Figures in brackets [ ] for Avant

^ Figures are calculated on the basis of 19 inch wheels.

Δ Figures are calculated on the basis of 20 inch wheels.

◊ The figures stated are for the purposes of comparison amongst vehicles tested under the same testing procedures only. The actual figure may vary depending on multiple factors such as fuel quality, vehicle load, environmental and road conditions.

Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

^Δ Fuel consumption, CO_2 emission data, energy consumption and range figures (as applicable to the vehicle in question) are derived from laboratory testing in accordance with ADR 81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[‡] The content and scope of the Audi connect *plus* services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect *plus* services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsofservice for more information. Additional Information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy

1 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

2 Leather appointed seat upholstery has a combination of genuine and artificial leather, but are not wholly leather.

3 Audi connect *plus* Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect *plus* services are valid for 3 years after vehicle delivery. Emergency call and Automatic service reminder are valid for up to 10 years after vehicle delivery. If Audi connect *plus* services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

4 Audi connect *plus* Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility. Apple CarPlay® is a registered trade mark of Apple Inc. Android Auto™ is a registered trade mark of Google Inc. Bluetooth® is a registered trade mark of Bluetooth SIG Inc.

6 Digital radio reception coverage dependent on vehicle location.

7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicle pictured is an overseas S5 Avant with optional equipment.
