

RENAULT
Passion for life

Renault CLIO

"Great style and features, an uncommonly good drive
at a very good price."

Tim O'Brien
The Motor Report

"One of the best cars in its class, with style, energy
and class."

Feann Torr
Carsales.com.au

Meet Clio

As you admire its beauty and elegance, you can truly sense the passion and craftsmanship within. A testament to the Renault design renaissance and inspired by the highly acclaimed DeZir concept car, the Renault Clio means you can take home your own piece of immaculate Renault design.

No sharp, aggressive angles here: just curves that make you want to get closer and caress it.

It is no wonder that the Renault Clio has been awarded Australia's Best Light Car 2013 and 2014.

RENAULT Clio Expression TCe 120

Enticing design

Renault Clio makes hearts melt. Sensuous curves, an expressive front end and sporty rear shoulders. The Renault logo takes centre stage on the radiator grille. Desire in every detail.

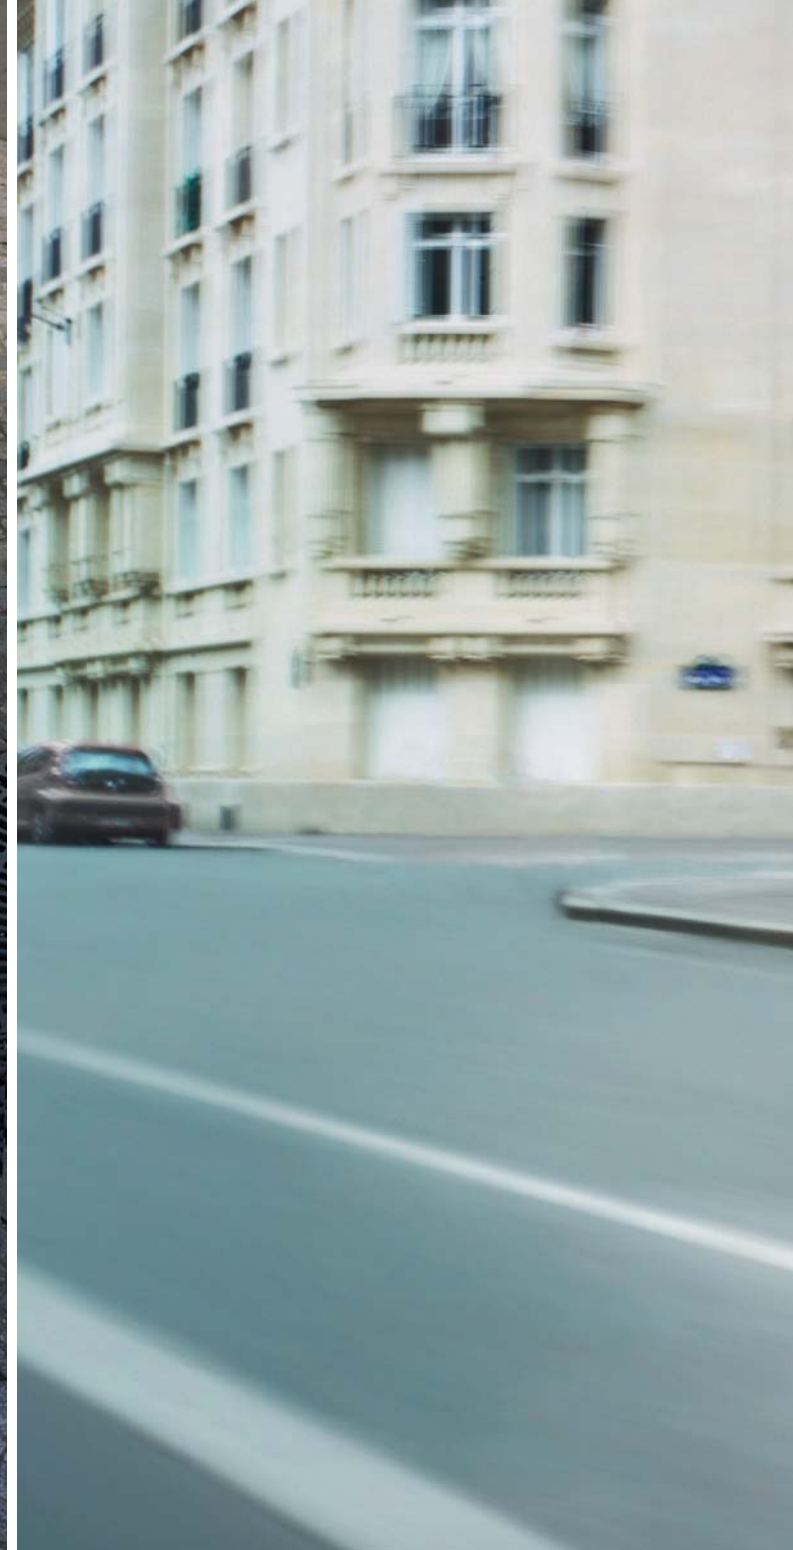

Overseas model shown.

Make life easier for yourself

Sleek, aeroplane-wing dashboard design, accessible centre panel, digital speedometer for enhanced readability, height-adjustable driver's seat with a range of 70 mm, height- and depth-adjustable steering column, choice of colours, chrome and glossy black materials: everything you need in a practical, modern car.

CLIO GT

Smart and sporty

The Clio GT is the very picture of stylish sportiness. It adheres to the Renault Sport design code: aerodynamic grille, offset LED daytime running lights, spoiler, rear diffusers, twin tailpipe and GT badges. Out on the road, Clio GT offers a dynamic yet comfortable drive, with its 120 hp engine coupled to an EDC multi-mode gearbox, fixed paddle shifters behind the steering wheel and specially-adjusted chassis. On the inside, it offers all the features of an upper-range model including dark carbon leather and fixed sunroof on the GT Premium. A dual personality for enticing power.

Overseas model shown.

Technology for tomorrow

Featuring some of the highest safety standards and innovative communications, the Clio's distinctive centre console unit houses the vehicles air conditioning, Bluetooth connectivity, reversing camera* and the exceptional 7" Touchscreen Media Navigation System or the optional R-Link Media Centre.

The Renault Clio's Media Navigation system on Expression, Dynamique and GT variants, provides a high definition 7" touchscreen system to display

