Everest Wolftrak

Ford Everest Wolftrak I MY2027 Specifications

	4x4	4WD
Engine	**2.0L Turbo Diesel[1]**	**3.0L V6 Turbo Diesel[1]**
Number of cylinders	4	6
Maximum Power	125kW @ 3,500rpm	184kW @ 3,250rpm
Maximum Torque	405Nm @ 1,750 - 2,500rpm	600Nm @ 1,750 - 2,250rpm
Transmissions		
10-speed automatic transmission	S	S
Driveline		
Part-time 4x4	S	—
Full-time 4WD	—	S
Selectable Drive Modes		
- Normal	S	S
- Eco	S	S
- Tow / Haul	S	S
- Slippery	S	S
- Mud / Ruts[2]	S	S
- Sand[2]	S	S
Fuel		
Combined Fuel Economy (L/100km)[3]	7.1	8.5
CO_2 Emissions (g/km)[3]	188	224
Fuel Tank Capacity (L)	80	80
Fuel Type	Diesel	Diesel
Renewable Diesel (HVO) Compatibility	S	S
Vehicle Masses (kg)		
Kerb Weight[4]	2331	2443
Payload (Based on Kerb Weight)[5]	769	707
Gross Vehicle Mass	3100	3150
Gross Combined Mass	6250	6250
Maximum Front Axle Load	1470	1470
Maximum Rear Axle Load	1770	1770
Exterior Dimensions[6] (mm)		
Vehicle Length - With Tow Receiver	4978	4978
Vehicle Width (With Mirrors Extended)	2207	2207
Vehicle Width (With Mirrors Folded)	2015	2015
Vehicle Width (Without Mirrors)	1923	1923
Height (To The Top Of The Antenna Base)	1876	1876
Overhang - Front	871	871
Overhang - Rear	1143	1143
Track - Front / Rear	1620	1620

Ford Everest Wolftrak I MY2027 Specifications

	4x4	4WD
Engine	**2.0L Turbo Diesel[1]**	**3.0L V6 Turbo Diesel[1]**
Exterior Dimensions[6] (mm) (continued)		
Wheelbase	2900	2900
Ground Clearance (unladen)	226	226
Wading Depth[7]	800	800
Approach Angle	30.2	30.2
Departure Angle	25	25
Ramp Breakover Angle (degrees)	22.2	22.2
Turning Circle - Kerb to Kerb (m)	11.8	11.8
Interior Dimensions[6] (mm)		
Front Headroom	1024	1024
Front Legroom	1057	1057
Front Shoulder Room	1450	1450
2nd Row Headroom	992	992
2nd Row Legroom	912	912
2nd Row Shoulder Room	1443	1443
3rd Row Headroom	925	925
3rd Row Legroom	806	806
3rd Row Shoulder Room	1328	1328
Cargo Dimensions (L)		
Behind first row to the roof including footwell storage (2-seat mode) (VDA)[8]	1823	1823
Behind second row to the roof including footwell storage (5-seat mode) (VDA)[8]	898	898
Cargo Volume behind third row to the roof including footwell storage (7-seat mode) (VDA)[8]	259	259
Chassis & Suspension		
Front and Rear Vented Discs With Electronic Brake Booster	S	S
Electrical Power Assisted Steering	S	S
Locking Rear Differential	S	S

S = Standard

Disclaimer:

1. AdBlue® diesel exhaust fluid is required. AdBlue® is a registered trademark of VDA Verband der Automobilindustrie e.V. 2. Intended for off-road use only. 3. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, options and accessories, condition and use. 4. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and all standard equipment. Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Masses are not exceeded. 5. All payloads are calculated by deducting the vehicle's Kerb Weight from its Gross Vehicle Mass (GVM). Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and all standard equipment. Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Masses are not exceeded. 6. Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. 7. Maximum water wading 800mm maintaining speed of 7km/h or less. Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. Do not attempt a water crossing if you are unsure of the water depth. 8. Measured laden to roof, using VDA methodology. VDA is the method determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm.

	4x4	4WD
Engine	**2.0L Turbo Diesel[1]**	**3.0L V6 Turbo Diesel[1]**
Wheels		
20" Alloy with All-Season Tyres	S	S

Disclaimer:

9. Zone Lighting will not operate if battery charge is insufficient. The length of time that Zone Lighting will operate depends on the battery charge, the types of lights fitted to the vehicle (LED or Bulb) and other electrical loads connected to the vehicle. The system will automatically turn off after a period of time to preserve the battery's engine starting performance. 10. Leather accented refers to seats with a combination of real and artificial leather. No leather in 2nd row middle seat or 3rd row seats. 11. Wireless Charging only available with compatible phones.

Disclaimer:

12. Use of Ford app is subject to the Ford app Terms and User Guide and Ford app Privacy Collection Notice, which are available on https://www.ford.com.au/privacy and requires a compatible mobile device, internet access and software (including software updates from time to time). The Ford app functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and the Vehicle's Modem can only work when both are connected to the telecommunications network. The Vehicle's Modem will only function on the telecommunications networks it could use at time of manufacture. When all compatible networks for the modem in your vehicle are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that the Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. If the Ford app is unavailable, the ability to lock or unlock your vehicle remotely could be limited, and a physical key might be needed. Always keep your key with you to ensure you can access your vehicle at all times even if the Ford app is unavailable. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. 13. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 14. Eligible vehicles receive Connected Navigation Services for 1 year from the Ford 7 Year New Vehicle Warranty start date, after which time the Connected Navigation Services may cease to be available, or may be subject to a subscription fee. To use Connected Navigation Services, users must have created a Ford app account (terms apply), have fully activated the vehicle's modem and have SYNC Location set to 'on'. 15. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4A features are compatible with all phones. For compatibility, see ford.com.au/sync. 16. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 17. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. 18. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 19. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. 20. Driver- assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. iACC uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator. Customers should read the Owner's Manual for full details of the limitations of the iACC system before activating the system. 21. Intelligent Speed Assist (ISA) uses Speed Sign Recognition to limit the vehicle's speed to the maximum speed limit detected by the Speed Sign Recognition system. The ISA system is subject to limitations. and will not always detect the correct speed limit. This can occur in certain circumstances, including (but not limited to) unreadable speed signs due to obstruction or poor condition, severe weather, or travelling a distance without encountering a speed sign - which may cause the vehicle to be limited above or below the actual speed limit. ISA can be temporarily overridden by the driver firmly pressing the accelerator. 22. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Evasive Steer Assist does not control steering. See Owner's Manual for details and limitations. 23. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Designed for use on rural roads at speeds of 65 – 110km/h. The feature does not detect every edge and does require a level of contrast between the road surface and the edge. 24. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Pre-collision Assist with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. It does not replace safe driving. See Owner's Manual for Limitations. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. It does not replace safe driving. See Owner's Manual for Limitations. 25. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. Please see the Owner's Manual for precautions and limitations. 26. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Factory Options can be ordered before a vehicle is manufactured at additional cost. 27. Drivers are responsible for maintaining the correct legal speed limit at all times and should not rely solely upon the Traffic Sign Recognition system. 28. Maximum towing capacity-braked using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 29. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and Trailer Connection Alarm. To use the Trailer Brake Controller, drivers must set the gain on the Brake Controller unit. 30. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. 31. Intended for off-road use only.

Important information:

This brochure is designed to provide you with a general introduction to the Ford products (including available optional equipment) referred to and should be read in conjunction with the latest specification sheet. Features, designs, materials, colours and other specifications may vary from those depicted. Because of changes in conditions and circumstances Ford reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
