DRIVE YOURSELF FURTHER

## DRIVE YOURSELF FURTHER

The dynamic nature of how we travel and interact lies behind the intelligent design of PEUGEOT 5008. A car that blends 7-seater SUV adventure, with distinctive European design details.

Drawing on a heritage spanning 210 years, this PEUGEOT 5008 SUV represents the perfect balance between power, refinement and an all-round sensory experience.

The bold silhouette boasts a distinctive floating front grille, signature headlamps, contoured sides with black mirrors, a Diamond black roof which blends into a sporty rear spoiler and LED claw-style running taillights.

Overseas GT DIESEL model displayed

## DESIGN & TECHNOLOGY

### PEUGEOT i-Cockpit™

A large and highly responsive 10" touch screen provides access to key technology including navigation with voice recognition. While the 12.3" head-up display is fully digital with clear, high-definition quality.

### SAFETY TECHNOLOGY

State-of-the-art active safety features support the driver with autonomous emergency braking featuring low light pedestrian detection, traffic sign recognition, blind spot detection, front and rear parking sensors, and lane keeping assistance.

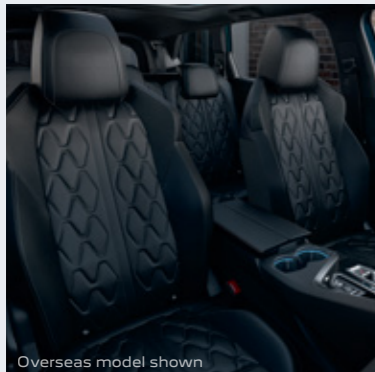

Overseas model shown

### 7-SEAT COMFORT

Front passengers enjoy premium wrap-around seats and plush dash and door materials, while the rear space is thoughtfully adaptable. Second row seats are independently sliding, while the modular third row seats are completely removable.
