

Kona.

Live a vibrant life.

We have one goal – to be Australia's most loved car company. To get there, we're driven by the simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

Kona signals the arrival of a new generation of Hyundai SUV's. A generation that refuses to be bound to a singular way of thinking. Because let's face it, one size doesn't always fit all, and that's what makes the Kona so different.

It's all about freedom of choice, and the Kona gives you the freedom to choose how you present yourself (and your individuality) to the world. By putting the power in your hands, the Kona becomes an extension of you.

It's sleek, easy on the eye, well connected, and with over 150 combinations¹, you'll be able to style it your way in order to live a more vibrant life.

1. Combinations vary depending on exterior colour, interior trim, variant and engine.

Kona.

Actively safe.

There are two things we take very seriously – fun, and safety.

The Kona is fun to drive, but it's comforting to know that no matter where life takes you, you're protected by some of the most comprehensive, modern safety features in existence today. From a rigid body made of high strength steel for all round protection, to 6 airbags and a rear view camera with rear parking sensors – everything we do is to help keep you out of harm's way.

Hyundai SmartSense™¹ is working to protect you too. Every feature in this suite of intelligent safety technologies has one thing in common – they've been developed to help you be alert to (and avoid) any dangers around you.

From alerting you to approaching objects and potential collisions, to helping you stay aware of what's happening in your blind spots, Hyundai SmartSense™ provides peace of mind for you, and for us.

Rear view camera

6 airbags

Driver Attention Warning (DAW)

A driver protection feature which helps monitor driving patterns in order to detect reckless or fatigued driving and prevent potential accidents. If the system detects inattentive driving patterns, an audible sound and message on the display panel will bring this to the driver's attention.

Lane Keeping Assist (LKA)

LKA provides steering intervention to assist the vehicle to stay in the centre of the lane. When the vehicle strays from the intended lane without indicators being activated, an audible and visual warning will be sounded.

Blind-Spot Collision Warning (BCW)

When driving at a speed of 30km/h or higher, the BCW function will alert the driver to vehicles that enter the blind spot, including during lane changes.

Forward Collision-Avoidance Assist (FCA)

Combining radar and camera data, the FCA system autonomously activates the brakes when it detects dangerous and sudden braking by the car ahead, or movement of pedestrians on the road.

¹ Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. Only available on the Active with safety, Elite & Highlander variants. High Beam Assist is only available on the Highlander variant.

Impressive performance.

The Kona's performance is just as exciting as its personality.

Built on a high safety, lightweight body, and with three drive modes (Comfort, Eco and Sport) to choose from, the Kona is a joy to drive.

Once again, it's entirely up to you. Choose from either the 2.0L MPI 2WD with 6-speed automatic, or the 1.6L Turbo GDi AWD with 7-speed dual clutch automatic – which along with sharp throttle control and impressive torque, also allows you to get off road to explore even further.

Powerful, efficient, responsive and downright fun, the Kona really does encourage you to live a more vibrant life.

Designed to be different.

The Kona is designed with independence and fun in mind.

Confident, vibrant, sporty and full of personality, its cascading front grille, slim LED daytime running lights, high contrast wrap around body cladding and wide stance is designed to make a statement wherever you go.

The Kona also features unique front and rear light architecture, with separated top and bottom lights stacked for extra impact.

The Kona doesn't simply allow you to express your personality, it encourages it – and with over 150 combinations¹, that expression can be as unique as you are.

2. LED rear combination lights: Only available on the Highlander variant.

3. Highlander variant shown.

Step inside.

They say it's what's on the inside that counts, and the Kona's interior counts for a lot – especially when it comes to space. It's a compact SUV, but sit inside and the Kona soon reveals its spacious self.

The Kona has far more room than you'd expect – from the generous cargo bay, to the 60/40 folding rear seats, you'll always have space when you need it.

It's well appointed too, with a premium interior that you can style to suit. We've added a heated steering wheel¹, heated and air ventilated front seats², leather appointed³ upholstery and a range of stylish additions.

Three accent trims⁴ (black leather³, acid yellow leather³ trim and red leather³ trim) provide a vibrant edge and unique detailing to the interior styling. Put them all together and you'll create an interior that's second to none.

Top: Heated and air ventilated front seats²
Bottom: Premium gear knob⁵

Top: Spacious interior⁵

1. **Heated steering wheel:** Only available on the Highlander variant.
 2. **Heated and air ventilated front seats:** Only available on the Highlander variant.
 3. **Leather appointed** may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof. Not available on the Active variants.
 4. **Three accent trims:** Acid yellow leather trim and red leather trim not available on the Active variants.
 5. Highlander variant shown.

Connect to the road, and your world.

With a host of advanced features, the Kona is designed for you to enjoy your love for technology whilst driving on the road.