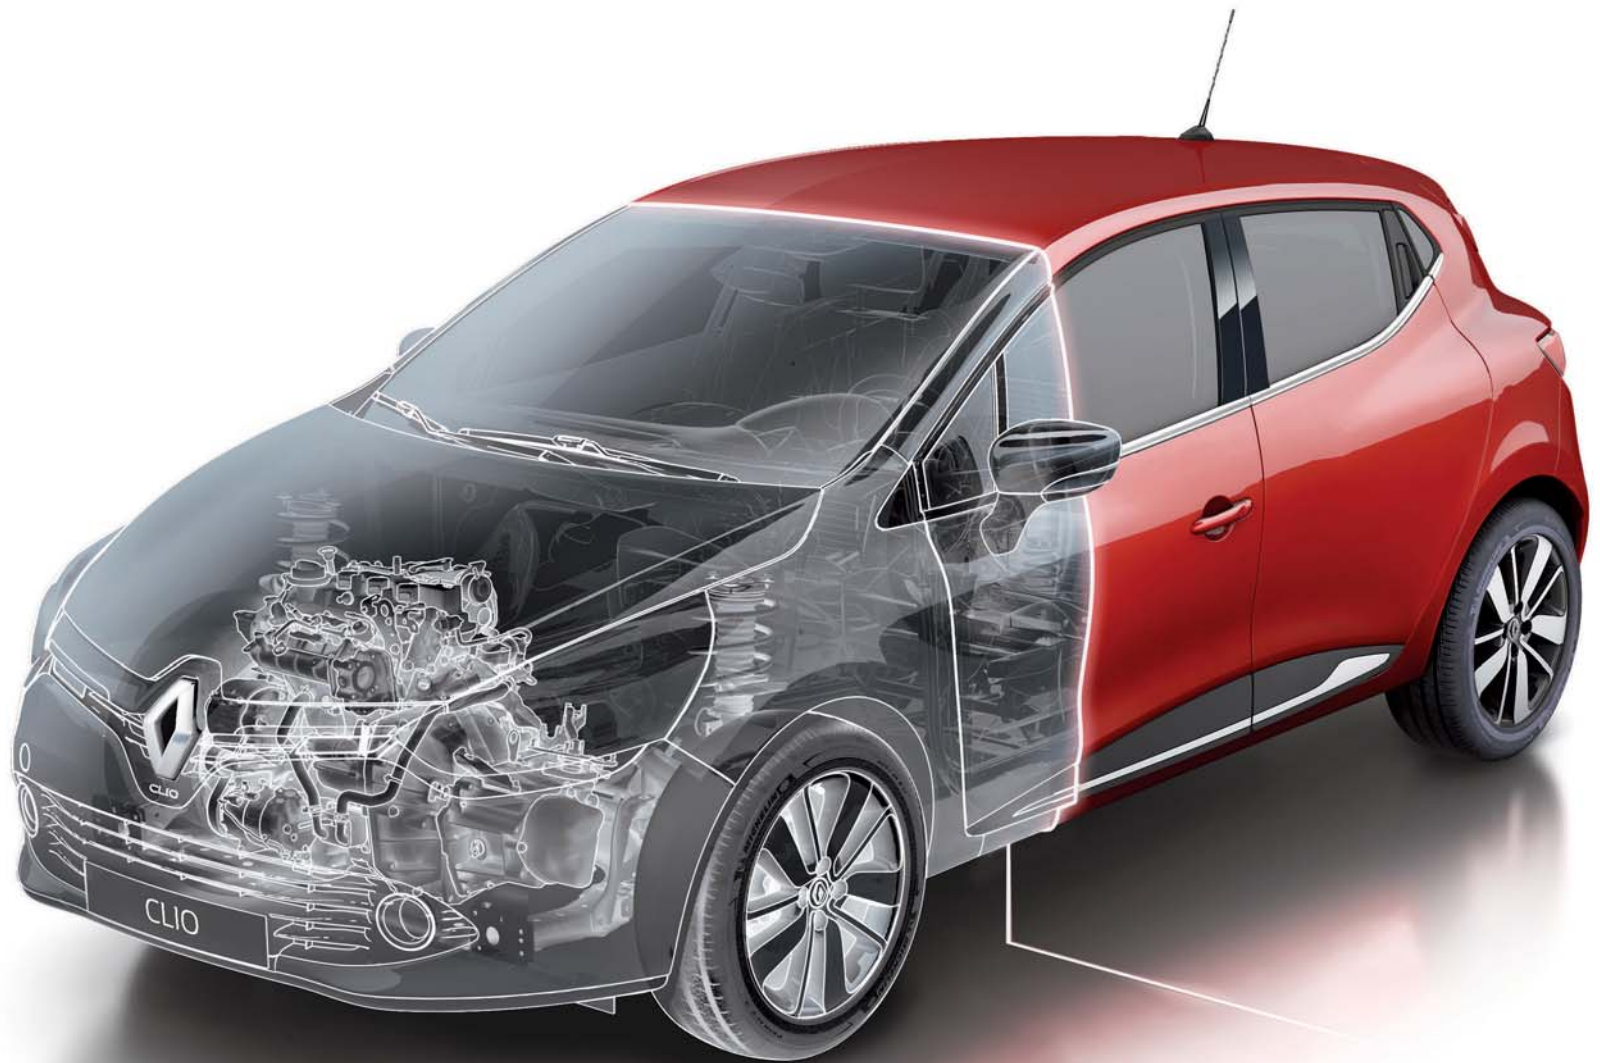

routes and audio information in vivid colour. For a more sophisticated, high-tech communication experience on the GT Premium (and optional on Dynamique and standard GT variants), R-Link keeps you immersed in the things you love.

In every Renault model you can connect wirelessly to your smartphone via Bluetooth for hands-free mobile usage. You can also play music via USB or auxiliary input and control play from the fingertip controls behind the steering wheel.

