must-see XV

Introducing the all-new Subaru XV, Australia's genuine compact SUV that delivers blockbuster entertainment and show-stopping value. The feel-good drive of the year, the all-new Subaru XV has been completely reimagined for a smoother and roomier ride while delivering gripping performance on the road.

Superb production design brings more tech, more efficiency and more fun than ever before. The all-new Subaru XV stars more of your favourite features as standard, including our legendary Symmetrical All-Wheel Drive, advanced technology for increased fuel efficiency, a super large touchscreen, X-Mode and more.

Experience it yourself, today. Book a test drive and prepare to be starstruck.

Subaru XV 2.0i

breakout performance

The all-new Subaru XV 2.0i is ridiculously good looking from roof to rim, with rugged character and powerful performance. Bold design and bright colours turn heads on the red carpet, while the interior brings a large touchscreen, Apple CarPlay™ and Android Auto™ connectivity¹ to your fingertips.

The new Subaru XV rides high above the rough stuff with 220mm of ground clearance and a widened body for more space and comfort in the cabin. A wide and sporty stance shows off Subaru's classic hexagonal grille and hawk-eye headlights while the matte black cladding and 17" alloy wheels define the SUV's rugged character.

beam me up Subaru!

The all-new Subaru XV takes driving technology where it's never been before, while you put in the performance of a lifetime from the director's seat.

Bounce your smartphone's mapping system to a 6.5" or 8" touchscreen infotainment system or use the inbuilt satellite navigation¹ system.

Set the soundtrack with Apple CarPlay™ and Android Auto™ on the intuitive infotainment system, with USB and AUX connectivity. To switch radio stations, play the next song on your soundtrack, lock in your directions or call your co-stars, just hit voice command and say the magic words.

why XV?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive system, which delivers the drive distribution to all four wheels, all the time. Every Subaru XV has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine delivers handling like no other engine can. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®¹ Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess² (up to a maximum of \$800 including GST) should your new Subaru be stolen and not recovered within 45 days despite the presence of DataDotDNA®¹ and warning labels.

Finest safety

5 star ANCAP safety across the range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. It's not a Subaru unless it carries the maximum 5 star ANCAP³ safety rating.

The backbone of the future

Subaru Global Platform

Built on the all-new Subaru Global Platform, the all-new Subaru XV is brilliant to its core. A new streamlined frame delivers amazing stability, a smoother ride, more responsive control and an even quieter cabin. The result? The feel-good ride of the year.

Part technology, part process, the Subaru Global Platform is a modular, future-ready foundation for our cars, informing everything we make and do.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard on every Subaru XV variant.

1. DataDotDNA® is a theft deterrent not a theft prevention mechanism. 2. Vehicles must be comprehensively insured. Terms and conditions apply. 3. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

Subaru XV 2.0i-S

Efficiency without compromise

Auto Stop Start

We're constantly thinking of ways to help the environment and become more fuel-efficient. That's why we developed Auto Stop Start technology. It saves fuel by cutting the engine when you don't need it, like when you're idling or stopped in heavy traffic. The moment you're ready to move again, the engine restarts in a fraction of a second. Our Auto Stop Start technology is standard on all Subaru XV variants.

Yet another world first

Lineartronic™ CVT

Pushing innovation beyond the bounds, we introduced an automatic transmission called Lineartronic™ CVT (Continuously Variable Transmission). And it's the reason our automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – our Lineartronic™ CVT provides

infinite variability between the highest and lowest available gears. So you now experience a smooth gear change, into any optimum gear for that moment. Lineartronic™ CVT is standard on all Subaru XV variants.

Get smart

X-Mode

When the going gets tough, engage Subaru's intelligent X-Mode, standard across the all-new Subaru XV range. Featuring Hill Descent Control and improved grip and traction in low speed and slippery conditions, X-Mode delivers uncompromising performance in challenging terrain.

We're looking out for you

EyeSight® Driver Assist

We were the first car company to exclusively use stereo camera technology to detect objects in our vehicles path. A sign of our future-thinking and our commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, spotting

potentially dangerous situations. If EyeSight® detects anything that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® is available on Subaru XV 2.0i-L, 2.0i Premium and 2.0i-S.

Clever thinking

Vision Assist

Imagine if your wing mirrors could alert you when there's something in your blind spot. Or if your car could detect the possibility of a collision whilst in reverse, and automatically apply the brakes. We made all this happen – and more – with Subaru's Vision Assist.

Our suite of proactive safety technologies including Blind Spot Monitor, Rear Cross Traffic Alert, Lane Change Assist, High Beam Assist and Reverse Automatic Braking are always at work to help you feel safer on the road. Subaru's Vision Assist technologies are standard on the Subaru XV 2.0i-S.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 3 Year/Unlimited Kilometres

Every new Subaru is covered by a three year unlimited kilometre manufacturer's national warranty. You can protect your investment further by purchasing an additional Subaru Assured Warranty¹ of up to three years. Visit subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our Subaru 3 Year/37,500 Kilometre Capped Price Servicing Program², you'll now know the maximum amount you will have

to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

DataDotDNA[®]

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA^{®3} Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess⁴ (up to a maximum of \$800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA^{®3} and warning labels.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program⁵ – guaranteeing you'll have access to the latest maps with our Latest Map Guarantee and our 3 Year Map Update Program (subject to the vehicle having its scheduled services performed through a participating authorised Subaru Service Centre).

My Subaru – online owner's destination

The My Subaru owner's portal is an online destination for owners which provides access

to exclusive benefits, tailored content, your vehicle's ownership history and much more. Login to My Subaru, the online destination for Subaru owners that will help you get more out of your vehicle, and more out of your life. Visit my.subaru.com.au

Subaru Roadside Assistance

Enjoy 12 months of Australia-wide, standard Roadside Assistance¹ provided in partnership with your local state Motoring Club – plus complimentary extras such as member magazines and Show Your Card and Save² discounts.

Subaru Certified Collision Repairer Network

With a dedicated Certified Collision Repairer helpline available on 1800 737 179, help is never far away. Available 24-hours a day, 7 days a week, help will always be available when you need it most. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

live life without limits

Genuine Accessories

Subaru Genuine Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru XV accessories visit subaru.com.au/xv/accessories. Subaru Finance

Subaru Finance³ provides a range of competitive financial solutions to approved customers. Our finance specialists will help you find a finance package to meet your needs conveniently.

Subaru Insurance

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it.

A range of Subaru Insurance⁴ options provides a variety of choices, including: Subaru Comprehensive Motor Vehicle Insurance, Subaru Value Protect Insurance and Subaru Loan Protection Insurance.

Subaru Certified Used Cars

Every Subaru Certified Used Car has passed a 120-point quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty⁵ – to complement the balance of a new vehicle warranty or the statutory warranty that remains – from participating Subaru Certified Used Car Retailers.

Subaru Active

At Subaru we believe in living life to the fullest – from cycling and triathlons, to holidays and the arts. Through Subaru Active we promote the importance of a balanced lifestyle through a number of sponsorships and associations.