A Head-Up Display¹ on the dashboard projects a virtual image of important data (like your speed) right in front of your eyes, so you never have to take them off the road.

We've integrated Apple CarPlay² and Android³ Auto³ too, so you can use the 7" touchscreen display to safely play music, make calls or get directions to your next destination via the Maps App on your smartphone device.

You'll also find a wireless smartphone charging pad⁴ in the centre console, so you'll always be able to easily recharge without the need for cables.

Top: Wireless charging pad⁴
Bottom: 4.2" TFT colour supervision cluster⁵

Kona.

Variants.

Life is about choice – so we've created four different Kona variants that will let you take to the road the way you want to.

1. **Apple CarPlay™** functionality requires software update. Apple CarPlay™ requires iPhone® 5 or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc. 2. **Android™ Auto:** Requires a device with Android 5.0 operating system or subsequent version, and USB cable in order to operate. Android is a trademark of Google Inc. 3. **Bluetooth®** is a registered trademark of Bluetooth SIG, Inc. Please check your Bluetooth® device's capabilities to ensure compatibility. 4. **iPod®** is a registered trademark of Apple computer Inc., registered in the U.S. and other countries. 5. **Hyundai SmartSense™** is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. High Beam Assist is only available on the Highlander variant. 6. **Leather appointed** may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof. 7. **Wireless charging pad:** Requires a Qi-enabled smartphone or adaptor to operate.

Active.

Engine and transmission

2.0L MPi (Petrol) 2WD – Automatic
1.6L T-GDi (Petrol) AWD – DCT

Key specifications:

Safety

- 6 airbags
- Parking Distance Warning – Reverse (PDW-R)
- Rear view camera
- Emergency Stop Signal (ESS)
- Electronic Stability Control (ESC) including:
 - Anti-lock Braking System (ABS)
 - Brake Assist System (BAS)
 - Downhill Brake Control (DBC)
 - Electronic Brakeforce Distribution (EBD)
 - Hill-start Assist Control (HAC)
 - Traction Control System (TCS)
 - Vehicle Stability Management (VSM)
- Tyre Pressure Monitoring System (TPMS)

Interior and technology

- Leather appointed⁶ steering wheel and gear knob
- 6 speakers audio system

- 7" touchscreen display with Apple CarPlay™¹ and Android™ Auto² compatibility
- Bluetooth® connectivity³
- Steering wheel controls for audio, phone and cruise control
- AUX/USB input with digital iPod®⁴ compatibility
- Power windows – front & rear
- Cruise control

Exterior and technology

- 16" alloy wheels
- Front grille – black
- Rear spoiler
- LED Daytime Running Lights (DRL)
- Automatic dusk sensing wipers headlights with escort and welcome functions
- Black exterior cladding
- LED side repeaters integrated into side mirrors

16" alloy wheels

Top-bottom split front headlights

Rear view camera

7" touchscreen with Apple CarPlay™¹ and Android™ Auto²

Active with safety pack.

1. All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai Dealer or visit www.hyundai.com.au for full warranty terms and usage recommendations.

2. Auxiliary cable not suitable for Apple[®] devices. 3. iPad[®] is a registered trademark of Apple Inc. The iPad[®] holder has been designed to hold iPad[®] models 1, 2, 3, 4 or Air securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad[®] when in use. iPad[®] not included. 4. Only suitable for use with a retractable seatbelt.

5. Maximum ball download 130kg. 2WD Towing capacity 1,300kg braked & 600kg unbraked. AWD Towing capacity 1,250kg braked & 600kg unbraked. Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. 6. Load capacity = 80kg evenly distributed over 2 bars. Roof Racks should be removed when not in use.

7. Requires fitment of roof racks at additional cost.

Relax, we'll take it from here.

There's a reason why our iCare program is so highly regarded. We built Hyundai iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception. Or as we like to say, amazing as standard. That includes a Sat Nav Update Plan for up to 5 years,³ and 24/7 Roadside Support⁴ for up to ten years when you service with us.

iCare

1. 5 year/unlimited Km warranty: Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions, for details and exclusions. **2. Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. **3. Sat Nav Update Plan:** Only applies to new vehicles with factory fitted satellite navigation. Updates are delivered annually and are complimentary if the vehicle completes a scheduled service at a participating Hyundai dealer. Updates must be undertaken within 5 years of the vehicle's initial purchase, maximum number of 4 updates. **4. Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Kona.

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™*

Hyundai Help for Kids™* offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™* you're empowering thousands of young Australians and giving them a better future.

*Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Kona.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world
– and one of the fastest growing global car brands.

We're also the only car company in the world producing
its own steel, because we know the best steel makes for
the strongest cars.

That's why we source the majority of our high quality
iron ore from right here, in Australia's backyard. So now,
when you buy a new Hyundai, you know you're driving
a car that's directly connected to home.