*GT Premium, Dynamique variants, optional on GT
Not available on Authentique.

Overseas model shown.

Efficient engines and driving pleasure

Based on a combination of innovative technologies - some hot off the race circuit - Clio's Energy engines are revolutionising current standards. They mean that the Renault Clio provides incredible fuel efficiency and CO₂ emission records, while making sure driving pleasure remains intact.

Energy TCe 90 **Flexibility and efficiency**

Available on Authentique and Expression variants, the TCe90 displays remarkable fuel efficiency and is paired only with an engaging manual gearbox. This 90 hp turbo petrol engine delivers efficient acceleration at all speeds. Driving is especially flexible around town, thanks to 90% of maximum torque being available from 1,650 rpm, which means you don't need to keep changing gears. The Energy TCe engine comes with the overboost function, offering a more dynamic drive and even better pick-up. Equipped with Stop & Start, it offers reduced fuel consumption (in combined cycle) of 4.5 L/100 km.

TCe 120 **Power and control**

Powerful, lively and responsive, its 120 hp delivers 190 Nm of torque at 2,000 rpm. It is combined with the EDC double clutch 6-speed automatic gearbox for even more driving pleasure. It offers smooth gear changes, responsiveness and liveliness, with fuel consumption comparable to that of a manual gearbox.

*Combined cycle consumption. Vehicle tested in accordance with ADR 81/02 based on combined cycle (city/highway). Actual fuel consumption and CO₂ emissions depend on factors such as traffic conditions, vehicle condition and how you drive.

EDC automatic gearbox **Comfort and enjoyment**

The 6-speed dual-clutch EDC automatic gearbox is available with the lively TCe 120 engine. Upshifting is fast and smooth, with no jerking or loss in acceleration. The EDC benefits from a transmission which combines the comfort of an automatic with the response and fuel efficiency of a manual transmission.

Clio on the inside

The Renault Clio has a beautifully designed interior, with technological and functional features created for easy use, day after day. There is plenty of storage: gear lever compartment, 7-litre glove box, front-seat passenger storage tray, cup holder, and door panel storage. To make it easy to transport long or bulky items, the split folding 60:40 rear bench seat comes as standard. Renault Clio also has a boot volume of 300 litres, one of the best in its category. Everyday life made beautiful and practical.

Overseas model shown.

Safety for all

Renault's responsible vision involves providing the most modern and effective passive and active safety systems, regardless of the equipment level of your vehicle. Enjoy 5-star Euro NCAP safety with the Renault Clio.

Protection

Reinforced structure, high-efficiency front airbags, head/chest-level side airbags, pressure sensor to detect impacts, seat belts with pretensioners and load limiters (front seats), anti-whiplash headrests, load limiter function (rear seats), luggage retention bar and anti-submerging front and rear seats (Fix4sure).

Isofix

Isofix is the international standard for child safety seats and to ensure your children are protected two 3-point Isofix seat attachments (rear side seats) are available across all Clio models. On top of the greater safety, Isofix seats attachment points are easy to secure or move.

