

# The Caddy

# The Caddy

## For whatever comes next

Image shown for illustrative purposes only and varies from standard specification. Caddy shown is a SWB Life variant (not available in Australia) with optional 18 Inch Alloy Wheels "Monterosso" Glossy Black, Silver Roof Rails, LED Main Headlamps with LED Separate Daytime Running Light and LED Rear Combination Lamps.

## **The Caddy.**

Now completely revamped, with stellar improvements across the range.

### **Modern design.**

Striking front end with honeycomb structure, dynamic, clear lines, and an array of improvements to achieve better efficiency.

### **Two equipment lines.**

Keeping the essentials in mind: the Caddy and supreme comfort: the Life.

### **Perfect for everyday use.**

Flexible vehicle interior with seating layout, with removeable double bench and single seat in second row, removable single seats in the third row and plenty of storage options.

### **Ultra-digital and closely integrated.**

Crystal clear Digital Cockpit Pro and 10-inch high definition screen as standard with App-Connect~ integration

### **Premium driving comfort.**

Comfortable seats with electric 4-way lumbar support for driver and front passenger, plus a very spacious interior.

### **Proven quality.**

Durable materials, high-quality workmanship and reliable engines.

### **State-of-the-art driver assistance systems\*.**

The latest generation of driver assistance systems, including Adaptive Cruise Control<sup>1</sup>, "Travel Assist" with "Emergency Assist"<sup>1</sup>, Lane Change System "Side Assist", Blind Spot Monitoring, Rear Traffic Alert, "Front Assist" and Park Assist with front & rear Park Distance Control.

### **Improved Efficiency.**

The Caddy is available with the latest TSI and TDI engines coupled along with a 7-speed DSG gearbox, providing an excellent and efficient driving experience.

\* Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

~ App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, connection cable (sold separately).

1. Optional accessory, at extra cost for Caddy variant. Standard equipment for Caddy Life.

# Fun, for everyone.

The Caddy is more versatile than ever before, making it perfect for sport & leisure, work, holidays, city shopping trips & weekend excursions. Meaning the end result is a vehicle which is ideal for everyday use, no matter the task or occasion.

# Flexible as always. **More room than before.**

Time to stretch out. The Caddy is offered exclusively as the Maxi variant which is 353mm longer, so there's plenty more space for you, and more room for the little ones on those long journeys.

Space is a luxury you and your family shouldn't go without.

Open the two sliding rear doors and hop on board for the adventure of a lifetime. The Caddy is the perfect companion, adapting effortlessly to your daily life. The two single seats in the third row are able to be easily removed and the two-part bench seat in the second row can be easily folded down, double-folded, or even removed completely. In addition, the second row bench and the single seat can also be removed independently of each other. This leaves plenty of space for bulky purchases or even small items of furniture.

The image shows the front interior of a car. The dashboard is dark grey with a large, rectangular infotainment screen in the center. The screen displays a grid of colorful icons for various functions like Telephone, Radio/Media, Vehicle, App connect, Park, Standing Climate, Assistants, Setup, Driving Profile, and Seats. Below the screen are air vents and a control panel with buttons for hazard lights and other functions. A person's hand is visible on the right, holding a smartphone over a wireless charging pad. The steering wheel is partially visible on the right side. The overall lighting is bright, suggesting a sunny day outside.

# Everything in view. **Easy functionality.**

Experience digital progress first-hand in the Caddy. The touch-sensitive displays recognise the same gestures as a smartphone, you can control navigation, multimedia functions and even control the air conditioning all on a single screen.

Enjoy a wealth of extras by supplementing the already impressive standard 25.4cm (10-inch) infotainment display and Digital Cockpit Pro, with a fully integrated Discover Media Navigation system.

The high resolution 26.0cm (10.25-inch) Digital Cockpit Pro screen is perfect for displaying your current driving data or smartphone media library. Use buttons on the multifunction steering wheel to scroll conveniently through the playlist, select the next call via contact portraits, or activate individual driver assistance systems.

