MG ZS AUTO

Value since 1924

An MG is about so much more than just the A to B. Driving one should be filled with style, panache, verve and, most importantly, fun. Every MG is designed around this driving principle and the ZS is no exception.

Whether you're out on a long haul or popping off for a short hop – you'll find this SUV practical, comfortable and uniquely flexible. Whatever the journey, the MG ZS allows you to do it your way.

Big and clever

It's roomy – with an extra-wide cabin, ample legroom, indulgent rear space and fully foldable back seats. But it's also filled with clever storage ideas like a split-level boot with a lot more space than meets the eye.

Upholstery and trim

Premium comes as standard with beautifully soft materials and a carbon-look surround on the touchscreen, creating a luxurious European-designed interior.

Sound engineering

The Yamaha 3D Sound Field allows you to direct audio to any point in the car. An 8" touch screen integrates your iPhone perfectly with Apple CarPlay™.

The great indoors

360-degree air vents, satin-chrome finishes and a soft-touch dashboard add a sense of premium indulgence.