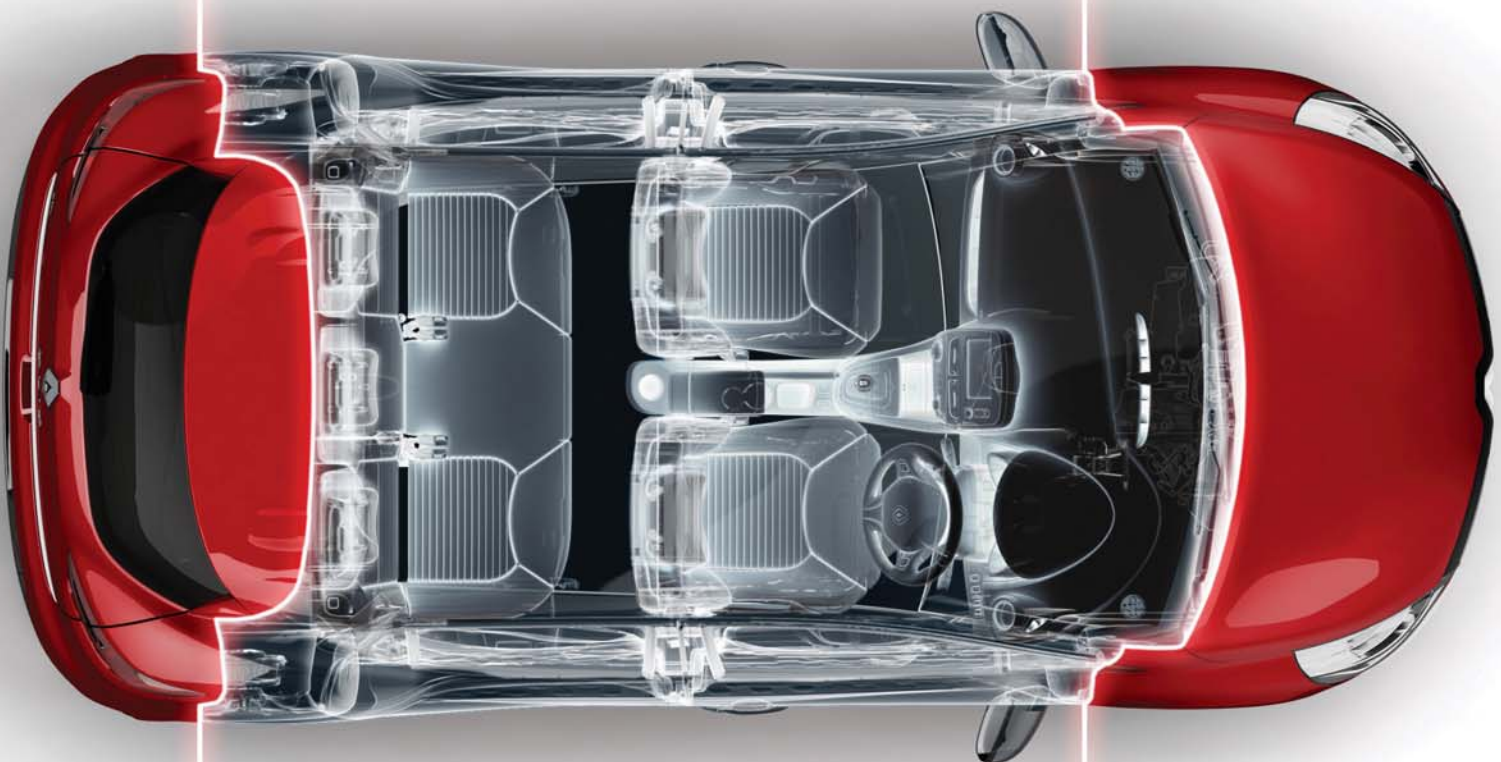

Electronic Stability Control (ESC)

New-generation ESC and Anti-Slip Regulation (ASR) Ensure the vehicle remains stable even in difficult road conditions.

Hill Start Assist (HSA)

When starting the vehicle on a hill, the brake pressure is automatically maintained for two seconds, giving the driver time to manoeuvre.

Renault Services. For peace-of-mind.

Comprehensive Warranty

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all of our passenger vehicles.

24/7 Roadside Assistance

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel. You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

Capped Price Servicing

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000 km (whichever occurs first) behind the wheel thanks to Capped Price Servicing. The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