~App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, connection cable (sold separately). Wireless App-Connect is available with the optional Discover Media navigation system.

**01 Direct access button module.** The module is arranged centrally around the hazard warning lights button and uses shortcuts for easy access to major functions such as driver assistance systems, air conditioning functions and parking assistance systems. | C | L |

**02 Composition Audio radio system.** This system offers a 25.4cm (10-inch) colour touch display, 6 loudspeakers, two USB-C ports in the centre console, Bluetooth® interface. It also includes App-connect~ as standard. Factory integrated navigation is available as an option, "Discover Media". | C | L |

**03 Digital Cockpit Pro.** A full digital dashboard experience allowing personalisation of key functions and information. Customised views show data on audio, phone, consumptions and if optional, navigation. Display content can be adjusted using the steering wheel controls. | C | L |

Standard Optional extra | C | Caddy | L | Life

## Standard equipment Life.

Variant	Cockpit	Passenger compartment	Driver assistance and safety systems
Maxi Wheelbase	Front, side, curtain & centre airbags for driver and front passenger	Seven Seats (7)	Advanced driver attention & drowsiness monitor
1.5L TSI220 85kW or 2.0L TDI320 90kW engine	Seat trim in Trialog fabric	Curtain airbag for outer seats in rear	Electronic parking brake with auto hold function
7-speed dual clutch gearbox DSG	Front seats with height adjustment, 4-way power-adjustable lumbar support, seat cushion tilt and depth adjustment	Seat trim in Trialog fabric	Electronic stability programme (ESP) with Brake Assist system, ABS, traction control system (ASR), and Hill Start Assist*
Front-wheel drive	Three-point automatic seat belts with belt tensioners for the driver & front passenger and lap belt tensioner for the driver	Carpet floor covering	Multi collision braking system (MCB)
Design	Dash panel with multiple stowage compartments and illuminated glove box	3-seater bench seat in the second seating row, split at a ratio of 2/3 to 1/3, can be folded, double-folded and removed separately.	Servotronic (Speed-sensitive power steering)
17-inch Barahona alloy wheels in brilliant silver	Roof gallery with storage tray	2 seats in third row, each individually removable	Automatic headlight control with separate daytime running light and entry and exit lighting
Radiator grille with double chrome	Vents, trim and door handles with chrome bezels	Child seat anchors (ISOFIX) (except centre seat in 2nd row) and top tether on all seats	Windshield wiper intermittent control with light and rain sensor
Bumpers and door handles in colour-coded design, exterior mirror housing with black paintwork	Carpet floor covering in cab	LED reading light in passenger compartment	Seat-occupied recognition system for all seats
Electrically adjustable, power folding and heated exterior mirrors	Centre console with height-adjustable centre armrest, stowage compartment and two drink holders	Additional 12v Socket	Auto. Emergency Braking (Front Assist) with Pedestrian and Cyclist Monitoring*
Sliding door, left and right side	Multi-Colour Digital Cockpit Pro	Electric child proof lock for sliding doors, lockable from the front cabin	Oncoming vehicle braking when turning*
H7 Halogen headlights	Dual-clutch transmission DSG selector lever with shift-by-wire technology	Additional sound acoustics for front and rear cabin	Lane change system (Side Assist) incl. Blind Spot Monitor and Rear Traffic Alert
Hinged windows in passenger sliding doors	Leather wrapped multifunction steering wheel	Luggage compartment	Lane keeping system (Lane Assist)
Fixed windows in rear passenger compartment	Driver and front passenger electric windows	Power latching lifting tailgate with rear heated window and wiper	Park Distance Control in front and rear*
Tailgate with window aperture	12 V socket in the front of the centre console	Luggage compartment cover	Rear View Camera*
Chrome-coloured Caddy badge on rear tailgate	Sun visors with mirrors	LED tailgate surround lighting	Park Assist*
Chrome roof rails	Auto dimming breakaway interior rear view mirror	Air conditioning and sun protection	Adaptive Cruise Control ACC (with follow to stop for dual-clutch transmission DSG) incl. speed limiter
Black sliding door rail	2 roof grab handles in cabin	Climatronic two-zone air conditioning system incl. AirCare	Comfort drive Travel Assist*
Infotainment and connectivity	Fixed heat-insulating front side windows	74% light-absorbing glass in rear side windows and rear window	Emergency Assist*
Composition radio system with 25.4cm (10-inch) colour touch screen with App-Connect~	Removable waste bin with cover, for cab	Sun visors with ticket pockets and mirrors	Functional equipment
2 x USB C ports		Heat-insulating windows	Trailer hitch preparation (incl. trailer stabilization)
Digital radio reception			
Central locking system with Keyless Start			

\* Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

~ App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, connection cable (sold separately).

## Equipment Features.

01

**01 Dual-clutch gearbox (DSG).** The Caddy is fitted with an adaptive 7-speed dual-clutch gearbox. This enables fully automatic, smooth gear changes without interruption of tractive power, and it also adapts to the driver's driving style. You can also shift up and down using rocker switches on the steering wheel. | C | L |

02

**02 Leather multifunction steering wheel.** Pleasant to the touch and extremely user friendly. You can use the buttons to control features including the radio, navigation system, mobile phone, cruise control system and change gears via extra paddles for responsive gear changes. | C | L |

03

**03 Folding tables in the passenger compartment.** Folding tables are built into the front seat backrests. They provide a practical surface and an integrated drink holder for passengers in the second row of seats. | C | L |

04

**04 Panoramic sunroof** | C | L |

05

**05 Electrically adjustable, power folding and heated exterior mirrors** | C | L |

06

**06 Roof storage gallery** | C | L |

**Climatronic two-zone air conditioning system incl. AirCare.**

The fully automatic air conditioning system with allergen filter has several sensors and keeps the set temperature constant for the driver and front passenger. | C | L |

## Equipment Features.

08

**08 ergoComfort seat (AGR).** The comfort seat, which has been certified as back-friendly by Aktion Gesunder Rücken (AGR) e.V.3), features a comprehensive range of settings designed to support the spine. In addition to adjustment of the seat length, seat height, seat depth, seat tilt, backrest and head restraint, the ergoComfort seat features electric 4-way lumbar support. | C | L |

09

**09 Front, side, curtain and centre airbags.** The Caddy is equipped with one front airbag for the driver and one for the passenger. Centre airbags prevent a collision between the driver and front passenger. And curtain airbags offer all passengers sitting on the outer seats protection in the event of a side-on collision. | C | L |

10

**10 H7 halogen headlights** | C | L |

11

**11 LED headlights with daytime running lights** | C | L |

12

**12 Rear LED combination Lamps** | C | L |

13

**13 Electric power closing tailgate.** Electric power closing is available for the boot lid. This function gently and quietly pulls the semi-closed tailgate the last few millimetres into the lock until it's engaged securely. | C | L |

14

**14 Heat-insulating windows.** Significantly reduces the heat in the vehicle interior. Privacy glass dark windows in the passenger compartment provide a high degree of privacy. | C | L |

15

**15 Coat hook.** The passenger compartment features two practical coat hooks for hanging up your clothing. | C | L |

**Central locking system with Keyless Start.** Rummaging around for your car key is a thing of the past. The automatic locking and starting system means the vehicle key can remain in your pocket when you want to open the doors and start the vehicle. | C | L |

# The driving force.

## Efficient TSI and TDI engines.

Whether on the highway, in the city, suburban roads or country, the Caddy can be ideally adapted to your driving profile.

With TSI and TDI engines of the next evolutionary stages, you will have no problem getting you and your family from A to B.

### TSI Engine

1.5L TSI220 (85kW, 220Nm)

Front-wheel Drive

7-speed dual clutch gearbox DSG

Combined Fuel Consumption From 6.7L/100km\*\*

### TDI Engine

2.0L TDI320 (90kW, 320Nm)

Front-wheel Drive

7-speed dual clutch gearbox DSG

Average Fuel Consumption From 5.5L/100km\*\*

**Dual-clutch gearbox (DSG).** No time for idling. The Caddy California is equipped with a 7-speed dual-clutch gearbox for fully automatic gear changes without any interruption in tractive force.

