

WESTERN STAR TRUCKS®

PROVEN DURABILITY

Designed to go the distance, the 4900 has a proven track record of reliability and performance. This durable truck comes into its own in road-train configurations, with a rating available of up to 160-tonnes (FXC model). With a long-standing American heritage, this tough truck not only boasts power under the hood, but also comes with an unsurpassed spacious full-width, roomier cabin making it the complete package.

LET'S GET SERIOUS

REST IN LUXURY

The Western Star ethos has always been centred around you, the driver. Getting behind a Star wheel has to be a pleasure. And when you step inside the roomy headquarters of a 4900, you won't want any other truck. This is where five star comfort meets practicality. Large doors, spacious floor, and double door seals that provide a quieter atmosphere in the cab. This is serious accommodation for a seriously powerful Star.

ROBUST & RELIABLE

Suitable for a range of applications, the 4900 is the specialist when it comes to road trains. You can count on this seriously durable truck to move your loads whatever the terrain. With a tough American heritage, the 4900 is robust and reliable, maximising productivity.

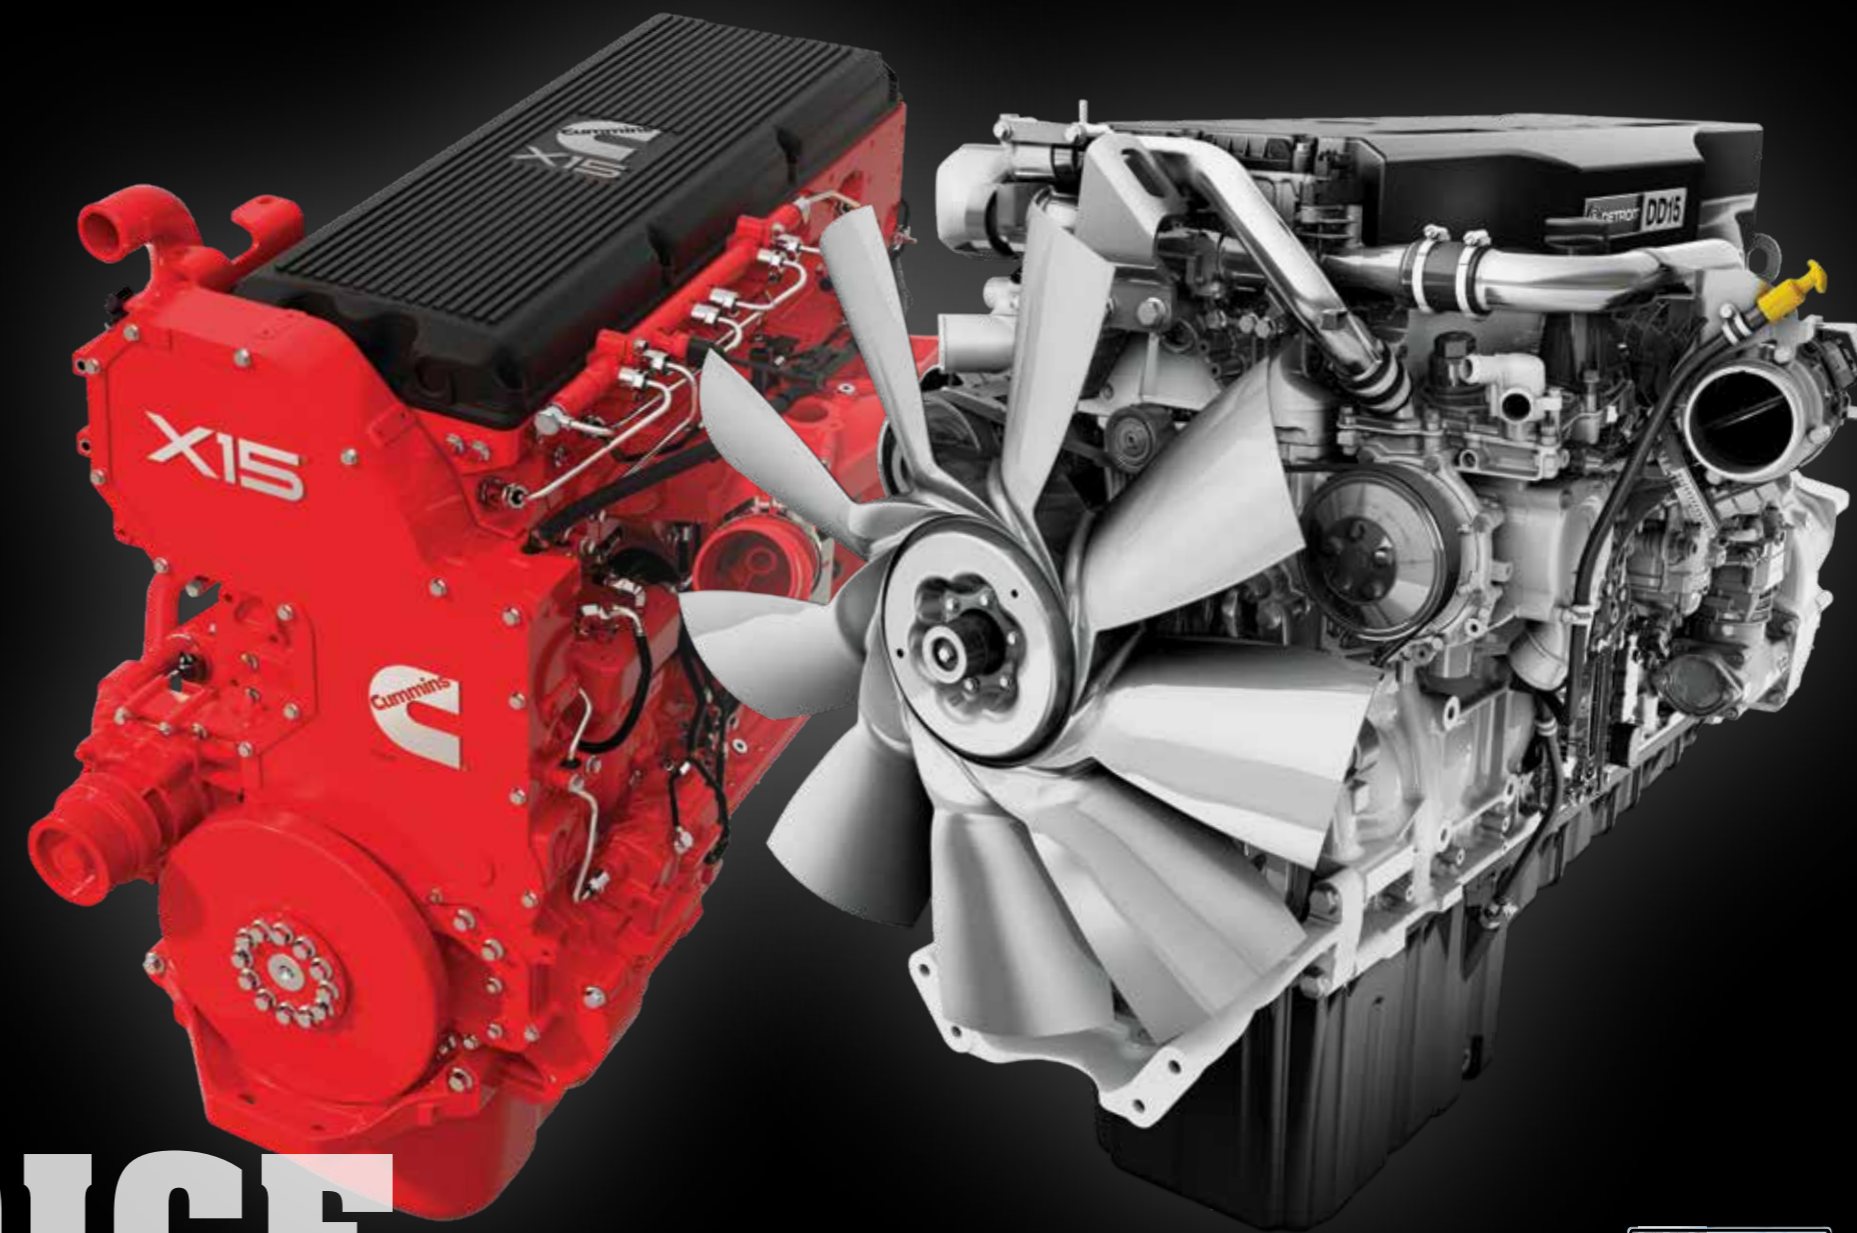

BUILT TOUGH

YOU ASKED, YOU GOT IT

Western Star is all about choice and the 4900 is no exception. Power your prime mover with the engine of your choice. You can opt for a Detroit DD15 or a Cummins X15. This power of choice combined with Western Star's inherent efficiency means you are poised for profit, whatever you decide.

THE POWER OF CHOICE

STATUS COMES FROM EXPERIENCE

The 4900 is famous for good reason. This Star encapsulates the essence of Western Star's heritage in Australia. Handcrafted to meet tough conditions but not rough on resources. Powerful. Versatile. And you get to choose your own adventure with this truck. Whether it's a road train, used for logging, moving livestock, bulk haul, or general freight, your Star is built to meet your exact specs. Now that's legendary.