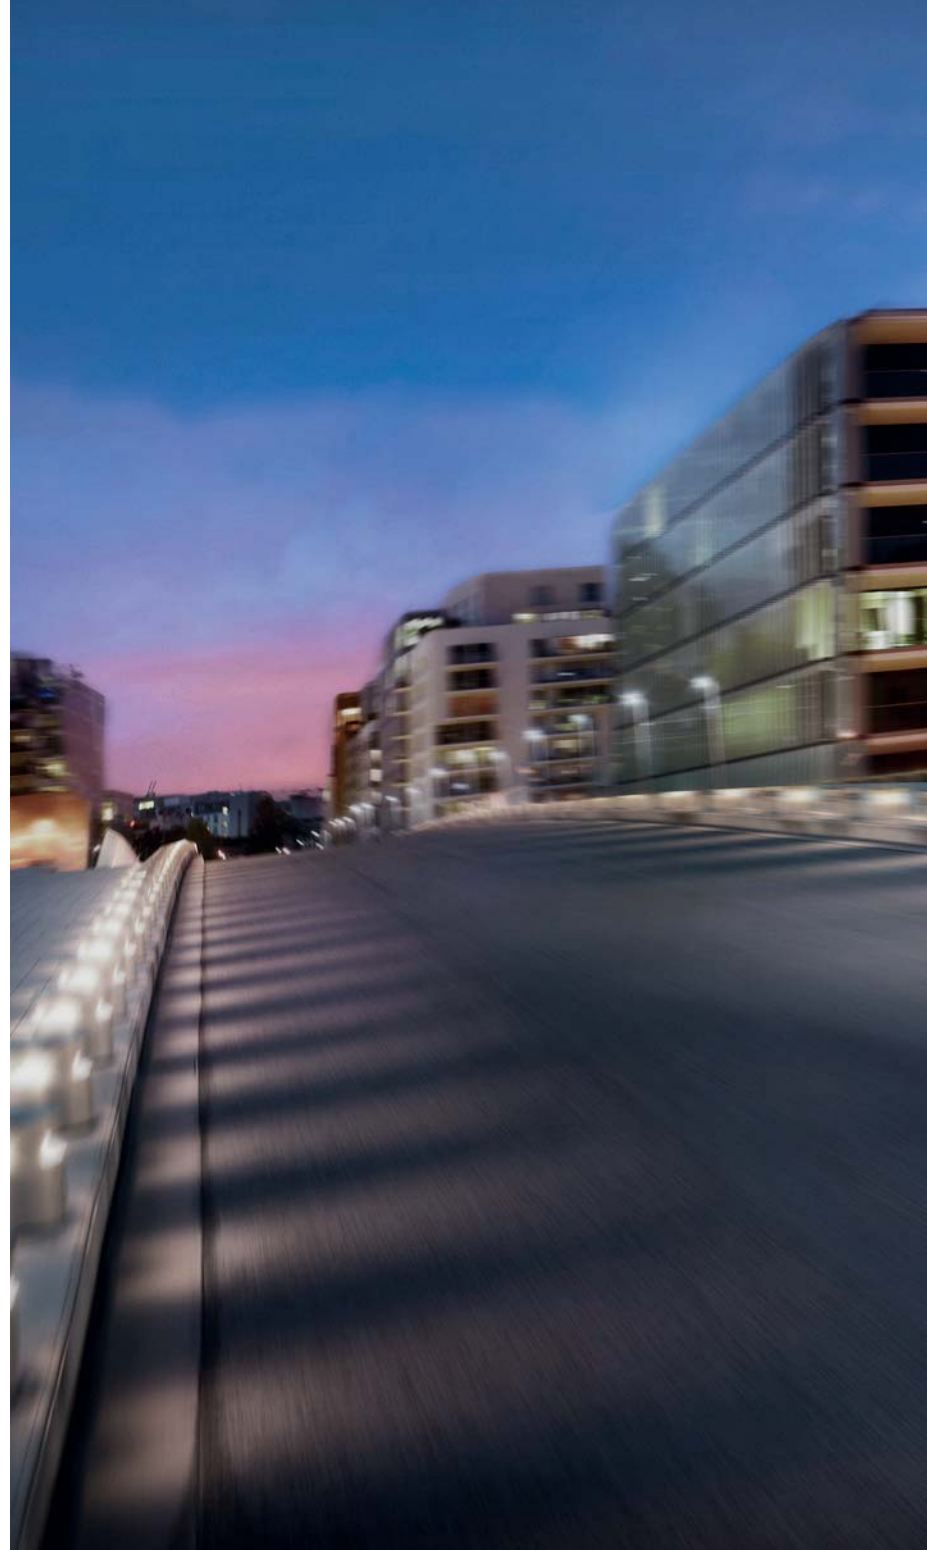

Genuine Renault Parts

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty. Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.