# Arrive Safely.

## The modern driver assistance systems.

So that every journey ends just as relaxed as it started, the Caddy comes with a host of driver assist systems that are capable of making preventive interventions in critical situations.

Image shown for illustrative purposes only and varies from standard specification. Caddy shown is a SWB Life variant (not available in Australia) with optional 18 Inch Alloy Wheels "Monterosso" Glossy Black, Silver Roof Rails, LED Main Headlamps with LED Separate Daytime Running Light and LED Rear Combination Lamps.

**Advanced Driver Attention & Drowsiness Monitor.** Uses visual and audible warning signals to recommend that the driver takes a break as soon as it registers driving behaviour that indicates fatigue. | C | L |

**Seatbelt warning.** Visual warning when the engine is started and an audible warning is emitted, if the driver's and/or passenger seatbelts are not fastened. | C | L |

**Airbags.** Driver & passenger front, side and curtain airbags provide the best possible protection in the event of head-on or side impacts. In addition 2 side curtain airbags for the second row of seats. | C | L |

**Anti-Lock Braking System (ABS).** Prevents the wheels from locking and thereby maintains manoeuvrability. | C | L |

**Electronic Stabilisation Program (ESP).** Standard feature that prevents under- and over-steering through targeted braking of the individual wheels. | C | L |

**Electronic Differential Lock (EDL).** Distributes the engine torque to the tyres without slippage. | C | L |

**Traction Control Systems (TCS).** Prevents wheels from spinning excessively. | C | L |

**Lane Keep Assist\*.** Countersteers if a lane is left unintentionally while alerting the driver at the same time by using a warning tone and information in the multifunction display. | C | L |

**Tyre pressure monitoring system.** Displays the current pressure for every tyre and warns of deviations from the set pressure. | C | L |

**Hill Hold Assist.** This prevents the vehicle from rolling back on inclines, making it easier to start off on uphill slopes. | C | L |

**Front Assist with City Emergency Braking\*.** Detects pedestrians, cyclists and vehicles in the direction of travel and alerts the driver to hazardous situations. If the driver doesn't react in time, the system responds with automatic emergency braking, and can even perform an evasive manoeuvre in critical driving situations. | C | L |

**Adaptive Cruise Control (ACC)\*.** With follow to stop function. Helps to maintain the correct distance from the vehicle in front and drives off again after a short standstill time in traffic jams or urban traffic. | C | L |

**Multi-Collision Braking.** Triggers braking after a collision, with the aim of preventing secondary crashes, activated when two independent sensors detect an accident. After a short delay, the vehicle begins a phased braking action down to 10 km/h, during which the driver can take over at any time. | C | L |

**Electromechanical Power Steering.** The speed-dependent steering with active reset improves your driving feeling and safety and achieves steering precision. | C | L |

**Blind Spot Monitoring with Rear Traffic Alert\*.** The Blind Spot Monitor with Rear Traffic Alert system supports the driver in assessing and avoiding dangerous situations, especially in critical situations, e.g. city and heavy traffic. The Blind Spot Monitor detects cars and motorcycles in the driver's blind spot and highlights these vehicles via a LED indicator in the door mirror. Rear Traffic Alert warns the driver of approaching traffic at the rear of the car when reversing via an audible warning followed by a visual message in the Optical Parking System (OPS). | C | L |

#### **Rear View Camera (RVC)\*.**

Simplifies parking by showing a limited view of the area behind the vehicle on the display of the radio. Additional guidelines help the driver manoeuvre into the space. | C | L |

**Front and Rear Park Distance Control (PDC).** Emits audible warnings when obstacles are detected in front of or behind the vehicle when parking, and also provides a visual display of the vehicle's distance from these obstacles. | C | L |

