SETTING THE STANDARD

TWIGA CLASSIC SERIES REACH MOWERS

TWIGA CLASSIC SERIES REACH MOWERS

- 5.9 metre maximum reach
- 95hp minimum tractor requirement
- 3-point linkage mounting
- Parallel arm geometry
- Fully independent 65hp hydraulic system
- 220 litre oil capacity
- Hydraulic safety breakout
- Low power requirement
- Choice of control systems
- Choice of cutting heads and attachments

Spearhead's Twiga Classic series reach mower incorporates a strong combination of power and flair with a stripped back look that contributes to the best value for money machine on the market.

Based on the highly acclaimed Excel 565 – a legend in the Spearhead stable, the Twiga Classic series satisfies the requirements of a host of different markets and applications whilst building on the same robust technology as larger models in the Spearhead range.

Powered by a 65hp hydraulic system, the Twiga Classic series is available with sideways reach of 5.9 metres with rear mounting as standard.

Model	Max. Reach	Weight	HP (Min.)	Tractor Weight Req.
TWIGA COMPACT 595 with mini pilot controls	5.9m (19'4")	1380 kg	95	3750kg
