenever there is a vehicle in the driver's blind spot, a visual signal will show in the door mirror.

Intelligent High Beam Assist - automatically switches to low beam when it detects a vehicle ahead.

Intelligent Speed Limit Assist - actively detects speed limit signs and alerts the driver of the current speed limit.

DIMENSIONS

Overall Length	4,314mm
Width exc. mirrors	1,809mm
Overall Width inc. mirrors	2,048mm
Height	1,644mm
Wheelbase	2,579mm
Front Track	1,526mm
Rear Track	1,539mm