**Park Assist\*.** Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout. | C | L |

**Rear Cross Traffic Alert.** Monitors the road at right angles to the parking space when reversing out of a parking bay, detects approaching objects and prevents imminent collisions by an automatic braking intervention. | C | L |

**Comfort drive Travel Assist.** Combines the functions of ACC, Lane Assist, and Emergency Assist for relaxed long-distance driving. | C | L |

**Lane keeping system Lane Assist with counter steering assistance.** Detects the vehicle lane by means of a multifunction camera and corrects unintentional departure from the lane as from 60 km/h by corrective counter steering. | C | L |

**Emergency Assist.** Reduces the risks if the driver's ability to control the vehicle is impaired. The system initially reacts to inactivity with an acoustic warning and waking jolts and subsequently initiates safe braking of the vehicle. | C | L |

**Lane change system Side Assist.** Warns about vehicles approaching from behind or that are already in the blind spot by means of an LED light in the respective exterior mirror. | C | L |

**Rear View\*.** Brakes automatically when driving into and out of parking spaces if the Park Distance Control sensors or the rear radar detect an obstacle. | C | L |

# Find your accessories

Volkswagen Genuine Accessories ensures your Volkswagen remains 100% Volkswagen. The extensive range of Caddy Genuine Accessories provides you with the opportunity to adapt your Caddy even more precisely to your individual needs. From exterior and interior to transport solutions that perfectly complement your Volkswagen.

**01 Roof racks (load limit 70kg).** The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.

**02 Roof box.** The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.

**03 Surfboard carrier.** Easily secure the surfboard to the carrier and genuine roof racks.

**04 Ski and snowboard carrier.** The genuine roof racks provide the base for all roof attachments and are aerodynamically designed to suit the Caddy.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. For a full range of Volkswagen Genuine Accessories, please refer to the accessories tab at [www.volkswagen.com.au](http://www.volkswagen.com.au) or visit an authorised Volkswagen Dealer.

**05 Bike carrier.** Lightweight bicycle rack, designed to be attached to the genuine roof racks.

**06 Tablet holder.** The Volkswagen innovative Travel & Comfort system has a basic module that is simply fixed between the front seat headrest mountings and can be used with various tablet holder attachments which brings comfort and convenience to any journey. Please contact your local Volkswagen dealer for compatible device.

**07 Coat hanger.** Meet your business needs. The Volkswagen coat hanger provides crease-free transport of your clothing with a removable function as well.

**08 Bag hook.** The Volkswagen folding table with built-in cup holder is especially useful on long journeys and offers the rear passengers a practical surface with height and angle adjustment.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. For a full range of Volkswagen Genuine Accessories, please refer to the accessories tab at [www.volkswagen.com.au](http://www.volkswagen.com.au) or visit an authorised Volkswagen Dealer.

05

06

07

08

**09 Luggage compartment liner.** The robust and durable boot liner with Caddy lettering easily keeps your luggage compartment clean.

**10 Luggage compartment tray.** With one high-quality velour side and one non-slip side. Helps keep the original luggage compartment area clean.

**11 Luggage reversible floor covering.** Easily secure the surfboard to the carrier and genuine roof racks.

**12 Luggage net.** Create order in the luggage compartment of your Caddy. Ensure that small and medium-sized objects stay where they are meant to with the Volkswagen Genuine luggage net, preventing loose objects from flying around in the luggage compartment.

**13 Loading sill in stainless steel effect.** The loading sill protection in stainless steel finish provides instant, stylish protection for an even more premium look to your vehicle.

**14 Loading sill in black grained look.** The loading sill protection in black grain look provides instant, stylish protection for an even more premium look to your vehicle.

Overseas models are shown for illustrative purposes only. Optional accessories at extra cost. Please note that the above accessories may have an effect on fuel efficiency. Items such as sports equipment and tablets are shown for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its Dealers. For a full range of Volkswagen Genuine Accessories, please refer to the accessories tab at [www.volkswagen.com.au](http://www.volkswagen.com.au) or visit an authorised Volkswagen Dealer.

