

Stage 4 Lockdown Update

Werribee & Western Automotive Group Community

To ensure we do everything we possibly can for our community, Werribee and Western Automotive Group is proudly OPEN and OPERATING - within the very strict government guidelines to reduce the spread of Coronavirus.

SALES

As such and commencing today, our Showrooms are closed, However our Sales teams are open and available to you remotely.

This means that our Sales team will be there for you to chat about your next car and will offer a contactless Click & Collect and **FREE DELIVERY** process for all cars purchased.

Feel free to reach out to our Sales team directly for more information regarding this online at www.werribeeautomotivegroup.com.au.

SERVICE

Our Service Department is OPEN ***for routine maintenance, vehicle repairs and critical maintenance (including disinfection)***. This is to ensure your car continues to be safe and reliable in these testing times.

The Service Department will continue to follow a contactless process during the entirety of Stage 4.

You are able to book online directly or call our dealership and we will go through this process with you.

We are here for you - and we are as Customer driven as ever!

Stay Safe.

From all of the staff at Werribee & Western Automotive Group