**15 Universal traffic recorder.** For added protection the Caddy can be fitted with the Volkswagen Universal Traffic Recorder, a front and rear view camera that allows you to record any incidents onto a removable SD card. You have total control over all camera settings via the UTR Volkswagen App\*, which also includes a car finder feature. And the best thing is, the device requires no battery or recharging.

**16 Slimline weathershields.** Enjoy the circulating fresh air, even when it is raining or snowing, or avoid the unpleasant build-up of heat on hot days by opening the windows slightly.

**17 Door sill protection film.** A detail which is both sensible and functional to protect the heavily used door sills in the front and rear entrance areas against scratches and damage.

**18 Sunblind set.** The sunblind set can be used as optimal sun protection, as well as for thermal insulation – without impairing traffic safety. It can be used when the windows are closed as well as when they are open.

**19 Mudflaps.** Protect the underbody and sides of the vehicle from stone chipping and dirt.

**20 All-weather rubber floor mats.** Keeping the footwell clean all year round. The perfectly fitting and durable floor mat set with Caddy lettering on the front mats are attached to the vehicle floor using the integrated fastening system to prevent slipping.

Full vehicle specifications are available at [www.volkswagen.com.au](http://www.volkswagen.com.au)

^The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g. during engine warm-up), please refer to the owner's manual for full operating information.

\*\*Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Roof Load, kg	100	100	100	100
Towing Capacity, kg#				
Braked	1,500	1,500	1,500	1,500
Unbraked	750	750	750	750
Towbar Load Limit, kg	75	75	75	75

Full vehicle specifications are available at [www.volkswagen.com.au](http://www.volkswagen.com.au)

1. The Unladen Mass (UM) includes 10L of fuel, vehicle fluids and no occupants. Figures quoted are for base model vehicles only.

2. Payload figures determined by subtracting 'Unladen Weight' from total 'Gross Vehicle Mass' (GVM). A vehicle's final payload, given the different configurations, can only be determined by weighing the individual vehicle and comparing to the known GVM. Figures quoted are for base model vehicles only.

#When fitted with Volkswagen Genuine Tow Bar. Towing capacities are applicable to Volkswagen Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

# Technical Data

Dimensions in mm<sup>1)</sup>

Dimensions <sup>1)</sup>	Caddy Maxi
<b>Load/luggage compartment</b>	
Volume <sup>2)</sup> in L	
floor length/volume, behind 3 <sup>rd</sup> row seats	629 / 446
floor length/volume, behind 2 <sup>nd</sup> row seats	1,452 / 1,720
floor length/volume, behind 1 <sup>st</sup> row seats	2,265 / 3,105
<b>Sliding door</b>	
Width x height in mm	836 <sup>4)</sup> /846 x 1,096
<b>Tailgate</b>	
Width x height in mm	1,234 x 1,130 <sup>5)</sup>
<b>Turning circle</b>	
in mm	12,100

1) Please note that these are approximate values and dimensions may vary due to manufacturing tolerances. 2) In accordance with VDA /SAE measuring method. 3) Maximum load compartment height. Loading height without floor covering 1,259 mm. 4) With partition. 5) With roof aerial. 7) The maximum trailer weight varies depending on the engine. 8) Measured at the floor height of the vehicle. Illustrations include option at extra charge.

## 5 years Unlimited Kilometre Warranty

At Volkswagen, we pride ourselves on the highest quality standards that come with German engineering.

We back this commitment with a 5 year unlimited kilometre warranty on all new Volkswagen vehicles<sup>1</sup>.

## 1 year Roadside Assist

Every new Volkswagen petrol, diesel, and plug-in hybrid vehicle comes with a 1 year Roadside Assist membership<sup>2</sup>.

That's 24 hour roadside assistance, emergency accommodation, car rental and towing as well as property and other assistance, all included for added peace of mind.

## Volkswagen Care Plans

Volkswagen petrol, diesel and plug-in hybrid vehicles are eligible for a Volkswagen Care Plan<sup>3</sup>, covering your first 3 or 5 scheduled services, providing you savings off the total Assured Service Pricing RRP across a wide range of models. It's convenient, hassle-free scheduled servicing easily available for purchase at your local Volkswagen Dealer.

## Assured Service Pricing

Assured Service Pricing<sup>4</sup> gives you the comfort to know the cost of your first 5 scheduled services, when servicing your vehicle at any authorised Volkswagen dealership.

Our Volkswagen dealers have access to the latest diagnostic equipment and tools. Plus, they use Volkswagen Genuine Parts<sup>®</sup> to ensure your Volkswagen stays a Volkswagen.

1. Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

2. Volkswagen Assist (Roadside Assistance) Conditions and exclusions apply, see <https://www.volkswagen.com.au/en/owners-service/service-repairs-parts/roadside-assist.html>.

3. Volkswagen Care Plans are available for purchase at <https://www.volkswagen.com.au/en/owners-service/service-repairs-parts/care-plans.html> or from participating authorised Volkswagen Dealers for Eligible Vehicles and cover standard items as contained in each scheduled service interval only. The service intervals occur every 15,000 km/12 months (whichever occurs first) for all models except:

a) MY18 to current Crafter vehicles and MY21 and MY22 Amarok vehicles, which are scheduled to occur every 20,000 km/12 months (whichever occurs first) ; and

b) ID. 4, ID. 5 and ID. Buzz which are scheduled to occur every 30,000 km/24 months (whichever occurs first).

These Care Plans can only be purchased prior to the first scheduled service and up to 22,500 km/15 months (whichever occurs first) for all models except:

a) MY18 to current Crafter vehicles and MY21 and MY22 Amarok vehicles which are 30,000 km/15 months (whichever occurs first); and

b) ID. 4, ID. 5 and ID. Buzz which are 37,500 km/27 months (whichever occurs first).

The timeframe takes effect from the New Vehicle Warranty start date. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions.

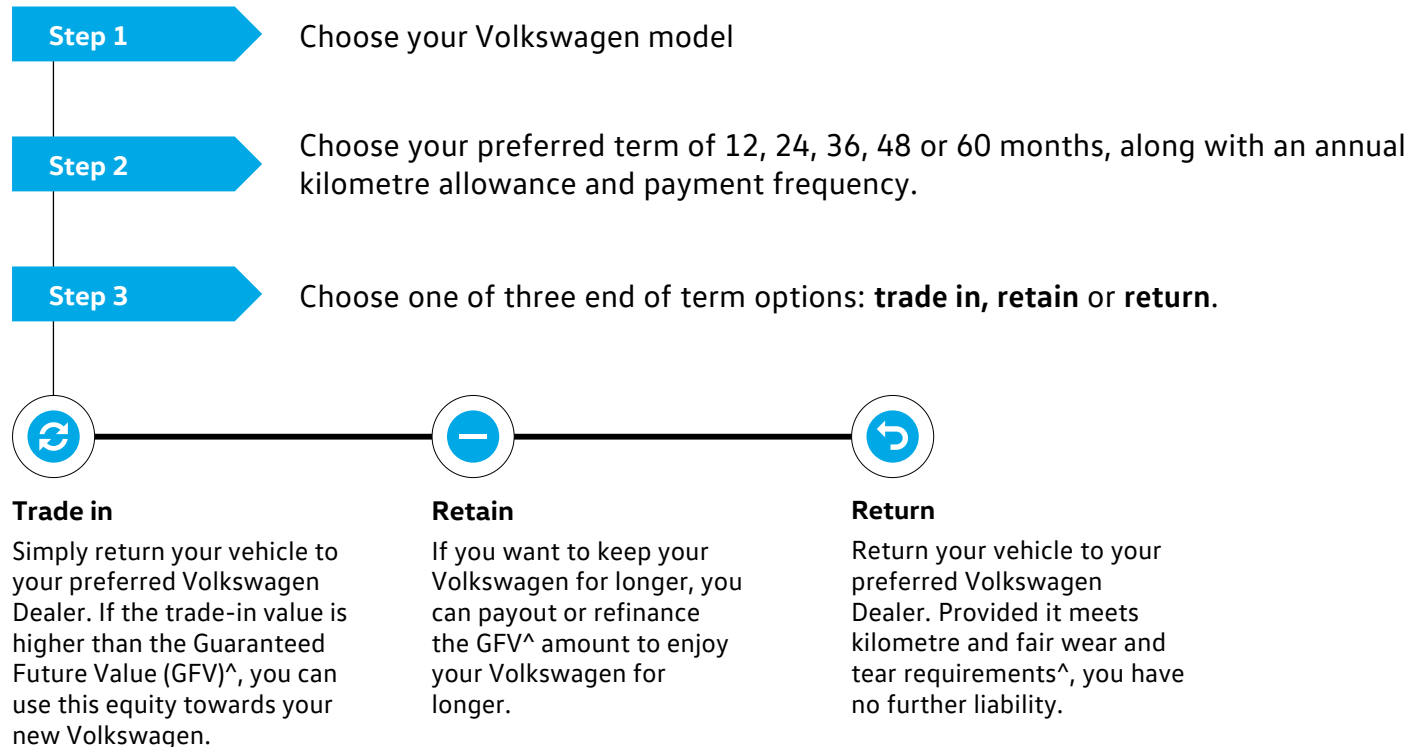

4. Volkswagen Assured Service Pricing is current as at the date the customer obtains a price from the Volkswagen Service Pricing Guide or from a participating authorised Volkswagen dealer and is subject to change without notice. Customers are advised to confirm current pricing on the Volkswagen Service Pricing Guide or with an authorised Volkswagen dealer on the day of each scheduled service. Volkswagen Assured Service Pricing applies to the cost of standard items in each of the first 5 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first) or for MY18 to current Crafter vehicles and MY21 and MY22 Amarok vehicles, every 20,000kms/12 month interval (whichever occurs first) or for ID. 4, ID. 5 and ID. Buzz, every 30,000 km/24 months (whichever occurs first). Exclusions and conditions apply. For more details on the eligible models, pricing, items not included and for full terms and conditions, please see <https://www.volkswagen.com.au/app/locals/service-pricing-guide>. Volkswagen Australia reserves the right to at any time modify or discontinue the Volkswagen Assured Service Pricing program.

# Volkswagen Choice<sup>^</sup>

Guarantee the minimum future value<sup>^</sup> of your Volkswagen

Fortunately, there are still some guarantees in life. Volkswagen Choice<sup>^</sup> is our Guaranteed Future Value<sup>^</sup> program, a flexible finance solution that provides you with the assurance of knowing exactly what the minimum future value<sup>^</sup> of your vehicle will be at the end of your loan. Once your loan ends, you have the option to trade in, retain or return your vehicle.

Whether you are selecting your new Volkswagen for business or personal use, you choose your preferred loan term, along with an annual kilometre allowance and payment frequency that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum future value<sup>^</sup> up front, and knowing that, as long as the vehicle is in good condition, has met the agreed kilometre usage and is undamaged – you and your business will never be out of pocket when trading your vehicle in to cover the final payment.

<sup>^</sup>For approved applicants of Volkswagen Financial Services (VFS) ABN 20 097 071 460, Australian Credit Licence 389 344. Volkswagen Choice has a Guaranteed Future Value (GFV) which is the minimum value of your vehicle at the end of your finance contract as determined by VFS. If you decide to return your vehicle to VFS at the end of your term, VFS will pay you the agreed GFV, which will be put against your final payment subject to fair wear and tear conditions and agreed kilometres being met. At the end of your term, you can elect to (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges apply if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator Volkswagen vehicles for selected models. Contact your nearest Volkswagen Dealer to check eligible vehicles for this program. To see if this product is right for you, please see our Target Market Determination on our website and/or seek independent advice. Subject to a credit assessment and VFS lending criteria. Fleet, government, rental and used car buyers, hire car and chauffeur companies excluded.
